PART 1 – SUMMARY AND EXPLANATION

The Council's Constitution

1. The Constitution sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that it is efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.
2. The constitution is divided into Articles, which set out the basic rules governing the Council's business and more detailed procedures and codes of practice are provided in separate rules and protocols later in the document.

How the Council operates

3. The Council is composed of 50 Councillors elected every four years. Councillors are democratically accountable to residents of their ward. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.
4. Councillors have to agree to follow a code of conduct to ensure high standards in the way they undertake their duties. The Monitoring Officer and the Council's Standards Committee oversee the operation of this code, provides advice and training for Councillors, and considers complaints against Councillors and co-opted members.
5. All Councillors meet together as the 'Full Council'. Meetings of the Council are open to the public. Here, Councillors decide the Council's overall policies and set the budget each year. The Council is responsible for electing the Leader (who appoints the other members of the Executive, known as 'Cabinet'), and the memberships of Regulatory Committees and Overview and Scrutiny Committees, known as 'Policy and Accountability Committees'. This is carried out at the Annual Council meeting each year. At Ordinary Council meetings, Councillors may also submit special motions for debate. A formal vote is taken on these matters and any other issues raised.

How decisions are made

6. The Executive (Cabinet) is the part of the Council which is responsible for most significant day-to-day decisions. The Executive is made up of a Leader (who is elected by the Council), a Deputy Leader and a Cabinet of 8 other Councillors (Cabinet Members) appointed by the Leader.
7. When major decisions are to be discussed or made, these are published a month in advance in the key decisions list in so far as they can be anticipated. If these major decisions are to be discussed and decided on with Council officers at a meeting of the Executive, this will generally be open for the public to attend and/or to submit a deputation or petition, except where personal or confidential or exempt matters are being discussed. Members of the Executive may also consider petitions on other matters.

8. The Executive has to make decisions which are in line with the Council's overall policies and budget. If it wishes to make a decision which is outside the budget or policy framework, this must be referred to the Council as a whole to decide.

Overview and scrutiny

9. Overview and Scrutiny Committees (known as Policy and Accountability Committees and overseen by the Policy and Oversight Board in Hammersmith & Fulham) develop key policies for the Council on behalf of and with residents and community groups, and hold the Executive to account. They shadow the work of the Executive, and allow citizens to have a greater say in Council matters by way of:
 - a deputation request;
 - a petition;
 - by being directly co-opted to sit on a policy and accountability committee, sub-committee or task group;
 - by participating in select-committee style public inquiries;
 - or by commenting on and participating in the determination of council policy.
10. The input from members of the public and community groups helps advise and inform the decisions of the Executive and the Council as a whole on its policies, budget and service delivery.
11. Councillors (and voting education co-optees on education matters) can 'call-in' a decision which has been made by the Executive but not yet implemented (see overview and scrutiny procedure rules). This enables backbench councillors to consider whether the decision is appropriate. They may recommend that the Executive reconsiders the decision, or that the Council determines the matter if it appears to be a breach of the agreed budget and policy framework. Policy and Accountability Committees may also be consulted by the Executive on forthcoming decisions and the development of future policy.

The Council's staff

12. The Council has people working for it (called 'officers') to give advice, implement decisions, and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A protocol governs the relationship between officers and members of the Council

Citizens' rights

13. Citizens have a number of rights in their dealings with the Council. These are set out in more detail in [Article 3](#). Some of these are legal rights, whilst others depend on the Council's own processes. The local Citizens' Advice Bureau can advise on individuals' legal rights.

14. Where members of the public use specific Council services, for example as parents of a school pupil or as Council tenants, they have additional rights. These are not covered in this constitution, but in separate documents available from the relevant Council department.
15. The Council welcomes participation by its citizens in its work. For further information on your rights as a citizen, please contact the Council's information service or alternatively, visit the Council's website at www.lbhf.gov.uk

The public must be excluded from meetings whenever it is likely, in view of the nature of business to be transacted, or the nature of the proceedings that confidential information would be disclosed.
- 23.3 If there is a general disturbance making orderly business impossible, the Chair may adjourn the meeting for as long as they think is necessary.

Scheme of Delegation to Officers

1. Powers of Delegation

- 1.1 The Council has made the following arrangements for the discharge of executive and non-executive functions under the Local Government Act 1972 and the Local Government Act 2000.
- 1.2 This Scheme of Delegation also applies to officers operating within Shared Services which are governed by agreements under s113 of the Local Government Act 1972.

2. General Principles of Delegation

- 2.1 All delegated powers are exercised in accordance with Council policies, within any financial limits imposed and within any guidelines prescribed in this Constitution or by the Council, Cabinet or appropriate committee.
- 2.2 Each officer shall exercise all powers subject to the Council's Constitution, Executive Arrangements and Scheme of Delegations, Contract Standing Orders and Financial Regulations, as appropriate.
- 2.3 The executive powers, duties and functions of the Executive (Cabinet) Members, Committees, or officers shall be exercised on behalf of the Leader.
- 2.4 Cabinet Members may delegate, in writing, functions in their portfolios to officers.
- 2.5 Any matter that does not fall within the definition of a Key Decision under this Constitution is delegated to either the relevant Cabinet Member or an officer of the Authority. Where an officer has delegated authority it may still be appropriate for the officer to consult with the relevant Cabinet Member prior to taking the decision.
- 2.6 All Chief Officers are authorised to make arrangements for the proper administration of the functions falling within their responsibility. A Chief Officer may authorise officers within their department to exercise any of their delegated powers.
- 2.7 Cabinet Members or Committees may reserve to themselves decisions that have been delegated to officers by giving notice to the Chief Executive, the Monitoring Officer and the relevant Chief Officer.
- 2.8 Where any new power or duty is given to the Council, the exercise of that power or duty will be undertaken by the relevant Chief Officer until such time as the allocation of responsibility has been determined by the Leader or the Council.

2.9 In all cases where the exercise of executive functions is not specifically reserved to the Executive, those functions are deemed to be delegated to the Chief Executive and the Chief Officer with responsibility for the relevant function as set out in this chapter of the Constitution and the departmental register of authorities.

3. Limitations and Conditions of Delegation

3.1 Where revenue expenditure will be incurred or new sources of revenue secured, (including grants, loans, investments and management of Council funds), any officer exercising their delegated power must do so in accordance with approved revenue estimates and following consultation with either the Cabinet Member, Cabinet or Leader.

3.2 Officers shall not exercise delegated powers where any capital expenditure will be incurred other than in accordance with Financial Regulations or where that authority may be given for the incurring of expenditure on preliminary action or appraisals, or design work where expenditure will:

- (a) be treated as capital expenditure, and
- (b) the scheme appears in the approved capital programme.

3.3 Officers shall not exercise any powers to contract or issue orders for goods, materials or services (including for maintenance or repair work to Council premises), except in accordance with the Council's Contract Standing Orders and Financial Regulations.

3.4 An officer to whom power is delegated may decline to exercise their powers in a particular case and shall in such instances refer the matter to either the Leader, the Cabinet, relevant Cabinet Member or the Full Council as appropriate in order that a decision may be made.

3.5 Where officers are taking decisions under delegated powers, the following principles and conditions shall apply.

- (a) The officer exercising such powers shall take into account the principles set out in, Part 2 Article 12 (Decision Making), the Budget and Policy Framework and any other relevant policies, procedures or previous decisions.
- (b) All decisions shall be taken in the name of, but not necessarily personally by, the officer(s) to whom the power is delegated. The officer with the delegated power may authorise another officer to act on their behalf, any such authority must be in writing. The officer with the delegated power shall remain accountable for the exercise of that power.
- (c) In any case where the officer exercising the power considers that a departure from existing policy or a significant change in financial practice is likely to be involved or, in the case of an executive decision, is contrary to or not wholly in accordance with the Budget and Policy

Framework, they shall consult the relevant Chief Officer and the Chief Executive or Cabinet Member, as appropriate, who shall refer the matter to the appropriate decision maker(s).

- (d) Where officers consider that a decision which they have taken under delegated authority is particularly significant to the Council, they shall report the decision to the relevant Cabinet Member/the Cabinet for information. The decision must also be recorded in the council's central register which records all decisions as specified in Regulation 7 of the Openness of Local Government Bodies Regulations 2014.
- (e) The Chief Executive as Head of the Council's paid service shall monitor the exercise of delegated powers, other than statutory functions, for which Chief Officers have responsibility. The Chief Executive may require any officer to cease the exercise of such powers pending a report to the next meeting of the Cabinet.

3.6 Routine service decisions on matters which fall within their departmental / service group remit which are not otherwise covered by this Scheme may be taken by the relevant Chief Officer provided that this is done in accordance with paragraph 6 – Routine Service Decisions of the General Functions Delegated to the Chief Executive and all Chief Officers set out below.

- (a) In relation to the day to day conduct of decision making by the Council, the ruling of the Monitoring Officer on questions relating to this Scheme shall be final.
- (b) The exercise of functions by Executive Members, Committees and officers shall be subject to the provisions of the Local Government Act 1972, the Local Government Act 2000, Local Government and Public Involvement in Health Act 2007, and any subsequent amendments, supporting or new legislation.

3.7 Subject to the above constraints and limitations, officers may exercise all powers within their respective areas of responsibility, and the absence of a specific delegation to an officer shall not be taken as implying an absence of authorisation to act.

4. Conflicts of Interest

4.1 Every officer is responsible for identifying whether they have any conflict of interest in any matter which is under consideration and if they do, to notify the Head of Paid Service or Monitoring Officer.

4.2 Where an officer has a conflict of interest in any matter, they shall not participate in that matter in their capacity as an officer except with the prior approval of their line manager, the Monitoring Officer or the Chief Executive.

4.3 Where the Chief Executive is unable to act on a matter because of a conflict of interest, the matter shall be discharged by a Chief Officer.

- 4.4 Where a Chief Officer is unable to act on a matter because of a conflict of interest, the Chief Executive shall discharge the matter themselves or allocate the matter to another officer.
- 4.5 Where the Monitoring Officer is unable to act on a matter in their statutory capacity under section 5 of the Local Government and Housing Act 1989, the matter shall be discharged by the officer designated by the Monitoring Officer as Deputy Monitoring Officer.
- 4.6 Where the Monitoring Officer is unable to act on a matter in relation to Member conduct, the matter shall be discharged by the person appointed by the Monitoring Officer for this purpose.

15. RULES OF DEBATE AT COUNCIL

- (a) Debate may be on motions, recommendations or other items placed on the Council agenda.
- (b) Speeches should be relevant to the subject under discussion and be addressed to the Mayor. No speech may exceed 5 minutes without the consent of the Mayor except:
 - (1) At the Budget meeting, the Leader shall be allowed unlimited time to set out their priorities or to propose the Budget.
 - (2) The Leader of the Opposition shall also be allowed unlimited time to reply to a Leader's speech at the Budget Meeting.
 - (3) In the event of the absence of the Leader or the Leader of the Opposition at the Budget meeting, the Mayor shall invite the Deputy Leader or another Cabinet Member (for the Leader) or another Member of the same political group (for the Leader of the Opposition) to exercise the rights of speech of the Leader or the Leader of the Opposition.
 - (4) Up to 3 other speakers from each side shall speak at the Budget meeting. No speech may exceed 5 minutes.
 - (5) The Leader of the Council will then be given an opportunity to sum up the debate.
- (c) The Mayor shall call speakers in a manner designed to achieve effective debate and to air the views of all political parties. A Councillor who has initiated a debate by Special Motion shall have a right of reply at the end of the debate.
- (d) When speaking at meetings of the Council, a Councillor may sit or stand to address the Mayor. If two or more Councillors indicate they

wish to speak, the Mayor will call on one and the others should sit while they wait to be called on. When a Councillor is speaking, all other Councillors shall remain seated, unless rising to a point of order or a point of personal explanation (see below). Points of order and personal explanation can also be indicated while seated.

- (1) **On a point of order:** A Councillor shall be entitled to be heard forthwith. Any other Councillor then speaking shall give way. A point of order shall relate only to an alleged breach of a Rule or statutory provision, and the Councillor shall specify the Rule or statutory provision, and the way in which they consider it has been contravened. The Councillor's remarks shall be confined to the point of order.
 - (2) **On a point of personal explanation:** A Councillor shall be entitled to be heard forthwith. Any other Councillor then speaking shall give way. A point of personal explanation shall be confined to some material part of a former speech by them, which may appear to have been misunderstood in the present debate, or as to some statement or act wrongly attributed to them. But in making such explanation, the Councillor must confine their remarks strictly to that point and must not refer to other matters, nor endeavour to elaborate a former speech by new arguments, or reply to other Councillors.
- (e) The following Motions and Amendments may be moved without prior notice:
- (1) Election of a Chair for the meeting (if the Mayor is absent), and/or to invite the Deputy Mayor, if present, to take the Chair.

 - (14) That a Councillor named be not further heard.

- (15) Inviting a Councillor to remain after declaring an interest under the terms of the Code of Conduct.
- (f) **On a motion to adjourn the meeting or debate:** Unless in the Mayor's opinion the matter before the meeting has been insufficiently discussed, the Mayor shall put the adjournment motion to the vote without giving the mover of the original motion the right of reply on that occasion. If the motion is passed, consideration of the matter(s) under discussion shall stand adjourned to a further meeting.
- (g) **On a motion to adjourn a Special Motion:** The Mayor shall put the adjournment motion to the vote without giving the mover of the original motion the right of reply. If the motion is passed, consideration of the matter(s) under discussion shall stand adjourned to a further meeting.
- (h) **On a motion to proceed to next business:** Unless in the Mayor's opinion the matter before the meeting has been insufficiently discussed, the Mayor shall first give the mover of the original motion a right of reply, and then put to the vote the motion to proceed to the next business.
- (i) **On a motion that the question be now put:** Unless in the Mayor's opinion the matter before the meeting has been insufficiently discussed, the Mayor shall first put to the vote the motion that the question be now put, and if it is passed, then give the mover of the original motion the right of reply before putting their motion to the vote.
- (j) A Councillor may move a relevant amendment to any motion or recommendation. Such amendments shall require a seconder and shall, if required, be put in writing to the Mayor before discussion.
- (k) An amendment shall be relevant to the motion or recommendation and shall leave out, add or insert words.
- (l) Only one amendment shall be discussed at a time. If an amendment is lost, other amendments may be moved on the original motion or recommendation. If an amendment is carried, the motion or recommendation as amended shall take the place of the original motion or recommendation and shall become the substantive motion or recommendation upon which any further amendments may be moved.
- (m) A motion may be withdrawn or altered with the consent of the meeting by the mover or seconder of the motion or their Party's Whip on their behalf whether prior to or during the meeting. No member may speak on a withdrawn motion.
- (n) After the guillotine has fallen, all circulated amendments to motions shall be taken as proposed and seconded. The Mayor shall put to vote, without discussion, each amendment to the undebated motions to complete the consideration of any remaining items of business on the agenda.

16. ORDER OF DEBATE AT COUNCIL (When a Member may speak during a debate)

- 16.1 All motions and amendments must be formally moved and formally seconded by Members, or deemed to be so under these Rules, before they may be debated and voted upon.
- 16.2 A mover of the motion or amendment may elect to speak immediately or reserve their speech until later in the debate (subject to the prior termination of the meeting or a resolution that the matter be now put).
- 16.3 A Member seconding a motion or amendment shall indicate their intention to second the motion immediately following the proposal of the motion, and may then elect to speak immediately following the proposer, or may elect to reserve their speech until later in the debate (subject to the prior termination of the meeting or a resolution that the matter be now put).
- 16.4 The Mayor will then call any Members who have indicated to speak.
- 16.5 If an amendment is moved, the debate shall proceed in the following manner:
- (a) The mover of the amendment, thereafter the seconder of the amendment shall speak unless they have reserved their speech
 - (b) Then shall follow such other speakers as the Mayor considers appropriate
 - (c) A vote shall be taken on the amendment
 - (d) The Mayor will then call any further Members who have indicated they wish to speak on the substantive motion.
 - (e) The mover of the substantive motion shall have a right to reply at the end of the debate immediately before it is put to the vote.
 - (f) A vote shall be taken on the substantive motion, as amended if appropriate.
 - (g) If more than one amendment is moved, they shall be debated separately and voted upon one at a time.

NOTE: A member may speak only once on a motion and also once on an amendment except where they have the final right to reply.

17. VOTING AT COUNCIL AND COMMITTEE MEETINGS

- (a) All questions considered by Council or a Committee shall be decided by a simple majority of the Councillors (or voting members comprising the Panel) present and voting thereon, subject (in the case of voting at Council meetings) to the provisions of any enactment. Where there is no dissent, the Mayor shall take the recommendation or motion as agreed.
- (b) If there is dissent, the Mayor shall take a vote by show of hands. The Mayor shall announce the result of the votes – For, Against and Not Voting.
- (c) In the case of an equality of votes, the Mayor/Chair shall have a second or casting vote and may exercise it at their discretion.

- (d) The Local Authorities (Standing Orders) (England) (Amendment) Regulations 2014 require a recorded vote to be taken on any decision relating to the budget or council tax and will follow the procedure set out at Rule 17(e) below.
- (e) In addition to Rule 17(d), if at a meeting any five Members present demand a recorded vote by standing, prior to the Mayor calling a vote, to indicate such demand, the names “for” or “against” the motion or amendment or abstaining from voting i.e. “not voting” will be taken down in writing and entered into the minutes. The procedure for a recorded vote shall be as follows:
 - (i) The Monitoring Officer or their representative shall ring the division bell for a minute. At the end of the one minute division bell, the Mayor shall put the motion to a vote and the Monitoring Officer or their representative shall call out the names of Members and record their votes or abstentions.
 - (ii) Each member shall answer “For”, “Against” or “Not Voting”.
 - (iii) The Mayor shall declare the result of the vote and the vote of each Member shall be recorded in the minutes.
- (f) This is a mandatory standing order under the Local Authorities (Standing Orders) Regulations 1993 and cannot therefore be waived. Where any Member requests it immediately after the vote is taken, their vote will be so recorded in the minutes to show whether they voted for or against the motion or abstained from voting.
- (g) If more than two persons are nominated for any position to be filled by Council and there is not a majority vote in favour of one person, then the person with the least votes shall be removed from the list and a fresh vote taken. This shall continue until one person has a majority of votes.

18. REGULATORY, POLICY AND ACCOUNTABILITY AND OTHER COUNCIL COMMITTEES

- 18.1 The Membership and Terms of Reference of all Council Committees shall be decided by Annual Council and any subsequent vacancies or changes made at future Council meetings.

18.6 In the absence of the Chair of a Committee, the Vice-Chair shall not take the chair at a meeting. 19.1 Quorums for all Council meetings can be found in Part 3 of the Constitution in Committee Terms of Reference.

19.3 If a quorum is lacking at any time after a meeting has started, the meeting shall be suspended for up to 15 minutes, after which time, if a quorum is still not achieved, the meeting will end. Any items of business remaining on the agenda for that meeting will then be lost.

A point of order shall relate only to an alleged breach of these Council procedure rules or a statutory provision, and the Councillor shall specify which rule or statutory provision, and the way in which they consider it has been contravened. The Councillor's remarks shall be confined to the point of order.
2. **On a point of personal explanation:** A Councillor shall be entitled to be heard forthwith. Any other Councillor then speaking shall be silent. A point of personal explanation shall be confined to some part of a speech which may have been misunderstood, or to some statement or act wrongly attributed to the councillor. - (f) **On a motion to proceed to next business:** Unless in the Chair's opinion the matter before the meeting has been insufficiently discussed, the Chair shall put the motion to proceed to the next business to the vote.
- (g) A Councillor may move an amendment to any recommendation. Such amendments shall require a seconder and shall, if required, be put in writing to the Chair before discussion.
- (h) Only one amendment shall be discussed at a time. If an amendment is lost, other amendments may be moved on the original recommendation. If an amendment is carried, the recommendation as amended shall take the place of the original recommendation and shall become the substantive recommendation upon which any further amendments may be moved.

21. DECLARATIONS OF INTEREST⁹

- (a) If a Councillor (or a co-opted member) has a **disclosable pecuniary interest** in any particular agenda item at a meeting, they should declare the existence and nature of the interest (unless it is a sensitive interest) at the commencement of the consideration of that item or as soon as it becomes apparent.
- (b) Any Councillor with a **disclosable pecuniary interest** may make representations, give evidence or answer questions about the matter, but only at meetings where members of the public are allowed to be in attendance and to speak. 22. ORDER AT COUNCIL AND COMMITTEE MEETINGS

- (a) Councillors shall abide by the provisions of the Code of Conduct and the ruling of the Mayor/Chair on all matters.
- (b) If at a meeting any Councillor is guilty of misconduct by persistently disregarding the ruling of the Mayor/Chair, behaving improperly or irregularly, persistently heckling, using racist or sexist language or obstructing the business of the meeting, the Mayor/Chair or any Councillor may move "That the Councillor named be not further heard." If the motion is seconded, it shall be put and determined without discussion.
- (c) If the Councillor named continues misconduct, after a motion under (b) is carried, and does not heed a further warning from the Mayor/Chair, the Mayor/Chair shall be empowered to require the Councillor to leave the meeting.
- (d) The Mayor/Chair may at their discretion suspend the meeting for such period of time that they consider expedient.

⁹ This Rule shall apply to all Council, Executive, Regulatory, Policy and Accountability Committee or any other Council Committee meetings.

- (f) The Mayor/Chair, in the event of a continuous disturbance which renders the orderly despatch of business impossible, may order the clearance of the public galleries and/or the removal of individuals from the meeting or room.
- (g) The Council will provide reasonable facilities for any member of the public to report on meetings that are open to the public:
 - (i) Members of the public may film, photograph or record for social media any meeting of the Council that is open to the public. Members of the public wishing to do so are asked to make themselves known to Council officers so that appropriate provisions can be made.
 - (ii) Private meetings or discussions of agenda items containing exempt or confidential information (as defined by paragraph 3 of Schedule 12A of the Local Government Act 1972, as amended) may not be filmed or recorded.
 - (iii) Filming and photography may not be allowed when young or vulnerable people are speaking or in attendance.
 - (iv) Filming and photographing should be conducted using hand-held devices and carried out in a way which is conducive to the good order and conduct of the meeting.

- (b) Applicants or their agents and people who have commented on a planning application are able to speak at meetings of the Planning and Development Control Committee where the application is being considered, in accordance with the Public Speaking at Planning and Development Control Protocol in Part 5 of the Constitution. Written petitions made on a planning application are incorporated into the officer report to the Planning and Development Control Committee. Petitioners, as members of the public, are welcome to attend meetings, but are not permitted to speak. They can, however, be represented by their Ward Councillor, who may address the Committee. Deputation requests are not accepted on applications for planning permission.

24. MOTION TO CLOSE MEETING¹⁰

- 24.1 A Councillor may move without comment at the conclusion of a speech, to close the meeting. After the motion is seconded the Chair shall proceed as follows:
 - (a) Seconding will be without a speech. The mover and one other speaker replying on invitation of the Chair, may speak for five minutes only and the question shall then be put.
 - (b) If the motion is carried, the Chair will then follow the procedures to close the meeting (guillotine provisions) below. Any member who has moved or seconded such a motion may not move or second another such motion subsequently during the course of the meeting. A motion to close shall not be moved (without leave of the Chair) within one hour of the moving of a previous closure motion.

25. GUILLOTINE PROVISIONS

- 25.1 All Council, Executive, Policy and Accountability Committee, Regulatory Committee and other Committee meetings (with the exception of Personnel, Planning, Adoption, Licensing, and Appointments Panels) shall end after three hours (“the guillotine”).
- 25.2 The time elapsed during any suspension of a meeting shall be added to extend the time at which the following provisions come into effect:
 - (a) At that time, or at any other time when a motion to close the meeting has been successfully carried;
 - (b) No further points of order shall be raised except by the Mayor/Chair; except that Councillors may declare an interest in any remaining items of business;

¹⁰ This Rule applies only to meetings of the Council.

- (c) The Mayor/Chair shall then interrupt the discussion of the item before the meeting;
- (d) Unless the mover of a motion then under discussion seeks leave to withdraw it, the Mayor/Chair shall allow them a right of reply to the debate;
- (e) Unless the motion or item of business then under discussion is withdrawn, the Mayor/Chair shall put, without further discussion, all the questions necessary to dispose of it;
- (f) The Mayor/Chair shall put without discussion, all the questions necessary to complete consideration of any remaining items on the agenda;
- (g) Finally, the Chair shall close the meeting.

25.3 Prior to the guillotine provision coming into effect, where the Council, Executive, Policy and Accountability Committee, Regulatory Committee or other Council Committee believes that a specific extension of time is warranted, this may be agreed by a resolution to extend the guillotine for a specified period. There is no limit to the number of extensions which may be agreed under this rule for Regulatory or Policy and Accountability or any other Council Committee, but at a Council meeting only one extension shall be allowed. No motion to extend the guillotine shall be permitted once the guillotine has fallen.

26. SUSPENSION OF RULES

- (a) In respect of business at Council meetings, any Rule, except those of statutory effect, may be suspended on a motion which may be moved without notice, provided at least one half of the whole number of Councillors are present; otherwise no motion of such effect shall be moved without notice.

- (b) In relation to the administration of the Council's business and to the business of Committees, these Rules shall be interpreted in cases of doubt by the Monitoring Officer, whose ruling shall not be challenged.

28. REMOTE MEETINGS

28.1 Where legislation allows, meetings may be held using digital means (i.e. video or telephone conferencing). This means meetings can be held in person, virtually, or with some people attending in person and some people attending virtually.

Petitions Scheme

1. INTRODUCTION

- 1.1 This Petitions Scheme was approved by the Council under the provisions of Section 11(1) of the Local Democracy, Economic Development and Construction Act 2009. It incorporates procedures to comply with the requirement under the act for the Council to set up an e-petitions scheme.
- 1.2 This scheme, which is available on the Council's website, will be updated periodically in response to experience with the scheme, guidance from the Government or changes in legislation. The scheme will be reviewed annually as set out in Section 14 below.
- 1.3 The Council has appointed a petitions officer, who will receive petitions and from whom further information and advice can be obtained. You can contact the petitions officer by e-mail: governance@lbhf.gov.uk, or by post at: Petitions Officer, Governance & Scrutiny, Hammersmith Town Hall, King Street, London, W6 9JU.

2. PRINCIPLES

- 2.1 The Council welcomes petitions, either in paper form (see the form at the end of this document) or submitted via e-mail or through our e-petitions online facility. We accept petitions as a way in which people can let us know of their concerns and the degree of local support for what we do. We have agreed special procedures to ensure that all valid petitions are reported to an appropriate body within the Council.
- 2.2 We will treat something as a petition if it is identified as being a petition, or if it seems to us that it is intended to be a petition. Valid petitions, whether received by post, by hand, by e-mail or submitted in person or via our e-petitions online facility, will be accepted in accordance with this Scheme.
- 2.3 A petition can be open for signature up to a maximum of 90 days, unless an extension is agreed with the petition organiser; most will be responded to much sooner.

3. WHO CAN SUBMIT A PETITION?

- 3.1 Anybody who lives, works or studies in the borough may organise, submit or sign a petition.

4. WHAT ARE THE GUIDELINES FOR SUBMITTING A PETITION?

- 4.1 A valid petition submitted to the Council must:
 - Relate to something which is the Council's responsibility, or which the Council has some influence over – the Council has close working relationships and, often, partnership agreements, with a wide range of

public organisations operating in the borough and across London. These organisations include the Hammersmith and Fulham Primary Care Trust, the local emergency services, the West London Waste Authority, and Transport for London as it operates in the borough.

- Be a clear and concise statement covering the subject of the petition. It should state what action the petitioners wish the Council to take.
- Have the names, addresses and signatures of the people who support the petition (name, address and valid e-mail address if the petition is submitted via e-mail or via the E-petition facility). The address might be a residential, work place or study location within the borough, with a valid postcode.
- Meet defined thresholds for numbers of signatures of people who live, work or study in the borough. (See section 9 below).
- Contain contact details, including an address, of the petition organiser. This is the person we will contact to explain how we will respond to the petition. The contact details of the petition organiser will not be placed on our website. If the petition does not identify a petition organiser, we will contact signatories to the petition to agree who should act as the petition organiser.
- Not, in the Council's opinion, be vexatious, abusive or otherwise inappropriate.
- Not relate to planning or licensing decisions or to any other matter where people have a statutory right to make comments, or to request a review or to appeal.

5. HOW TO SUBMIT A PETITION

5.1 Petitions may be submitted by e-mail, post, in person at the Town Hall, or through our e-petitions website. All petitions currently available for signature will be shown on our website. We reserve the right to check the validity of the addresses of anyone who signs a petition to ensure that they have a real interest in the borough.

5.2 Organisers of petitions can visit our website to submit a petition online or download the petition form. The Petitions Officer can be contacted in the following ways:

Email: governance@lbhf.gov.uk

Address:

Petitions Officer,
Governance & Scrutiny,
Hammersmith Town Hall,
King Street,
W6 9JU

5.3 We welcome e-petitions which are created and submitted through our website. E-petitions must follow the same guidelines as paper petitions. On receipt of details from a person wanting to sign an e-petition, we will send an e-

mail to the e-mail address provided. This e-mail will include a link which must be clicked in order to confirm the e-mail address is valid. Once this step is complete, the 'signature' will be added to the e-petition. People visiting the e-petition on our website will be able to see the names of everyone who has 'signed' it but not their contact details.

- 5.4 All petitions currently available for signature will be posted on the Council's website. The website shows what is happening to a petition as it goes through the various stages of the process set out in this scheme. It will take five working days before a petition is available on our website. This is because the content of the petition needs to be checked as to whether it is suitable, and the petitioners' names verified to ensure they have a genuine interest in the borough. It will then be made available on the website for further signatures.
- 5.5 Elected Members of the London Borough of Hammersmith and Fulham may sign a petition but will need to follow the Council's rules about declaring an interest if they are involved in decision making in response to the petition.

6. WHAT IS EXCLUDED FROM THE SCHEME?

- 6.1 The following petitions will be excluded from the scheme:-
- Where a petition is considered to be vexatious, abusive or otherwise inappropriate.
 - The petition applies to a planning or licensing application, where there are already procedures to make representations.
 - The petition is a statutory petition (for example requesting a referendum on having an elected Mayor).
 - The petition concerns a matter where there is already an existing right of appeal, such as Council Tax banding and non-domestic rates, where other procedures apply.
 - The petition concerns a matter which the Council has no ability to influence (see section 11 below)
- 6.2 Invalid petitions will not be published. An explanation with the reasons for this will be sent out to the petition organiser.
- 6.3 In the period immediately before an election or referendum, the Council may need to deal with petitions differently. This is because the law requires local authorities during the period before an election or referendum to act in a way which does not appear to favour or discriminate any political party.
- 6.4 Where the petition is valid but the Council cannot publish it for some reason, we will contact the petition organiser with an explanation, and advise on how to change the petition in order to overcome the problem. If the petition is not resubmitted within 10 working days, a summary of the petition and the reason why it has not been accepted will be published under the 'rejected petitions' section of the website.

7. WHAT WILL THE COUNCIL DO WHEN IT RECEIVES A PETITION?

- 7.1 The Petitions Officer will send a valid petition to a Responding Officer in the relevant Council department. The Responding Officer will be responsible for investigating the issue and advising on the action to be taken by the Council. An acknowledgement of receipt will be sent to the person organising the petition within 10 working days of the petition having been made. Where the petition has been submitted via the E-petitions facility, the acknowledgment will also be sent to everyone who provides a valid e-mail address. The acknowledgement will say what we have done or intend to do in response to the petition. It will also be published on our website, except in cases where this would be inappropriate. The petition will be copied to the relevant Ward Councillor(s).
- 7.2 We want to ensure that petitions are clearly and effectively worded. We will therefore offer help to petition organisers to enable them to make their petitions as focused as possible, in the interests of getting a response from the Council which addresses petitioners' concerns. If we feel there are other ways of getting a quicker and more satisfactory response to the subject of the petition, we will suggest them. We may therefore contact the petition organiser about these issues before the acknowledgment is sent or afterwards.
- 7.3 If the Council can do what the petition asks for, the acknowledgement may confirm that the requested action has been taken (or will be taken by a specified date) and the petition organiser will be asked to agree to the closure of the petition, either immediately or after the specified date.
- 7.4 If the petition has enough signatures to trigger a Council debate (see paragraph 9.1 below), or the petitioners want a senior officer to give evidence (see paragraph 9.3 below), then the acknowledgement will confirm this and state when and where the meeting will take place. If the subject of the petition needs more investigation, the petition organiser will be informed of the steps the Council plans to take.

8. HOW WILL THE COUNCIL RESPOND TO PETITIONS?

- 8.1 The response to a petition will depend on what the petition asks for and how many people have signed it, but may include one or more of the following:
- taking the action requested in the petition
 - considering the petition at a Council meeting
 - holding an inquiry into the matter
 - undertaking research into the matter
 - holding a public meeting
 - holding consultation
 - holding a meeting with petitioners

- referring the petition for consideration by one of the Council's Policy and Accountability Committees
- writing to the petition organiser setting out our views about the request in the petition
- resolve that the content of the petition be taken into account when reaching a decision on the relevant report.

Policy and Accountability Committees are committees of Councillors who are responsible for policy development and for scrutinising the work of the Council - in other words, they have the power to hold the Council's decision-makers to account.

9. TYPES OF PETITION

a. Petitions for debate at Council

- 9.1 If a petition attracts a minimum of **5,000 valid signatures** (unless it is a petition asking for a senior Council officer to give evidence at a public meeting) this will automatically trigger a debate at a full Council meeting. The full Council, a meeting which all Councillors attend to discuss major issues, will decide to take or not take the action requested in the petition, or to commission further investigation into the subject of the petition. The Council will try to consider the petition at its next scheduled meeting, although on some occasions this may not be possible; the discussion will then take place at the following meeting.
- 9.2 The petition organiser (or someone they nominate) may address the Council for no longer than five minutes on the subject of the petition. The Petitions Officer will contact the petition organiser in advance of the meeting to arrange this. Councillors will question all parties on the subject of the petition.

b. Petitions to call an officer to give evidence

- 9.3 The petition may ask for the Chief Executive or an Executive Director to give evidence at a relevant Policy and Accountability Committee meeting about something for which the officer is responsible as part of their job. A minimum of **2,000 valid signatures** will be required to trigger this action. For example, the petition may ask an Executive Director to explain progress on an issue, or to explain the advice given to elected Members to enable them to make a particular decision. The Policy and Accountability Committee may decide that it would be more appropriate for another officer to give evidence instead of the senior officer named in the petition. The Committee may also decide to call a Cabinet Member or other Councillor to attend the meeting.
- 9.4 The petition organiser (or someone they nominate) may address the Policy and Accountability Committee for no longer than five minutes on the subject of the petition. The Petition Officer will contact the petition organiser in advance of the meeting to arrange this. Policy and Accountability Committee members will question all parties on the subject of the petition.

c. Petitions to Cabinet

- 9.5 A petition with a minimum of **250 valid signatures** will be considered at a meeting of the Cabinet (the Council’s top decision-making body). Cabinet meets monthly (though usually not in August). The Cabinet will try to consider the petition at its next scheduled meeting, although on some occasions this may not be possible and the petition may have to be deferred to the following meeting.
- 9.6 The petition organiser (or someone they nominate) may address the Cabinet for no longer than five minutes on the subject of the petition. The Petition Officer will contact the petition organiser in advance of the meeting to arrange this. Cabinet Members will question all parties on the subject of the petition.

d. Petitions to a Cabinet Member

- 9.7 Petitions with a minimum of **100 signatures** will be considered by the relevant Cabinet Member(s). Each member of the Council’s Cabinet holds Executive responsibility for a specific portfolio of Council functions. A Cabinet Member may refer a petition to the full Cabinet for consideration if they are of the view that the matters raised are sufficiently significant.
- 9.8 The Cabinet Member may request a meeting with the petition organiser (or someone they nominate) to discuss the subject of the petition. The Petitions Officer will contact the petition organiser in advance to arrange this.
- 9.9 **Summary of Petition Types, Requirements and Decision Maker.**

Type of Petition	Threshold (minimum number of signatories)	Decision Maker
Council Debate	5,000	Full Council
Call an Officer to give evidence	2,000	Policy and Accountability Committee
Petitions to Cabinet	250	Cabinet
Petitions to Cabinet Members	100	Relevant Cabinet Member(s)

10. NOTIFYING THE DECISION TAKEN IN RESPONSE TO A PETITION

- 10.1 All petition organisers will be notified of the decision taken (with reasons if the decision is to take no action) within 5 working days of the decision being made. This notification will be published on our website, unless it is considered inappropriate to do so.
- 10.2 The Council accepts that it will not normally be sufficient for a decision maker to merely “note” a petition. The response to a petition will normally provide information on the steps the Council intends to take to address the concerns

of the petitioners or reasons why their concerns cannot be addressed in the way they wish.

11. WHAT WILL THE COUNCIL DO IF THE PETITION IS NOT DIRECTLY RELATED TO SERVICES PROVIDED BY IT?

- 11.1 If the petition is about something which the Council has no power to influence, we will consider making representations on behalf of the community to the relevant body. In such cases, the Petitions Officer will ask the petition organiser whether they wish the Council to send the petition to the relevant authority if this is possible.
- 11.2 However, in many cases where the Council is not directly responsible for the matter which is the subject of the petition, it may work closely (or have formal partnership arrangements) with the body that is responsible (see para. 4.1 above). In this case, the decision maker may refer the matter to a Policy and Accountability Committee which will invite representatives of the relevant body to attend while the petition is considered.
- 11.3 If the petition is about something that a different Council is responsible for, the Council will give consideration to what the best method is for responding to it. This might consist of simply forwarding the petition to the other Council, but could involve other steps. In any event the Council will notify the petition organiser of the action taken.

12. WHAT CAN PETITIONERS DO IF THEY ARE NOT SATISFIED WITH THE RESPONSE TO A PETITION?

- 12.1 If the petitioners are not satisfied with the Council's decision in response to a petition, the petition organiser can request the Finance, Commercial Revenue and Contracts Policy & Accountability Committee to review whether the Council's decision is adequate, by e-mailing or writing to the Petitions Officer. This should be done within 28 days of the Council's response being received by the petition organiser, who should provide a short explanation of the reasons why the Council's response to the petition was not considered to be adequate.
- 12.2 The Finance, Commercial Revenue and Contracts Policy & Accountability Committee will call for a report from officers on the request for a review of the Council's decision, and will endeavour to consider the request at its next scheduled meeting; on some occasions this may not be possible and consideration will be deferred to the following meeting. Should the Finance, Commercial Revenue and Contracts Policy & Accountability Committee determine the Council has not dealt with the petition adequately, it may use any of its powers to deal with the matter. These powers include instigating an investigation, making recommendations to the Council's Cabinet and arranging for the matter to be considered at a meeting of the full Council.
- 12.3 The petition organiser (or someone they nominate) may address the Finance, Commercial Revenue and Contracts Policy & Accountability Committee for no

longer than five minutes on the subject of the petition. The Petitions Officer will contact the petition organiser in advance of the meeting to arrange this. Committee members will question all parties on the subject of the petition.

- 12.4 The petition organiser will be informed of the results of the Finance, Commercial Revenue and Contracts Policy & Accountability Committee's review of the Council's decision on the petition, with reasons as to why no action or any further action is recommended, within 5 working days of the Committee's meeting. This notification will be published on our website, unless it is considered inappropriate to do so.

13. ATTENDING A MEETING WHERE A PETITION IS BEING CONSIDERED

- 13.1 A petition may be considered at a formal meeting of the full Council, Cabinet or Policy and Accountability Committee.

13.2 Receiving of petitioners at a formal meeting

- (i) People who have signed a petition may attend a meeting where the petition is being considered. The petition organiser will be given adequate notice of the date and time of the meeting.
- (ii) The petition organiser (or one person nominated by them) may address the meeting for a period not exceeding 5 minutes.
- (iii) Members may during a period not exceeding 10 minutes ask questions of a petition organiser (or nominee) if required.
- (iv) Members may then invite officers of the Council and/or representatives of other relevant authorities to comment on the subject of the petition.
- (v) The Committee will then debate the subject of the petition for a maximum of 30 minutes, taking into account the issues raised by the petitioners, officers and representatives of other relevant authorities. Petitioners may remain for the duration of the debate if they so wish.

13.3 Limitation on the number of petitioners attending a formal meeting

The Chair of the meeting reserves the right to limit the number of petitioners present at a meeting to maintain order and/or to allow sufficient time for other business specified on the agenda.

14. ANNUAL REPORT ON THE OPERATION OF THE SCHEME

- 14.1 The Council will receive an annual report detailing the subject matter of all petitions received during the year, the number of signatures to each petition and a summary of the Council's response to each. Changes to the Scheme will be recommended as necessary in the light of experience with its operation.

If an item is added to an agenda later, the revised agenda will be open to inspection from the time the item is added to the agenda. Where reports already included on an agenda are prepared after the summons has been sent out, the designated officer shall make each such report available to the public as soon as the report is completed and sent to Councillors.

7. ACCESS TO DOCUMENTS AFTER THE MEETING

7.1 The Council will make available for public inspection the following for a period of at least six years after a meeting:

- (a) the minutes of the meeting, excluding any part of the minutes of proceedings when the meeting was held in private or which disclose exempt or confidential information;
- (b) a summary of any proceedings held in private where the minutes open to inspection would not provide a reasonably fair and coherent record;
- (c) the agenda for the meeting; and
- (d) reports relating to items when the meeting was open to the public.

7.2 These documents will be available on the Council's website for inspection or printing by members of the public, or for supply by post as requested, on payment of postage, copying or other relevant charges.

8. BACKGROUND PAPERS

8.1 List of background papers

8.2 The report author will set out in every report a list of those documents (called background papers) relating to the subject matter of the report which in their opinion:

- (a) disclose any facts or matters on which the report or an important part of the report is based; and
- (b) which have been relied on to a material extent in preparing the report not including published works or those which disclose exempt or confidential information (as defined in Rule 10 below) and, in respect of reports for decision by the Executive or individual members thereof, the advice of a political adviser.

Public inspection of background papers

- 8.2 The Council will make available for public inspection for four years after the date of the meeting one copy of each of the documents on the list of background papers.
- 8.3 In the case of decisions made at a meeting of the Executive or its Committees, background papers (apart from those which disclose exempt or confidential information as defined in Rule 10) will be available for inspection by members of the public at least five clear days before the meeting, or at the time when the meeting is convened if this is at shorter notice.
- 8.4 Background papers will be made available for public inspection via the Council's website, or at Hammersmith Town Hall during normal business hours for printing by members of the public or for supply by post as requested, on payment of postage, copying or other relevant charges.

9. SUMMARY OF PUBLIC'S RIGHTS

- 9.1 A summary of the public's rights to attend meetings and to inspect and copy documents will be available on the Council's website.

10. EXCLUSION OF ACCESS BY THE PUBLIC TO MEETINGS

Confidential information – requirement to exclude public

- 10.1 The public must be excluded from meetings whenever it is likely, in view of the nature of the business to be transacted, or the nature of the proceedings, that confidential information would be disclosed in breach of the obligation of confidence.

Exempt information – discretion to exclude public

- 10.2 The public may be excluded from meetings whenever it is likely, in view of the nature of the business to be transacted, or the nature of the proceedings, that exempt information would be disclosed provided that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. The public may also be excluded from meetings where, as a result of disruption caused by them, the meeting is unable to properly discharge its functions.
- 10.3 Where the meeting will determine any person's civil rights or obligations, or adversely affect their possessions, Article 6 of the Human Rights Act 1998 establishes a presumption that the meeting will be held in public, unless a private hearing is necessary for one of the reasons specified in Article 6 of the Human Rights Act.
- 10.4 The meeting will pass a resolution to exclude the public during discussion of items which are confidential or exempt. The resolution will identify why such

items are to be treated as confidential or exempt in accordance with Rules 10.5 and 10.6 below.

Meaning of confidential information

- 10.5 Confidential information means information given to the Council by a Government Department on terms which forbid its public disclosure, or information which cannot be publicly disclosed by Court Order.

Meaning of Exempt Information

- 10.6 Exempt information means information falling within any of the 7 categories of exempt information specified below (and subject to any qualifications detailed thereon), as may be amended from time to time by regulations:

Access to Information Act

Exempt Categories of Information – Schedule 12a, Local Government Act 1972

1. Information relating to any individual.
2. Information which is likely to reveal the identity of an individual.
3. Information relating to the financial or business affairs of any particular person (including the authority holding that information).
4. Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6. Information which reveals that the authority proposes –
 - (a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
 - (b) to make an order or direction under any enactment.
7. Information relating to any action taken or proposed to be taken in connection with the prevention, investigation or prosecution of crime.

Qualifications:

- 10.7 Information falling within paragraph 3 above is not exempt information by virtue of that paragraph if it requires to be registered under:
- (a) The Companies Act 1985,
 - (b) The Friendly Societies Act 1974,
 - (c) The Friendly Societies Act 1992,
 - (d) The Industrial & Provident Societies Act 1965 to 1978,
 - (e) The Building Societies Act 1986, or
 - (f) The Charities Act 1993.

10.8 Information is not exempt information if it relates to proposed development for which the local Planning authority may grant itself Planning permission under Regulation 3 of the Town and Country Planning General Regulations 1992.

10.9 Information which –

(a) falls within any of categories in 1 - 7 of paragraph 10.6 above; and

(b) is not prevented from being exempt by virtue of paras.10.7 or 10.8

is exempt information if, and so long as, in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

11. EXCLUSION OF ACCESS BY THE PUBLIC TO REPORTS

11.1 If the Monitoring Officer thinks fit, the Council may exclude access by the public to reports (or parts of reports) which in their opinion relate to items during which, in accordance with Rule 10 above, the meeting is likely to be held in private. Such reports (or parts thereof) will be marked "Not for publication", together with the category of information likely to be disclosed as set out in Rule 10. Reports which are marked "draft" are not open to public access.

12. APPLICATION OF RULES TO THE EXECUTIVE

12.1 Rules 13 – 24 apply to the Executive and its Committees. If the Executive or its Committees meet to take a Key Decision then it must also comply with Rules 1 – 11 unless Rule 16 (General Exception) or Rule 17 (Special Urgency) apply. A Key Decision is as defined in Article 12.3 of this Constitution.

13. PROCEDURE BEFORE TAKING KEY DECISIONS

13.1 Subject to Rule 16 (General Exception) and Rule 17 (Special Urgency), a Key Decision may not be taken unless:

(a) a notice (called here a Key Decisions list) has been published on the Council's website in connection with the matter in question stating:

(i) the matter in respect of which a Key Decision is to be made; and

(ii) the date on which the Key Decision is to be made; and

(iii) the names of the members of the Executive making the Key Decision; and

(iv) a list of documents to be submitted in relation to the Key Decision as set out in Rule 8 and how copies of such documents and other relevant documents (if not exempt) can be obtained.

- (b) at least 28 calendar days have elapsed since the publication of the Key Decisions list (not including the day of publication or the day the decision is to be taken); and
- (c) where the decision is to be taken at a meeting of the Executive or its committees, notice of the meeting has been given in accordance with Rule 4 (notice of meetings); or, if the meeting is convened at shorter notice, at the time that the meeting is convened.

14. PROCEDURE BEFORE TAKING KEY DECISIONS IN PRIVATE

14.1 In accordance with Article 3 - 1.3(b) of this Constitution, the Executive and its Committees may take a decision at a private meeting only if:

- (a) a notice has been published on the Council's website setting out the reasons why the meeting is to be held in private, and at least 28 calendar days have elapsed since the publication of the notice (not including the day of publication or the day the decision is to be taken); and
- (b) at least 5 clear days have elapsed since the publication of a further notice on the Council's website setting out the reasons why the meeting is to be held in private, details of any representations received by the Council about why the meeting should be open to the public, and the Council's response to any such representations.

14.2 If the date by which a private meeting must be held makes compliance with 14.1 above impracticable, the decision may only be taken if:

- (a) the Chair of the body making the decision obtains the agreement of the Chair of a relevant Policy and Accountability Committee that the meeting is urgent and cannot reasonably be deferred. If there is no Chair of a relevant Policy and Accountability Committee, or if the Chair of each relevant Policy and Accountability Committee is unable to act, then the agreement of the Mayor, or in their absence, the Deputy Mayor, will suffice; and
- (b) a notice setting out the reasons why the private meeting is urgent and cannot reasonably be deferred is published on the Council's website as soon as reasonably practicable after such agreement has been obtained.

15. ACCESS TO AGENDA AND REPORTS BEFORE THE MEETING

15.1 If a meeting of the Executive or its Committees is convened at shorter notice than specified in Rule 4, the Council will make copies of the agenda and reports open to the public available for inspection on the Council's website from the time the meeting is convened.

16. GENERAL EXCEPTION

- 16.1 If a matter which is likely to be a Key Decision has not been included in the Key Decisions list, then subject to Rule 17 (Special Urgency), the decision may still be taken if:
- (a) the proper officer has informed the Chair of a relevant Policy and Accountability Committee, or if there is no such person, each member of that Committee, in writing, by notice, of the matter about which the decision is to be made and the reason why the matter should be classified as urgent;
 - (b) the proper officer has made copies of that notice available to the public on the Council's website, stating why the requirements of Rule 13 cannot be complied with; and
 - (c) at least 5 clear days have elapsed since the proper officer complied with (b).

Where such a decision is taken collectively, it must be taken in public.

17. SPECIAL URGENCY

- 17.1 If by virtue of the date by which a decision must be taken Rule 16 (General Exception) cannot be followed, then the decision can only be taken if the decision maker (if an individual), or the Chair of the body making the decision:
- (a) obtains the agreement of the Chair of a relevant Policy and Accountability Committee that the taking of the decision cannot be reasonably deferred. If there is no Chair of a relevant Policy and Accountability Committee, or if the Chair of such relevant Policy and Accountability Committee is unable to act, then the agreement of the Mayor, or in their absence, the Deputy Mayor, will suffice; and
 - (b) the proper officer makes available on the Council's website a notice setting out why the decision is urgent and cannot reasonably be deferred.
- 17.2 The Leader will submit quarterly reports to the Council on the Executive decisions which have been taken in the circumstances set out in this Rule during the preceding three months. The report will include the number of decisions so taken and a summary of the matters in respect of which those decisions were taken.

18. POLICY AND ACCOUNTABILITY COMMITTEES' POWERS IN RELATION TO THE EXECUTIVE

When a Policy and Accountability Committee can require a report

- 18.1 If a Policy and Accountability Committee thinks that a Key Decision has been taken which was not:
- (a) included in the Key Decisions list; or
 - (b) the subject of the general exception procedure; or
 - (c) the subject of an agreement with a relevant Policy and Accountability Committee Chair, or the Mayor, or in their absence, the Deputy Mayor, under Rule 17;
- 18.2 the Committee may require the Executive to submit a report to the Council within such reasonable time as the Committee specifies. The power to require a report rests with the Committee, but is also delegated to the proper officer, who shall require such a report on behalf of the Committee when so requested by majority vote. Alternatively, the requirement may be raised by resolution passed at a meeting of the relevant Policy and Accountability Committee.

Executive's report to Council

- 18.3 The Executive will prepare a report for submission to the next available meeting of the Council. However, if the next meeting of the Council is within 7 days of receipt of the written notice, or the resolution of the Committee, then the report may be submitted to the meeting after that. The report to Council will set out particulars of the decision, the individual or body making the decision, and if the Leader is of the opinion that it was not a key decision, the reasons for that opinion.

19. RECORD OF EXECUTIVE DECISIONS

- 19.1 After any meeting of the Executive or any of its Committees, whether held in public or private, the proper officer, or where no officer was present, the person presiding at the meeting, will produce a record of every decision taken at that meeting as soon as practicable. The record will include a statement of the reasons for each decision, details of any alternative options considered and rejected at that meeting, a record of any conflict of interest in relation to the decision and any note of dispensation granted by the Head of Paid Service.

20. RECORD OF DECISIONS BY INDIVIDUAL MEMBERS OF THE EXECUTIVE

- 20.1 As soon as reasonably practicable after an Executive decision has been taken by an individual member of the Executive, they will prepare, or instruct the proper officer to prepare, a record of the decision and the reasons for it, details of any alternative options considered and rejected in making the

decision, a record of any conflict of interest declared by any other member of the Executive who is consulted by the Executive member in relation to the decision, and any note of dispensation granted by the Head of Paid Service.

- 10.2 The provisions of Rules 7 and 8 (inspection of documents after meetings) will also apply to the making of decisions by individual members of the Executive. This does not require the disclosure of exempt or confidential information.

21. INSPECTION OF DOCUMENTS RELATING TO EXECUTIVE DECISIONS AND DECISIONS BY INDIVIDUAL MEMBERS OF THE EXECUTIVE

- 21.1 The proper officer will make available for public inspection the records described in Rules 19 and 20, together with those reports relating to Executive Decisions and decisions made by individual members of the Executive (apart from those which disclose exempt or confidential information as defined in Rule 10).
- 21.2 These records and reports will be made available via the Council's website or at Hammersmith Town Hall during normal business hours for printing by members of the public or for supply by post as requested, on payment of postage, copying or other relevant charges.

22. POLICY AND ACCOUNTABILITY COMMITTEES' ACCESS TO DOCUMENTS

Rights to copies

- 22.1 Subject to Rule 23.2 below, a Policy and Accountability Committee (including its sub-committees or Panels) will be entitled within 10 clear working days of making the request to copies of any document which is in the possession or control of the Executive or its Committees and which contains material relating to
- (a) any business transacted at a public or private meeting of the Executive or its Committees; or
 - (b) any decision taken by an individual member of the Executive.

Limit on rights

- 22.2 A Policy and Accountability Committee will not be entitled to:
- (a) any document that is in draft form;
 - (b) any document or part of a document that contains exempt or confidential information, unless that information is relevant to an action or decision they are reviewing or scrutinising or intend to scrutinise as part of a forward programme of work; or
 - (c) any document containing the advice of a political adviser.
- 22.3 In cases where a document or part of a document is withheld from a member of a Policy and Accountability Committee for the reasons set out in (b) or (c)

above, the members of the Policy and Accountability Committee will be provided with the reasons in writing.

23. ADDITIONAL RIGHTS OF ACCESS FOR MEMBERS

Material relating to current and previous business

- 23.1 Subject to Rule 23.2, all Members will be entitled to inspect any document which relates to any business to be considered at a meeting of the Executive or its Committees at least five clear days before the relevant Executive meeting, with the exception of any document which contains the advice of a political adviser. Where the meeting is convened at shorter notice, such documents will be available for inspection when the meeting is convened. Where reports already included on an agenda are prepared after the summons has been sent out, the proper officer shall make each such report available to members or as soon as the report is completed.

Material relating to Executive Decisions taken in private

- 23.2 All members will be entitled to inspect any document which contains material relating to any key decision considered at a private meeting (except those available only in draft form) within 24 hours of the decision being made, unless either (a) or (b) below applies.
- (a) it contains exempt information falling within paragraphs 1, 2, 3, (only to the extent that the information relates to any terms proposed or to be proposed by or to the authority in the course of negotiations for a contract) 4 and 7, of the categories of exempt information set out in Rule 10.4; or
 - (b) it contains the advice of a political adviser.

Material relating to decisions made by individual members of the Executive

- 23.3 All members will be entitled to inspect any document which contains material relating to any decision made by an individual member of the Executive (except those available only in draft form) within 24 hours of the decision being made, unless either (a) or (b) below applies.
- (a) it contains exempt information falling within paragraphs 1,2,3, (only to the extent that the information relates to any terms proposed or to be proposed by or to the authority in the course of negotiations for a contract) 4 and 7, of the categories of exempt information set out in Rule 10.6; or
 - (b) it contains the advice of a political adviser.

Members' Common Law Rights to information

- 23.4 In addition to the above provisions, a member may be entitled at common law to have access to information held by the Council in order to carry out his or

her duties as a member. Requests for documents under this paragraph shall be made in writing to the relevant Chief Officer and specify:

- (i) the documentation requested;
- (ii) the reason for requesting the documentation and the uses to which it will be put; and
- (iii) where the request is urgent, the reason for urgency.

23.5 If the Chief Officer is satisfied that the member is entitled to inspect the documentation, they will as soon as reasonably practicable provide the member with a copy of the document, or if it is impracticable to do so, allow the member to inspect the original.

23.6 If the Chief Officer is of the view that the member is not entitled to the document, then they shall refer the request to the Monitoring Officer, whose decision shall be final.

Freedom of Information Act 2000

23.7 Members also share the same rights of access to information as members of the public under the Freedom of Information Act 2000. A request for information under the Act must:

- Be in writing (electronic requests are acceptable)
- Contain a name and address for correspondence
- Describe the information requested

23.8 The Council will comply with all requests for information under the Act unless one or more of the statutory exemptions apply.

Confidentiality and restrictions on the use of information

23.9 Members who receive information from the Council have a responsibility to deal with the information in a responsible manner. Members must be alert to whether the information is confidential. Members should not use information obtained in the course of their official duties and which is not public information, apart from for the specific purpose of fulfilling their work as a member.

Budget and Policy Framework Procedure Rules

1. The framework for Executive decisions

- 1.1 The Council will be responsible for the adoption of its Budget and Policy Framework as set out in Article 4. Once a budget or a policy framework is in place, it will be the responsibility of the Executive to implement it.

2. Process for developing the framework

The process by which the Budget and Policy Framework shall be developed is:

- 2.1 After consulting stakeholders in a manner appropriate to the matter under consideration, the Executive will draw up initial proposals in relation to any plan, strategy or budget which forms part of the Council's budget and policy framework. Once drawn up the proper officer will serve copies of them on the Chairs of relevant Policy and Accountability Committees together with dates when the Executive will consider them further, which shall be at least 6 weeks after service of the notice on the Chairs.
- 2.2 The Policy and Accountability Committee will consider the plan, strategy or budget at its next meeting and decide whether to respond to the Executive's initial proposals and whether any consultation by it is appropriate. If so, the Policy and Accountability Committee will conduct a consultation exercise and will reflect any representations made to it in its response to the Executive within the timescale set for decision by the Executive.
- 2.3 The Executive will finalise its proposals for the Council to consider having taken into account the comments from the Policy and Accountability Committee. The report to Council will show the Executive's response to those comments.
- 2.4 Where the Executive has submitted a draft plan or strategy and the Council has objections to it, the Council must, before amending, approving or adopting it, notify the Leader of its objections and give to him or her instructions requiring the Executive to reconsider the plan or strategy in the light of those objections.
- 2.5 Where the Council gives the Leader instructions under paragraph 2.4 it must specify a period of at least 5 working days beginning on the day after the date the Leader receives the instructions during which the Executive may either:
- a) submit a revised plan or strategy together with its reasons for any amendments to the Council for its reconsideration; or
 - b) inform the Council of any disagreement it has with any of the Council's objections specifying its reasons.
- 2.6 When the period specified in paragraph 2.5 has expired the Council must take into account any amendments included in the revised plan or strategy, the

Executive's reasons for those amendments, any disagreement that the Executive has with any of the Council's objections and the Executive's reason for that disagreement submitted to the Council within the period specified when:

- a) amending the draft plan or strategy;
- b) approving the plan or strategy for submission to the Secretary of State or Minister of the Crown;
- c) adopting the plan or strategy with or without modification.

2.7 Where before 8 February in any financial year the Executive submits to the Council:

- a) estimates of amounts in making any calculation in accordance with sections 32 to 37 or 43 to 49 of the Local Government Finance Act 1992;
- b) estimates of such a calculation; or
- c) amounts required to be stated in a precept under Part I of the Local Government Finance Act 1982,

and following the consideration of those estimates or amounts the Council has any objections to them it must before making a calculation or issuing a precept notify the Leader of its objections and give to him or her instructions requiring the Executive to reconsider those estimates or amounts in the light of those objections and in accordance with the Council's requirements.

2.8 Where the Council gives the Leader instructions under paragraph 2.7 it must specify a period of at least 5 working days beginning on the day after the date the Leader receives the instructions during which the Executive may either:-

- a) submit a revision of those estimates or amounts together with its reasons for any revision to the Council for its reconsideration; or
- b) it may inform the Council of any disagreement it has with any of the Council's objections specifying its reasons.

2.9 When the period specified in paragraph 2.8 has expired, the Council must take into account any amendments made to the estimates or amounts, the Executive's reasons for those amendments, any disagreement that the Executive has with any of the Council's objections and the Executive's reason for that disagreement submitted to the Council within the period specified when making calculations or issuing a precept under the provisions set out in paragraph 2.7.

2.10 Paragraphs 2.7 to 2.9 shall not apply in relation to calculations in accordance with section 52(I), 52(J), 52(T) or 52(U) or amounts stated in a precept issued to give effect to calculations under section 52(J) or 52(U) of the Local Government Finance Act 1992.

- 2.11 The Council shall make its final decision on the matter on the basis of a simple majority. The decision shall be made in public in accordance with Article 4, and shall be implemented immediately.

3. Decisions outside the Budget or Policy Framework

- 3.1 The Executive, committees of the Executive, individual members of the Executive and any officers, Area Committees or Joint arrangements discharging Executive functions may only take decisions which are in line with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by full Council, then that decision may only be taken by the Council, subject to 4 below.
- 3.2 If the Executive, committees of the Executive, individual members of the Executive and any officers, area committees or joint arrangements discharging Executive functions want to make such a decision, they shall take advice from the Monitoring Officer and/or the Chief Finance Officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 4 (urgent decisions outside the budget and policy framework) shall apply.

4. Urgent decisions outside the Budget or Policy Framework

- 4.1 The Executive, a committee of the Executive, an individual member of the Executive or officers, area committees or joint arrangements discharging Executive functions may take a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:
- a) if it is not practical to convene a quorate meeting of the full Council;
and
 - b) if the Chair of a relevant Policy and Accountability Committee agrees that the decision is a matter of urgency.

The reasons why it is not practical to convene a quorate meeting of full Council and the Chair of the relevant Policy and Accountability Committee's consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the Chair of a relevant Policy and Accountability Committee the consent of the Mayor or, in the absence of both, the Deputy Mayor, will be sufficient.

- 4.2 Following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

5. In-year changes to policy framework

- 5.1 The responsibility for agreeing the budget and policy framework lies with the Council, and decisions by the Executive, a committee of the Executive an individual member of the Executive or officers, area committees or joint arrangements discharging Executive functions must be in line with it. No changes to any policy and strategy which make up the policy framework may be made by those bodies or individuals, except by referral to the full Council. The process and limits of authority of decision-takers in respect of amendments to capital and revenue budgets are set out in the Council's Financial Regulations.

6. Call-in of decisions outside the budget or policy framework

- 6.1 Where a Policy and Accountability Committee is of the opinion that an Executive decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the Monitoring Officer and/or Chief Finance Officer.
- 6.2 In respect of functions which are the responsibility of the Executive, the Monitoring Officer's report and/or Chief Finance Officer's report shall be to the Executive with a copy to every member of the Council. Regardless of whether the decision is delegated or not, the Executive must meet to decide what action to take in respect of the Monitoring Officer's report and to prepare a report to Council in the event that the Monitoring Officer or the Chief Finance Officer conclude that the decision was a departure, and to the Policy and Accountability Committee if the Monitoring Officer or the Chief Finance Officer conclude that the decision was not a departure.
- 6.3 If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Chief Finance Officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the budget, the Policy and Accountability Committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall consider the request of the Policy and Accountability Committee at its next meeting. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Chief Finance Officer. The Council may EITHER:
- a) endorse a decision or proposal of the Executive decision taker as falling within the existing budget and policy framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all councillors in the normal way;
- OR
- b) amend the Council's Financial Regulations or policy concerned to encompass the decision or proposal of the body or individual

responsible for that Executive function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all councillors in the normal way;

OR

- c) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require the Executive to reconsider the matter in accordance with the advice of either the Monitoring Officer or the Chief Finance Officer.

Executive Procedure Rules

1. HOW DOES THE EXECUTIVE OPERATE?

1.1 Who may make Executive decisions?

- an officer;
- an area committee (not currently included in this Constitution);
- joint arrangements; or
- another local authority.

1.2 Delegation by the Council

At the annual meeting of the Council and at other meetings of the Council as necessary, the Council will receive a report from the Leader about the delegation of executive functions which they have determined for inclusion in the Council's Scheme of Delegation at Part 3 of the Constitution. The document will contain the following information about Executive functions in relation to the coming year:

- the nature and extent of any delegation to officers with details of any limitation on that delegation, and the title of the officer to whom the delegation is made.

1.3 Sub-delegation of executive functions

Where the Executive, a committee of the Executive or an individual member of the Executive is responsible for an Executive function, they may delegate further to an area committee, to joint arrangements or to an officer.

Even where executive functions have been delegated, that fact does not prevent the discharge of delegated functions by the person or body who delegated.

1.4 The Council's scheme of delegation of executive functions

The Council's Scheme of Delegation of executive functions as determined by the Leader will be reported annually to the Council and may only be amended by the Leader. It will contain the details required in Article 7 and set out in Part 3 of the Constitution.

1.5 Conflicts of Interest

Where the Leader has a conflict of interest this should be dealt with as set out in the Council's Code of Conduct for Members in Part 5 of this Constitution.

If every Member of the Executive has a conflict of interest this should be dealt with as set out in the Council's Code of Conduct for Members in Part 5 of this Constitution.

If the exercise of an executive function has been delegated to a Committee of the Executive, an individual Member or an officer, and should a conflict of interest arise, then the function will be exercised in the first instance by the Leader. In the event of this not being possible the matter will stand referred to the Cabinet.

1.6 Executive meetings – when and where?

The Executive (Cabinet) will meet at least 10 times per year at times to be agreed by the Leader. The Executive shall meet at the Council's main offices or another location, or virtually, to be agreed by the Leader.

1.7 Public or private meetings of the Executive

Meetings of the Cabinet shall be held in public except when matters of a confidential or exempt nature are being discussed as provided for in the Access to Information Procedure Rules set out in Part 4 of this Constitution.

1.8 Quorum

The quorum for a meeting of the Executive (Cabinet), or a Committee of it, shall be 3.

1.9 How are decisions to be taken by the Executive?

Executive decisions which have been delegated to the Executive as a whole will be taken at a meeting convened in accordance with the Access to Information Rules in Part 4 of the Constitution.

Where executive decisions are delegated to a Committee of the Executive, the rules applying to executive decisions taken by them shall be the same as those applying to those taken by the Executive as a whole.

2. HOW ARE THE EXECUTIVE MEETINGS CONDUCTED?

2.1 Who presides?

If the Leader is present they will preside. In their absence, the Deputy Leader will preside. If both are absent the Members present shall select one from their number to preside.

2.2 Who may attend?

Public meetings of the Cabinet may be attended by all Councillors.

At the discretion of the Leader, non-Executive Councillors may ask questions of the Executive or individual Cabinet members in respect of business on the

agenda, but do not otherwise have the right to participate, move amendments or make other comment. The Leader may, at his discretion, allow any Councillor to remain during the discussion of confidential or exempt information where there are reasonable grounds for doing so.

Members of the public may attend public meetings of the Executive and, where they have organised a deputation in relation to an item of business on the agenda, may speak and ask questions in accordance with the deputation procedures set out in Appendix B of the Overview and Scrutiny Procedure Rules in Part 4 of the Constitution. Requests for deputations must be made at least 3 working days before the relevant meeting of the Executive.

2.3 What business?

At each meeting of the Executive (Cabinet) the following business will be conducted:

- a) consideration of the minutes of the last meeting;
- b) declarations of interest, if any;
- c) matters referred to the Executive (whether by a Policy and Accountability Committee or by the Council) for reconsideration by the Executive in accordance with the provisions contained in the Overview and Scrutiny Procedure Rules or the Budget and Policy Framework Procedure Rules set out in Part 4 of this Constitution;
- d) consideration of reports from Policy and Accountability Committees;

 - which are Key Decisions;
 - which are non-key decisions where an Executive member has elected not to undertake the decision or has been unable to;
 - which are not in accordance with the Access to Information procedure rules set out in Part 4 of this Constitution.
- h) a report on the Key Decisions list.

2.4 Consultation

All reports to the Executive from any Member of the Executive or an officer on proposals relating to the Budget and Policy Framework must contain details of the nature and extent of consultation with stakeholders and relevant Policy and Accountability Committees, and the outcome of that consultation. Reports about other matters will set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.

2.5 Who can put items on the Executive agenda?

The Leader will decide upon the schedule for the meetings of the Executive. They may put on the agenda of any Executive meeting any matter which they wish, whether or not authority has been delegated to the Executive, a Committee of it or any Member or officer in respect of that matter. The proper officer will comply with the Leader's requests in this respect.

Any member of the Executive may require the proper officer to make sure that an item is placed on the agenda of the next available meeting of the Executive for consideration. If they receive such a request the proper officer will comply.

The proper officer will make sure that an item is placed on the agenda of the next available meeting of the Executive where a relevant Policy and Accountability Committee or the full Council have resolved that an item be considered by the Executive.

The Monitoring Officer and/or the Chief Financial Officer may include an item for consideration on the agenda of an Executive meeting and may require the proper officer to call such a meeting in pursuance of their statutory duties. In other circumstances, where any two of the Head of Paid Service, Chief Financial Officer and Monitoring Officer are of the opinion that a meeting of the Executive needs to be called to consider a matter that requires a decision, they may jointly include an item on the agenda of an Executive meeting. If there is no meeting of the Executive soon enough to deal with the issue in question, then the person(s) entitled to include an item on the agenda may also require that a meeting be convened at which the matter will be considered.

Overview and Scrutiny Procedure Rules

1. What will be the number and arrangements for Overview and Scrutiny Committees?

- 1.1 The Council will appoint Overview and Scrutiny Committees (referred to as Policy and Accountability Committees in Hammersmith and Fulham) as set out in Article 6 of this Constitution. - 3.1 Policy and Accountability Committees may co-opt additional members (who may be paid an annual allowance) in a non-voting capacity to ensure residents and users' groups are fully represented. - 6.2 If a quorum is not present 15 minutes after the start time of a meeting, the business shall be adjourned to a date to be arranged.
- 6.3 If a quorum is lacking at any time during a meeting then it shall be suspended for up to 15 minutes after which, if a quorum is not achieved, the remaining business is lost. This provision does not prevent a member of a Policy and Accountability Committee requesting that any item be included on a future agenda, in accordance with paragraph 10 below.

7. Who Chairs meetings of Overview and Scrutiny Committees?

- 7.1 The Chair and all the Members of Policy and Accountability Committees shall be appointed by the Full Council.

- 7.4 The Chair of the Committee shall have responsibility for maintaining order at the meeting in accordance with the guidelines for Councillors, good practice, and the Council Procedure Rules in Part 4 of this Constitution.
- 7.5 The order of business shall be determined by the Chair.

8. Sub-Committees and Task Groups

- 8.3 A Sub-Committee or Task Group shall have no fewer than 3 elected Members, appointed by the relevant Policy and Accountability Committee. Its Chair and Vice Chair shall be appointed by the Sub-Committee or Task Group Members, taking account of the expertise, experience and interest of the available Councillors. A Sub-Committee or Task Group shall have the power to co-opt up to a maximum of two members in a non-voting capacity who are not elected Councillors.
- 8.4 The Access to Information Procedure Rules in Part 4 of this Constitution do not apply to Sub-Committees or Task Groups unless the Sub Committee or Task Group agrees a motion to the contrary.
- 8.5 In considering whether to establish a Sub-Group or Task Group, Policy and Accountability Committees will have regard to:
 - a) The importance of the matter raised and the extent to which it relates to the achievement of the Council's strategic priorities, the implementation of its policies or other key issues that affect the wellbeing of the community;
 - b) The potential benefits of a review, particularly the likelihood of improvements in the quality of Council services or those of partner organisations;
 - c) The alternative mechanisms available to deal with the matter and the extent to which any work undertaken by the Overview and Scrutiny function may duplicate existing activity;
 - d) The extent to which officer, Member and relevant stakeholder capacity is sufficient to support the work of a Sub-Committee or Task Group;

- 9.1 Each Policy and Accountability Committee will maintain a work programme of policies and issues identified by the Committee members to be investigated, analysed and understood prior to making recommendations to decision-makers. Policy and Accountability Committees may receive evidence from experts and user groups either in writing in advance or verbally at meetings.

Sub-Committees and Task Groups will be provided with their schedules of work by the relevant Policy and Accountability Committee.

10. Agenda items

- 10.1 Any Councillor shall be entitled to give notice to the proper officer that they wish to place on the agenda of the relevant Policy and Accountability Committee an issue which is a local government matter in accordance with the procedure at Appendix A (Councillor Call for Action).
- 10.2 Any member of a Policy and Accountability Committee shall be entitled to give notice to the Proper Officer that they wish for an item relevant to the functions of the Committee to be included on the agenda for the next available meeting of that Committee in accordance with the Councillor Call for Action procedure (Appendix A).
- 10.3 On receipt of such a notice, the proper officer will assess whether it is validly submitted and complies with the guidance issued by the Secretary of State. If they are satisfied that it is valid, they shall arrange for investigation and submission of an initial report on the matter for consideration by the relevant Policy and Accountability Committee.
- 10.4 Policy and Accountability Committees shall also respond, as soon as their work programme permits, to requests from the Council and from the Executive to review particular areas of Council activity. Where they do so, the Policy and Accountability Committees shall report their findings and any recommendations back to the Executive and/or Council. The Council and/or the Executive shall normally consider the report of the Policy and Accountability Committee within one month of receiving it.

11. Policy Development and Review

- 11.1 The role of the Policy and Accountability Committees in relation to the development of the Council's Budget and Policy Framework is set out in detail in the Budget and Policy Framework Procedure Rules in Part 4 of this Constitution.
- 11.2 In relation to the development of the Council's other policies, the role of Policy and Accountability Committees is set out in Article 6 in Part 2 of the Constitution.
- 11.3 Policy and Accountability Committees may hold inquiries and investigate the available options for future direction in policy development as the basis of recommendations to the Executive. They may appoint advisers and expert witnesses to assist them in this process. They may undertake site visits, conduct public surveys, hold public meetings, commission research outside formal meetings and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay advisers and witnesses a reasonable fee and expenses for doing so.

12. Voting at Overview and Scrutiny Committees

- 12.1 In the event of a vote:
- (a) Voting shall be by simple majority by show of hands.
 - (b) Voting members may request that their votes be recorded.
 - (c) In the event of an equality of votes the Chair shall have a second or casting vote.

13. Reports from Overview and Scrutiny Committees

- 13.1 Once it has formed recommendations on any matter, a Policy and Accountability Committee may prepare a formal report and submit it for consideration by the Executive (if the proposals are consistent with the existing Budgetary and Policy Framework), or to the Council as appropriate (e.g. if the recommendation would require a departure from or a change to the agreed Budget and Policy Framework). The Committee may wish to send its recommendations to the Executive or to the Council on the matter if it prefers.
- 13.2 If a Policy and Accountability Committee cannot agree on one single final report to the Council or Executive on proposals on any matter as referred to in 13 (a) above, then up to one minority report may be prepared and submitted for consideration by the Council or Executive with the majority report.
- 13.3 The Council or Executive shall consider the report of the Policy and Accountability Committee normally within 8 weeks of it being submitted.
- 13.4 If the matter is referred to Council, the Leader will be served with notice and the Executive will have 6 weeks in which to respond to the Policy and Accountability Committee report. The Council shall not consider it within that period. When the Council does meet to consider any referral from a Policy and Accountability Committee on a matter which would impact on the Budget and Policy Framework, it shall also consider the response of the Executive to the Policy and Accountability Committee proposals.
- 13.5 Where a Policy and Accountability Committee prepares a report for consideration by the Executive in relation to a matter where the Leader has delegated the decision to a Member or officer, the Policy and Accountability Committee will submit a copy of their report to the Member or officer for consideration. The Member or Officer with delegated decision making power must consider the report and respond in writing to the Policy and Accountability Committee at the next ordinary meeting following receipt. The Member or officer may be asked to attend the meeting of the Policy and Accountability Committee to present their response.
- 13.6 All Councillors will in any event have access to the Key Decisions list and timetable for decisions and intentions for consultation. At the stage when the Executive makes firm proposals and a provisional decision, in the form of a

written and published decision on any matter, it will become available for call-in in accordance with the Council's decision-making process. Such reports will be placed by the proper officer on the agenda for the next meeting of the relevant Policy and Accountability Committee, subject to the access to information provisions.

- 13.7 Each Sub-Committee and Task Group shall submit its reports to the Policy and Accountability Committee which established it.

14. Rights of Policy and Accountability Committee Members to Documents

- 14.1 In addition to their rights as Councillors, members of Policy and Accountability Committees and their Sub-Committees and Task Groups have the additional right to documents, and to notice of meetings, as set out in the Access to Information Procedure Rules in Part 4 of this Constitution.

- 14.2 Nothing in this paragraph prevents more detailed liaison between the Executive and Policy and Accountability Committee and their Sub-Committees and Task Groups as appropriate, depending on the particular matter under consideration.

15. Breach of the Access to Information provisions by the Executive

- 15.1 If a Policy and Accountability Committee thinks that a Key Decision has been taken which was not:
- a) included in the Key Decisions list or
 - b) the subject of the general exception procedure (i.e. Rule 16 of the Access to Information Procedure Rules); or
 - c) under the special urgency procedures (i.e. Rule 17 of the Access to Information Procedure Rules) the subject of an agreement with a relevant Policy and Accountability Committee Chair, or in their absence, the Mayor/Deputy Mayor of the Council, the Committee may require the Executive to submit a report to the Council within such reasonable time as the Committee specifies. The power to require a report rests with the Committee and may be raised by resolution passed at a meeting of the relevant Policy and Accountability Committee.

16. Members and officers giving account

- 16.1 Any Policy and Accountability Committee may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the overview and scrutiny role, a Committee may compel Council officers and Executive members to attend meetings as required and can expect to receive written evidence as requested to assist the Committee in developing policy or to explain in relation to matters within its remit:

- a) any particular decision or series of decisions;
- b) the extent to which the actions taken implement Council policy; and/or
- c) their performance.

It is the duty of those persons to attend if so required.

- 16.2 In cases where a petition, submitted in accordance with the Council's Petitions Scheme (see Rule 24 below), asks for the Chief Executive or a Director to give evidence at a Policy and Accountability Committee meeting, it is the duty of those persons to attend if so required. The Policy and Accountability Committee may decide that it would be more appropriate for another officer to give evidence instead of the officer named in the petition.

17. Attendance by others

- 17.1 A Policy and Accountability Committee may request people other than those people referred to in Rule 16 above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and members and officers in other parts of the public sector and shall invite such people to attend.
- 17.2 In undertaking the scrutiny of local health bodies, as described in Article 6 of this Constitution, a Policy and Accountability Committee may require senior representatives of those bodies to address it, discuss issues of local concern and/or answer questions. It is the duty of those persons to attend if so required.

18. Call-in

- 18.1 These call-in provisions apply only to **Key Decisions** as defined in Article 12.
- 18.2 Any key decision may be called-in. The power in this paragraph is in addition to the power in paragraph 6 of the Budget and Policy Procedure Rules which deals with decisions by the Executive which are outside the budget and policy framework fixed by the Council and the general power to scrutinise under Article 6 of this Constitution.
- 18.3 Where a Key Decision is made by the Executive, the decision shall be published on the Council's website no later than 5.30pm on the second working day after the decision was made (not including the day of the decision). All Councillors will be sent copies of the published decision within the same timescale by the person responsible for publishing the decision.
- 18.4 The published decision will bear the date on which it is published, and will specify that the decision will come into force and may be implemented at 3.00pm on the third working day after the publication of the decision (not including the date of publication), unless called-in under these provisions.

- 18.5 During this period, the proper officer shall call in a decision for scrutiny by the relevant Policy and Accountability Committee if so requested by at least 50% of the voting members of that Committee. For the purposes of this provision the education co-opted members referred to in paragraph 4 of these Rules shall only be entitled to request the call-in of a decision relating to education matters.
- 18.6 A request for the call-in of a decision must be made in writing or by electronic mail in a format approved from time to time by the proper officer and must set out the reasons for the calling in of the decision.
- 18.7 On receipt of a valid call-in request the proper officer shall notify the decision-maker and the Chair of the relevant Policy and Accountability Committee of the call-in. A called-in decision is suspended and no steps shall be taken to implement it subject to these provisions.
- 18.8 A decision which is called-in shall be placed on the agenda for the next scheduled meeting of the relevant Policy and Accountability Committee or a special meeting convened for that purpose, subject to the access to information provisions.
- 18.9 If, having considered the decision the Policy and Accountability Committee is still concerned about it, then it may:
- refer it back to the decision-maker for reconsideration; or
 - refer the matter to full Council
- 18.10 In both cases it must set out in writing the nature of its concerns. If referred to the decision-maker they shall reconsider it at their next meeting amending the decision or not before adopting a final decision. Once a decision has been reconsidered by the decision-maker it may not be the subject of further call-in.
- 18.11 If the Policy and Accountability Committee at which a called-in item is due to be considered does not meet or does meet but does not refer the matter back to the decision-maker or to full Council the decision shall take effect from the date fixed for that Policy and Accountability Committee meeting.
- 18.12 A matter referred to full Council shall be placed on the agenda for the next scheduled meeting of the Council, subject to the access to information provisions. If the Council does not object to the decision then no further action is necessary and the decision takes effect in accordance with the provision below. However if the Council does object it has no power to make decisions in respect of an Executive decision unless it is contrary to the policy framework or is contrary or not wholly in accordance with the budget. Unless that is the case, the Council will refer any decision to which it objects back to the decision-maker together with the Council's views on the decision. The decision-maker shall choose whether to amend the decision or not before reaching a final decision and implementing it. Where the decision is taken by the Executive as a whole or a Committee of it, a meeting will be convened within 10 working days of the Council's request. Where the decision was taken by an individual the individual shall reconsider within 5 working days of

the Council's request.

19. Call-In and Urgency

- 19.1 The call in procedure set out above shall not apply or shall cease to apply where the decision being taken by the Executive is urgent or becomes urgent during the call in process. A decision is urgent if any delay likely to be caused by the call-in process is likely to seriously prejudice the Council's or the public's interests. The record of the decision, and notice by which it is made public shall state whether in the opinion of the decision making person or body, the decision is or has become an urgent one, and therefore not, or no longer subject to call-in. The Mayor must agree both that the proposed decision is reasonable in all the circumstances and that it is reasonable to treat it as an urgent matter. In the absence or incapacity of the Mayor, the Deputy Mayor's consent shall be required. In the absence or incapacity of both, the Head of Paid Service or their nominee's consent shall be required.
- 19.2 The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to Council with proposals for review if necessary.

Alternatively, the written report on the matter shall state the proposed policy of the majority and minority parties on the Council, and by this it should be understood that that matter is the subject of a party whip. Such declarations, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

22. Declarations of Interest

- 22.1 If a Councillor (or a co-opted member) has a **disclosable pecuniary interest** in any particular agenda item at a Policy and Accountability Committee meeting, they should declare the existence and nature of the interest (unless it is a sensitive interest) at the commencement of the consideration of that item or as soon as it becomes apparent.
- 22.2 Any Councillor with a **disclosable pecuniary interest** may make representations, give evidence or answer questions about the matter, but only at meetings where members of the public are allowed to be in attendance and to speak. The Councillor must then withdraw immediately from the meeting before the matter is discussed and any vote taken, unless a dispensation has been obtained from the Standards Committee.
- 22.3 At meetings where members of the public are not allowed to be in attendance, then the Councillor with a **disclosable pecuniary interest** must withdraw from the meeting while the matter is under consideration, unless the Standards Committee have granted a dispensation.
- 22.4 Each Councillor (or co-opted member) shall, within **28 days** of their election or appointment to office (if that is later) give to the Monitoring Officer or another approved officer a general notice, to be recorded in the Register of Members' Interests open to public inspection, of any **disclosable pecuniary interests**, as defined in the Code of Conduct in Part 5 of this Constitution.
- 22.5 If a Councillor (or co-opted member) has declared a **disclosable pecuniary interest** at a Policy and Accountability Committee meeting which has not been recorded in the Register of Members' Interests they shall, within **28 days** of the declaration, give notice of the interest to the Monitoring Officer.

29. Membership

29.1 The memberships of the Policy and Accountability Committees are detailed in Part 3 of the Constitution, under 'Committee Memberships'.

Appendix A – Councillor Call for Action

Any Member of the Council shall be entitled to give notice in writing to the Proper Officer that they wish to place on the agenda of a Policy and Accountability Committee any matter which is relevant to its functions and affects all or part of that Member' ward or any person living or working in it. The notice must specify:

- a) the name of the Member submitting it;
- b) details of the relevant issue;
- c) a summary of the action undertaken by the Councillor and Community to resolve the matter; and
- d) details of the outcome the Councillor is seeking as a result of the referral in order to resolve or move forward the issue raised.

Unless it is alleged that the function has not been discharged or that the discharge is failing on a systemic basis, the matter must not relate to:

- b) decisions in relation to planning permissions and enforcement;
- c) decisions in relation to licensing applications, reviews and enforcement; or
- d) any matter relating to an individual or entity where there is a statutory right of recourse to a review or appeal.

The request must not be vexatious, discriminatory or not reasonable to be included on the agenda.

The Member shall be expected to have previously sought all reasonable means within their role as ward member to address the issue and to have regard to Guidance on the matter issued by the Secretary of State.

On receipt of such a request the proper officer will assess whether it is validly submitted and complies with the Guidance issued by the Secretary of State. If they are satisfied that it is valid they shall arrange for investigation and submission of an initial report on the matter for consideration by the relevant Policy and Accountability Committee. This will usually be placed on the agenda of the next scheduled meeting of the Committee unless the Chair is of the opinion that in all the circumstances it is not reasonably practicable to do so or to have it properly considered at that meeting. In such cases it will be presented to the next suitable meeting.

The proper officer shall determine the relevant Policy and Accountability Committee where the issues overlap the remits of more than one Committee. Members of the interested Committee that is not designated to receive the request will be invited to attend the meeting should they so wish.

If, in the opinion of the proper officer, the request is not consistent with the statutory guidance they shall inform the Member of this decision and the reasons for it in writing and, where possible, advise the Member of potential alternative sources of assistance in resolving the issue. The Committee shall be informed of the Proper Officer's action.

Validly submitted requests in respect of crime and disorder and community safety issues shall be referred to the Social Inclusion and Community Safety Policy and Accountability Committee.

Upon receipt of an initial report the relevant Policy and Accountability Committee must discuss the issue and may decide to call for a more detailed report on the matter, either make recommendations or refer it to Officers, The Cabinet, Portfolio holders or the relevant partner organisation for resolution, or to take no further action. In reaching this decision it must have regard for the Guidance issued by the Secretary of State and may refer to local guidance. The Member in whose name the request has been submitted will be entitled to attend meetings at which it is considered and address the Committee in support of the request.

Where it is decided to take no further action the Member must be notified in writing of the decision and the reasons for it. The Committee must provide the Member with a copy of any report or recommendations which it makes to the Authority, Cabinet, Cabinet Member, officer or partner organisation in relation to the matter.

As a Member or co-opted Member of the London Borough of Hammersmith and Fulham I have a responsibility to represent the community and work constructively with our staff and partner organisations to secure better social, economic and environmental outcomes for all.

In accordance with the Localism Act provisions, when acting in this capacity I am committed to behaving in a manner that is consistent with the following principles to achieve best value for our residents and maintain public confidence in this authority.

Selflessness: Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

Integrity: Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity: In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability: Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness: Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty: Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership: Holders of public office should promote and support these principles by leadership and example.

As a Member of the London Borough of Hammersmith and Fulham my conduct will in particular address the statutory principles of the Code of Conduct by:

- Championing the needs of residents – the whole community and in a special way my constituents - including those who did not vote for me - and putting their interests first.
- Dealing with representations or enquiries from residents, members of our communities and visitors fairly, appropriately and impartially.

- Not allowing other pressures, including the financial interests of myself or others connected to me, to deter me from pursuing constituents' casework, the interests of the London Borough of Hammersmith and Fulham area or the good governance of the authority in a proper manner.
- Exercising independent judgement and not compromising my position by placing myself under obligations to outside individuals or organisations who might seek to influence the way I perform my duties as a member/co-opted member of this authority.
- Listening to the interests of all parties, including relevant advice from statutory and other professional officers, taking all relevant information into consideration, remaining objective and making decisions on merit.
- Being accountable for my decisions and co-operating when scrutinised internally and externally, including by local residents.
- Contributing to making this authority's decision-making processes as open and transparent as possible to enable residents to understand the reasoning behind those decisions and to be informed when holding me and other members to account, but restricting access to information when the wider public interest or the law requires it.
- Behaving in accordance with all our legal obligations, alongside any requirements contained within this authority's policies, protocols and procedures, including on the use of the Authority's resources.
- Valuing my colleagues and staff and engaging with them in an appropriate manner and one that underpins the mutual respect between us that is essential to good local government.
- Treating people with respect, including the organisations and public I engage with and those I work alongside.
- Providing leadership through behaving in accordance with these principles when championing the interests of the community with other organisations as well as within this authority.
- Complying with the Council's Information Security Policy and not misusing the Council's resources for unacceptable personal use.
- Informing the Monitoring Officer if I am made subject to the notification requirements set out in the Sexual Offences Act 2003 (commonly known as being put on the sex offenders register), or subject to Sexual Risk Orders.

Instead the Register of Interests may state that the Member has an interest, the details of which are withheld under section 32(2) of the Localism Act 2011. If the Member is required to disclose such an interest in a meeting,

¹¹ This does not include civic gifts or hospitality received by the Mayor whilst acting in this capacity. Civic gifts are to be recorded in a separate register maintained by the Mayor’s office.

11. Where the interest does appear in the Register of Interests, you must bring the interest to the attention of the meeting (unless the interest is a sensitive interest).
12. You may not:
 - (a) participate, or participate further, in any discussion of the matter at the meeting or in the case of an executive decision you must not take any steps, or any further steps, in relation to the matter (except for the purpose of enabling the matter to be dealt with by someone else), or

public interest, such interests should be declared to the meeting or, in the case of a Cabinet Member exercising an executive function, prior to taking a decision.

15. In such circumstances, you must consider whether your continued participation in the matter relating to your interest would be reasonable in the circumstances, particularly if the interest may give rise to a perception of a conflict of interests in the matter under discussion. If so you should comply with the requirements of paragraphs 12 and 13 above.

Allegations of a Failure to Comply with Code of Conduct

All complaints alleging a failure to comply with this Code will be considered in accordance with a procedure agreed by full Council.

Member / Officer Protocol

1. INTRODUCTION

- 1.1 The traditional (and legal) position of local authority officers is that they are employees of, and serve, the whole Council. Officers support and advise the Council and constituent parts of its decision-making machinery, implement Council decisions, and may take decisions formally delegated to them through the scheme of delegation. All officers are required to be politically neutral, and for senior officers, this is enforced through the political restrictions of the Local Government and Housing Act 1989.
- 1.2 A copy of the draft Model Code of Conduct for Local Government Employees is set out elsewhere in this Constitution.
- 1.3 When the Council introduced its new political management and decision-making arrangements in 1998, it reviewed and updated its local codes and protocols to reflect the introduction of a political Executive. The changes reflected the shift towards more visible and accountable roles for elected members, and a relationship with Chief Officers which moved closer to the traditional civil servants' relationships to Ministers.
- 1.4 For the Council's current Constitution, these principles remain largely unchanged. The role of Cabinet Members, and a set of ground rules governing working relationships between Cabinet Members and Directors/Chief Officers, is set out below in a formal local protocol. Further local protocols similarly set out the role of Chairs of Scrutiny bodies (Policy and Accountability Committees) and their relationship with officers, and the role of the Opposition and their relationships with officers.
- 1.5 A summary of the principles applying to Chief Officers are set out below:
 - a) Chief Officers are employed to serve the whole Council, and remain ultimately accountable to the whole Council. They are also expected to provide a high level of support to the Administration of the day, to give advice to Cabinet Members, and to pursue and implement all lawful policies and decisions made by the political Executive (Leader and Cabinet Members) via the Council's formal decision-making processes.
 - b) All officers are required to be politically neutral, and for senior officers this is enforced through the political restrictions of the Local Government and Housing Act 1989. All officers are required to abide by the Council's local Code of Conduct for staff.
 - c) Chief Officers have individual responsibilities as defined in their job descriptions or delegated from full Council. In some cases, these will include professional or technical responsibilities of a statutory nature (e.g. regulatory functions, proper officer functions). These functions

need to be exercised without inappropriate interference, either from Councillors or from outside parties.

- d) Chief Officers with professional responsibilities may also have a duty to observe codes and standards set by outside professional bodies (e.g. accountancy, law, structural engineering). There may be occasions when these require to be treated as over-ruling the views of Cabinet Members or Council policy decisions (and should such circumstances arise, Chief Officers will need to report the position via the decision-making process).
- e) The Chief Executive and Chief Officers have a collective responsibility to advise the Council on its priorities, allocation of resources and forward programmes.
- f) Officers should conduct themselves with integrity, impartiality, and honesty. They should give honest and impartial advice to the Leader and other Cabinet Members without fear or favour, and make all information relevant to a decision available to them. They should not deceive or knowingly mislead Cabinet Members, other Councillors, or the public, or withhold information that may be relevant to a decision.
- g) In their dealings with non-Executive Councillors, officers should give careful consideration to the stage that policy deliberations or decisions have reached. Officers owe a duty to respect the confidentiality of the policy formulation process within the Council's political Executive (Leader and Cabinet Members), and where necessary should ask non-Executive Councillors to understand and respect their position in so doing.
- h) These principles apply to papers generated for policy formulation purposes within the Council's political Executive (Leader and Cabinet Members) or for initial discussion at party groups. It is a long-standing convention of the Council that such papers are treated as confidential, and officers should respect this principle, subject to the statutory provisions on access to information set out in the Local Government Act 1972 (as amended), the Freedom of Information Act 2000 and the Access to Information Procedure Rules set out in the Council's Constitution.
- i) Once the proposals and decisions of the Executive are published and become available for scrutiny, officers should assist in providing background information either to Councillors or the public.
- j) The Council's Executive arrangements, and the access to information procedure rules as set out in the Constitution, govern the principles whereby chief and other officers may meet with members of the Executive for the purpose of briefing Councillors, singly or collectively, in accordance with the provisions of the Local Government Act 2000.

- k) Chief Officers (and on some occasions other officers) may be invited to attend meetings of party groups, or single party meetings of Councillors, to provide briefings or background information. On such occasions, officers should not be asked or expected to take part in party political discussion or otherwise to compromise their political neutrality.
- l) Under NJC and APT&C contracts of employment, officers cannot be compelled to attend party group meetings at which there are those present who are neither Councillors nor Council employees. If attending any such meetings, officers should be particularly careful not to divulge any information confidential to the Council, and should take account of the fact that non-Councillors are not bound by the same requirements as Councillors in respect of confidentiality and declarations of interest.
- m) As set out in the Code of Conduct, officers should not without authority disclose information communicated in confidence within the Council, and not in the public domain. They should not seek to frustrate or influence the policies, actions or decisions of the Council by the unauthorised, improper or premature disclosure outside the Council of any information to which they have had access as officers.

2. DELEGATION

- 2.1 Chief Officers exercise functions and powers formally delegated by the Council, through the Scheme of Delegation. Where required (as in the case of any major decision taken by an officer), the exercise of such delegation must be published and recorded in writing. Delegation of specific statutory and non-statutory functions from the Council to individual officers within departments is set out within the Scheme approved by the Council on an annual basis. Where a Chief Officer is sub-delegating functions to named officers, this should be recorded within a written scheme held within each department.

3. WHERE THINGS GO WRONG

- 3.1 From time to time, the relationship between Councillors and officers may become strained or break down. While it is always preferable to resolve matters informally, through conciliation by an appropriate senior manager or Councillor, where matters are unresolved they should be referred initially to the Chief Executive or Monitoring Officer who will consult with appropriate Group leaders, in deciding on more formal routes for resolution.
- 3.2 In the event that a Councillor is dissatisfied with the conduct, behaviour, or performance of an officer, the matter should be raised with the appropriate Director.

4. WHISTLE-BLOWING

- 4.1 Separate local protocols at Council-wide level, and within certain individual Departments (Children’s Services) govern situations in which officers may legitimately need to disclose or report information in respect of potential illegality, maladministration, fraud or corruption. Procedures for such disclosure are set out in these “whistle-blowing” procedures.

5. CORRESPONDENCE

- 5.1 It is an accepted convention at LBHF that Chief Officers should be able to correspond with Cabinet Members in strict confidence, and vice versa. Where Opposition Members and MP’s seek information about Council services from a Chief Officer, it is also the convention that Chief Officers have a responsibility to keep Cabinet Members informed, normally by sending a copy of the response to the Cabinet Member, along with the original query.
- 5.2 Personal matters – in cases where an Opposition Member seeks information on a genuinely personal basis, then the initial letter and response should be confidential, and the appropriate Cabinet Member should not receive a copy.

NOTE: Chief Officers are Executive Directors or Service Directors

Local Protocol for Leader and Cabinet Members

1. INTRODUCTION

- 1.1 This protocol aims to ensure that the Leader and Cabinet Members, as members of the Council's political Executive, work to a set of ground-rules designed to maintain high standards of public accountability, mutual respect between Councillors and officers, and a clear understanding of the executive and scrutiny functions within the Council's decision-making structures.
- 1.2 The protocol remains broadly unchanged from that in place at LBHF since the Council introduced executive and scrutiny arrangements in June 1998.

2. GENERAL PRINCIPLES

- 2.1 Cabinet Members, along with all other Councillors, must observe the Council's Code of Conduct for Members, as adopted by the Council. (See Part 5 – Codes and Protocols - of the Council Constitution). This covers personal conduct, public duty and private interests, disclosure of interests, acceptance of gifts and hospitality, use of Council facilities, and the basic principles of relationships between Councillors, officers, and others.
- 2.2 Over and above these requirements, Cabinet Members have responsibilities, as set out in their individual portfolios, for making proposals to committee, and for decisions that are neither defined as Key Decisions nor delegated to officers, with appropriate support from officers. Cabinet Members have a responsibility to account to, and to be held to account by, the full Council and the Council's scrutiny arrangements (relevant Policy and Accountability Committees).
- 2.3 Cabinet Members should be as open as legally possible with scrutiny bodies and with the public. In a public forum however, information should not normally be disclosed where it has been categorised as exempt within the 7 definitions given in the Access to Information Procedure Rules set out in Part 4 of the Council Constitution (i.e. where specific grounds for confidentiality are stated), and/or the public interest in maintaining the exemption outweighs the public interest in disclosing the information.
- 2.4 In developing their proposals and in making decisions, Cabinet Members should consult their colleague Cabinet Members, other Councillors, and the wider public.
- 2.5 Cabinet Members should keep separate their roles as Cabinet Member and as constituency Councillor, and should seek to ensure that no conflicts of interest arise. Should any conflict arise, Cabinet Members may wish to consider referring relevant decisions to the Cabinet, or to the Leader.
- 2.6 In accordance with the Council's Code of Conduct, Cabinet Members must not use Council resources for party political purposes. They must uphold the

political impartiality of the officer body, and not ask officers to act in any way which would conflict with the Council's Staff Code of Conduct, local protocol on Member/Officer relationships, or national Conditions of Service.

3. THE ROLE OF CABINET MEMBERS

- 3.1 The Leader is elected by the Council and other Cabinet Members are appointed by the Leader. Each has a defined portfolio of responsibilities. Cabinet Members do not have line management responsibilities for staff, and should not issue management instructions to staff.
- 3.2 The business conducted by Cabinet Members, singly and collectively, consists of:
- a) matters which will ultimately be decided by the full Council, because they form part of the Council's statutory budget and policy framework;
 - b) matters which fall clearly within the remit of a single Cabinet Member, and which may be key decisions published via the Key Decisions list, or lesser matters.
 - c) matters which cross the portfolios of more than one Cabinet Member, or on which there are unresolved issues between Departments.
- 3.3 Matters wholly within the responsibility of a single Cabinet Member and which do not involve collective responsibility will normally be discussed between the Cabinet Member and the relevant Chief Officer (or Chief Executive in the case of the Leader). Cabinet Members will then make recommendations to the Cabinet on these matters, or make decisions where these are not defined as Key Decisions under the Council's Constitution.
- 3.4 At this stage, Cabinet Members will have considered a written report on the matter, prepared in accordance with the Council's report writing guidelines. The Cabinet Member shall sign off this report prior to it entering the decision-making process, and the report will from then on provide background information on the matter in question, available to Councillors for scrutiny purposes and to the public (subject to the Access to Information Procedure Rules and other legislation).
- 3.5 Cabinet Members should respect the timetables and notice periods established via Governance and Scrutiny, so as to allow proper collective consideration of issues in the decision-making process.
- 3.6 In undertaking the roles inherent in an executive decision-making system, Cabinet Members and Chief Officers should respect the following principles:
- a) As 'visible' and accountable elected representatives, with defined responsibilities, Cabinet Members need to be properly briefed on all significant aspects of the work of the one or more departments that operate within their remit. Directors should ensure a proper information

flow so as to ensure that Cabinet Members can effectively undertake this part of their role.

- b) Good communications can best be achieved through planned and programmed meetings and briefing arrangements. On the basis that Directors should be ensuring that the information needs of Cabinet Members are met, Cabinet Members should in turn seek to avoid making requests for unanticipated briefings, or detailed information gathering exercises, which can unbalance planned departmental workloads.
- c) Cabinet Members should channel requests for information, advice, and other support via the Chief Officer, or via such arrangements as are agreed and established with the Chief Officer (e.g. Director's PA, specific Departmental Management Team members on specific issues). Cabinet Members should not normally approach other departmental staff direct with requests for information (except in cases of urgency) or seek to commission work from individual staff, as this can create conflict with day-to-day line management accountabilities.
- d) While Cabinet Members will wish to work with Chief Officers and senior managers in the development of policies and programmes, they should recognise that there are categories of officer-level meetings, both inside and outside the Council, where attendance by a Cabinet Member (or other Councillor) is inappropriate.
- e) Cabinet Members (and other Councillors) have collective responsibility to the Council for the conduct of employment policy, and the Council acts as the employing body for all Council staff. Employment policies, having been set by the Council, are implemented via Chief Officers. Cabinet Members should avoid becoming over-involved in issues of individual performance of officers or individual cases of grievance, disciplinary action, or harassment. Cabinet Members have the right, however, to bring to the notice of relevant Chief Officers any instances within their area of responsibility where they have evidence that there are problems of inefficiency or ineffectiveness, and to be kept informed of what course of action is being pursued in such circumstances.
- f) Under an Executive and Scrutiny system, Committee recommendations and 'non-key' decisions are published under the title of the relevant Cabinet Member, and Cabinet Members are expected to justify and account for their proposals to Policy and Accountability Committees and to Full Council as appropriate. In framing recommendations and making decisions, Cabinet Members are expected to take appropriate advice from relevant Chief Officers, who should ensure that full and proper professional, legal and financial advice is provided in writing, in reports to Cabinet Members.
- g) In bringing forward new policies and proposals, Cabinet Members may wish to discuss with Chief Officers, and via Chief Officers with senior officers preparing reports, the content of such reports and the framing of

recommendations. While Cabinet Members may wish to make suggestions on content and drafting, to achieve clarity of presentation, simplify jargon, or better explain issues, they should not attempt to edit out or override any content of reports which Chief Officers feel it important to put before the Council. This is especially relevant to matters of a professional or technical nature, and all Chief Officers retain an inherent right to report direct to all Committees where they consider it necessary.

- h) While reports and recommendations appear under the title of the relevant Cabinet Member, relevant Chief Officers will oversee their implementation and will therefore be assumed to accept responsibility for the professional and technical content of reports (subject to below).
- i) Where Cabinet Members wish to put forward proposals of their own (i.e. which have not been generated in discussion with a Chief Officer or via a Council department), this should be made clear in the 'contributors' section of any written report. In such instances, it is the responsibility of the Cabinet Member to seek any necessary legal or financial advice for inclusion in the report. Chief Officers may wish, and have a right, to add their comments to such reports.
- j) A number of Chief Officers exercise statutory functions or have individual responsibilities. Cabinet Members should not attempt to interfere with these roles. These include the functions of Chief Financial Officer and Monitoring Officer, details of which are set out in the Council's Constitution and local protocols.
- k) Similarly, other than in considering policy implications with the relevant Chief Officer, Cabinet Members should not become directly involved in the handling of individual cases on matters delegated to officers (e.g. planning, housing, child care, education), other than in exceptional cases, where a difference of view may need to be resolved through a report to Committee.

Cabinet Members and the Scrutiny Function

- 3.7 Where reports are referred or called in for scrutiny by Policy and Accountability Committees, Cabinet Members are expected to attend to answer questions. Cabinet Members will normally be briefed and able to answer the majority of questions themselves, as well as explaining and justifying where necessary the basis of the proposal or decision. On more technical or professional issues, Cabinet Members may wish to call on Chief Officers or specialist officers to answer questions and explain the basis for recommendations.
- 3.8 Where motions are raised at Council meetings, Cabinet Members have a right under the Council Procedure Rules to speak first in responding in debate, on matters within their portfolios.

Cabinet Members and fellow Councillors

- 3.9 The distinctive roles of Cabinet Members and 'non-executive' or backbench Councillors are well-established at LBHF.
- 3.10 Apart from the arrangements in place to ensure that backbench Councillors are informed of proposed Key Decisions via the Council's Key Decisions list, Cabinet Members should ensure they consult as necessary with colleagues in the early stages of formulating proposals. Ward Councillors in particular should be consulted on issues relevant to their Ward.

Cabinet Members and outside bodies

- 3.11 Cabinet Members represent the Council on a range of outside bodies, partnership meetings, and inter-agency structures. As such, they act as spokespersons for the Council, but do not have authority to bind or commit the Council to any decision that requires formal committee approval (i.e. a Key Decision or element of the Council's budget or policy framework).
- 3.12 The statutory Code of Conduct and the Council's local protocols contain detailed guidance for all Councillors on their role on outside organisations.

Cabinet Members and the Media

- 3.13 Cabinet Members act as spokespersons for the Council, in responding to the press and media and making public statements on behalf of the Council. Cabinet Members should liaise with the Communications Team on all forms of contact with the press and media. Annexed to this protocol is a code of practice for the issue of press releases.

Annex – Code of practice for the production of press releases

The guiding principles as to the issuing of press releases by local authority staff are governed by Section 2 of the Local Government Act 1986 and the Code of Recommended Practice on Local Authority Publicity (circular 20/88) which must always be taken into account in relation to all publicity issued.

The following is an extract from the Act:

"A local authority shall not publish any material which, in whole or in part, appears to be designed to effect support for a political party. In determining whether material falls within the prohibition regard shall be had to the content and style of the material, the time and other circumstances of publication and the likely effect on those to whom it is directed and in particular the following matters:

- (a) Whether the material refers to a political party or to persons identified with a political party or promotes or opposes a point of view on a question of political controversy which is identifiable as the view of one political party and not of another;*
- (b) Where material is part of a campaign the effect which the campaign appears to be designed to achieve"*

The Council is not therefore permitted to fund the production of press releases which are party political. To assist in defining this the following checklist can be used:

- party political logos should not be used
- party political names should not be used except where they are essential in describing a position
- the description of the party groups should normally be **Administration** and **Opposition** (although the political party can be used, normally in brackets, in absolutely exceptional circumstances for the purposes of clarity or where there is more than one opposition group)

However each case will turn on its facts and appropriate advice should be sought.

Local Protocol for Policy and Accountability Committee Chairs

1. INTRODUCTION

- 1.1 This protocol aims to ensure that Chairs of Policy and Accountability Committees work to a set of ground rules designed to maintain high standards of public accountability, mutual respect between Councillors and officers, and a clear understanding of the executive and scrutiny functions (Leader and Cabinet Executive model) adopted by the Council.

2. GENERAL PRINCIPLES

- 2.1 Chairs of Policy and Accountability Committees (PACs), along with all other Councillors, must observe the statutory Code of Conduct as set out in Part 5 of the Constitution. This covers personal conduct, public duty and private interests, disclosure of interests, acceptance of gifts and hospitality, use of Council facilities, etc., and the basic principles of relationships between Councillors and officers.
- 2.2 Over and above these requirements, Chairs of PACs have responsibility for ensuring the overview and scrutiny process operates fairly and openly.
- 2.3 Chairs of PACs should expect the Executive (Leader and Cabinet Members) to be as open as legally possible with PACs. In a public forum however information may not be disclosed where it has been defined as exempt under the Access to Information Procedure Rules set out in Part 4 of the Constitution. (i.e. where exempt reports are being considered, where specific grounds for confidentiality are stated).
- 2.4. Chairs of PACs have a right to be informed when the Executive is taking decisions not included in the Forward Plan in accordance with paragraph 16 (General Exception) of the Access to Information Procedure Rules. Chairs of PACs have the right to agree that in cases of special urgency (paragraph 17 of the Access to Information Procedure Rules) the taking of a decision cannot reasonably be deferred.
- 2.5 Chairs of PACs should keep separate their roles as chairs and as a constituency Councillors, and should seek to ensure that no conflicts of interest arise. They should be mindful of the provisions of the statutory Code of Conduct and not seek to use their position to influence events unduly.
- 2.6 In accordance with the statutory Code, they must not use Council resources for party political purposes. They must uphold the political impartiality of the officer body, and not ask officers to act in any way which would conflict with the local Code of Conduct for Staff, or Guidance for Chief Officers, or national terms and conditions of service.

- 2.7 Officers are required to assist PACs in the delivery of their role. Chairs of PACs, as with all Councillors undertaking overview and scrutiny, will however have to be aware of the resource consequences of any proposals. In some instances, requests for research in pursuit of overview and scrutiny may be refused on grounds of expense or time.
- 2.8 The protocol on Member / officer relations explains how Chief Officers must seek to serve the entire Council. This protocol should therefore be read in conjunction with the protocol on Member / officer relations, also contained in Part 5 of this Constitution.
- 2.9 In undertaking their role, the Chairs of PACs may wish to issue press releases. The Communications Team should facilitate press releases appropriately on their behalf.

3. ROLE AND REMIT OF POLICY AND ACCOUNTABILITY COMMITTEES

- 3.1 The general and specific roles and functions of PACs are set out in Article 6 of this Constitution.

4. PROCEEDINGS OF POLICY AND ACCOUNTABILITY COMMITTEES

- 4.1 PACs will conduct their proceedings in accordance with the Policy and Accountability Procedure Rules set out in Part 4 of this Constitution.

Local Protocol for the Opposition Leadership

1. INTRODUCTION

- 1.1 The term "Opposition" is applied to the largest group of Councillors not forming part of the Administration. Where non-Administration Councillors are of more than one group, the appointed leader of the largest of those groups is known as the "Leader of the Opposition".
- 1.2 This protocol is intended to set out agreed ground rules as to the special responsibilities that rest with Councillors forming the Opposition leadership. This is defined as the Leader, Deputy Leader and Opposition Whip, together with any other Councillors allocated special responsibilities. It should be read in conjunction with the statutory Code of Conduct, also in Part 5 of the Constitution.

2. STAFF

- 2.1 The Opposition leadership will have allocated to it a personal assistant, whose role is as set out in a job description. They are bound by the same terms and conditions as other local authority employees in relation to party political activity. Briefly, the job description contains provisions to:
- Undertake research
 - Provide administrative support
 - Provide secretarial support

3. MEDIA RELATIONS

- 3.1 The Opposition leadership act as spokespersons for their group, in responding to the press and media and making public statements. A code of practice for the issue of press releases is annexed below.

4. OPPOSITION ACCESS TO INFORMATION

- 4.1 The Council's Constitution sets out the general legal position on Councillors' rights of access to information. Whilst the Leader of the Opposition has no specific additional legal rights of access to Council documentation, they are likely to seek more information by way of the position held. The various tests under the "need to" principle, as enshrined in case law, will apply.
- 4.2 The right of access to committee reports, background papers etc. is governed by the Local Government Act 1972 (as amended), the Data Protection Act 2018, and the Freedom of Information Act 2000 (see Part 4 of this Constitution – Access to Information Procedure Rules).
- 4.3 It is a longstanding convention at this Authority, enshrined in the Member / Officer local protocol agreed between the political parties and adopted by the Council in 1994, that papers used in the "deliberative" stage of the political management process are treated as confidential to the

Administration of the day. Under the new executive structures adopted at the Annual Council in May 2002, this principle has continued to apply to the papers of Political Cabinet, briefings to Cabinet, Strategic Leadership Team, Business Delivery Team, Change Board, and Cabinet Member Board meetings. Agendas and papers of party groups on the Council are also treated as confidential.

5. CORRESPONDENCE

- 5.1 It is an accepted convention at this Authority that Chief Officers should be able to correspond with Cabinet Members in strict confidence and vice versa.
- 5.2 Where Opposition members seek information about Council services from a Chief Officer, it is also an accepted convention that Chief Officers have a responsibility to keep Cabinet Members informed through sending a copy of the response to the Cabinet Member, along with the original inquiry.
- 5.3 On personal matters where an Opposition member seeks information on a purely personal basis, then the initial letter and response should be confidential and the appropriate Cabinet Member should not receive a copy.

Annex – Code of practice for the production of press releases

The guiding principles as to the issuing of press releases by local authority staff are governed by Section 3 of the Local Government Act 1986. and the Recommended Practice on Local Authority Publicity (Circular 20/88) which must always be taken into account in relation to all publicity issued, is also highly relevant.

The following is an extract from Section 2 of the 1986 Act:

"A local authority shall not publish any material which, in whole or in part, appears to be designed to affect support for a political party. In determining whether material falls within the prohibition regard shall be had to the content and style of the material, the time and other circumstances of publication and the likely effect on those to whom it is directed and in particular the following matters –

(a) whether the material refers to a political party or to persons identified with a political party or promotes or opposes a point of view on a question of political controversy which is identifiable as the view of one political party and not of another;

(b) where material is part of a campaign the effect which the campaign appears to be designed to achieve"

The Council is not therefore permitted to fund the production of press releases which are party political. To assist in defining this the following checklist can be used:

- party political logos should not be used
- party political names should not be used except where they are essential in describing a position
- the description of the party groups should normally be Administration and Opposition (although the political party can be used, normally in brackets, in absolutely exceptional circumstances for the purposes of clarity or where there is more than one opposition)

However each case will turn on its facts and appropriate advice should be sought.

Local Protocol for the Mayor and the Civic Role

1. CIVIC ARRANGEMENTS

- 1.1 Civic and ceremonial events and engagements may be undertaken by any one of the following:
- Mayor
 - Deputy Mayor
 - Leader
 - Deputy Leader
 - Cabinet Members
- 1.2 The appropriate Member will be selected by the Mayor's Office in consultation with the Members listed above according to the nature of the event or engagement.
- 1.3 The above Members shall be entitled to wear civic insignia when undertaking engagements on behalf of the Mayor.

2. BUDGETS

- 2.1 The Mayoral budgets, including reception and entertainment, shall be available for Mayoral and civic events and engagements. Approval of this expenditure shall be through the Strategic Director of Finance.

3. USE OF OFFICIAL CAR

- 3.1 The Council maintains an official car which shall be available to the above members when they are undertaking Mayoral or civic events and engagements.

4. STAFF

- 4.1 Staff in the Mayor's Office assist the Mayor in the full delivery of services. They are also available to assist the other Members listed above when they are undertaking Mayoral or civic events or engagements.

Councillors' Support Guidelines

The Councillors' Support Service provides:

- Taking messages and giving advice on surgeries details
- Ordering of personalised H&F Council stationery

BULK MAIL OUTS

The Council does not provide a bulk mail facility for individual Councillors.

MOBILE PHONES

Mobile telephones are provided to Councillors who demonstrate they have a special need. That would normally mean a Councillor with special responsibilities and whose movements make other forms of contact difficult or unreliable. They will only be issued where it is in the clear interest of the Council.

The Council can only pay for outgoing calls on such mobile telephone when they are made on Council business.

Any personal calls made on a Council-provided mobile telephone should be paid for by the Councillor. Itemised monthly bills will be circulated to Councillors to help them identify such calls. In addition to the normal reasons around probity, this is important because if personal calls are not paid for, mobile telephones become taxable benefit.

The mobile telephones remain the property of the Council and should be returned in the event of changes in the circumstances which warranted their original issue.

NB:

- Confidentiality is important to Councillors and the strictest confidentiality in dealing with Councillors' work is maintained.
- The improper use of Councillors' support facilities (and for that matter any other Council facilities – headed note paper, photocopier etc.) could lead to legal challenge as set out in the Code of Conduct for Councillors.

Councillors Access to Information – Local Protocol

1. THE PROCESS

- 1.1 All requests for documentation from Councillors should be routed through the Chief Officer, or where that Officer is not available and the request is urgent, then it should be made to an Assistant Director or Head of Service, as appropriate. It would be for the Councillor to explain why their particular request needed an urgent response.
- 1.2 Councillors are requested to:
- Be as specific as possible about the documentation that they wish to see;
 - Normally make the request in writing; and
 - State the reason for wanting the information, and the purpose to which it will be put.

Note: The reason for asking Councillors to follow this procedure is not to be overly bureaucratic and cause delay, but to ensure that the appropriate information is supplied, and that “sensitive” information is safeguarded. This procedure is without prejudice to a Councillor’s rights under the Freedom of Information Act 2000 (see below).

- 1.3 If the Councillor’s request is considered legitimate by the Chief Officer, then the information will be supplied as soon as possible. However, if the Chief Officer considers that to meet the request would not be justified because of the administrative cost - for example because the documentation is too bulky to be photocopied, or would require expensive and continuing computer runs - then alternative arrangements to try to meet the request will be tried.
- 1.4 For instance, Councillors could be invited to inspect the relevant document(s) or file(s). This should be done under the supervision of a senior officer with knowledge of the subject area, and the Councillor should mark any documents requiring photocopying. The department may also wish to keep a record of what is copied.
- 1.5 If there are reasons why the Chief Officer feels that documents should not be disclosed and wishes confirmation of that view, then the matter should be referred to the Monitoring Officer or the Chief Executive. It should be noted that there are very few instances when a Councillor who satisfies the “need to know” criteria (set out in the section which deals with the legal situation below) should be denied access to the documentation. Normally, such documents will need to be defamatory or likely to lead to criminal prosecution or contain allegations of impropriety etc. before access is denied.

Note: Officers should be aware that files and other papers can be inspected, and that all files are the property of the Council, and are not exempt from inspection rights, except in rare instances.

2. THE LAW

2.1 A Councillor's right to inspect documents in the Council's possession is governed by statute, case law, the Council's Constitution and the Council's Members' Code of Conduct.

3. STATUTE (SECTION 100F OF THE LOCAL GOVERNMENT ACT 1972 AND RELEVANT REGULATIONS)

3.1 Any Councillor can inspect any document in the possession or control of the Council which contains material relating to any business to be transacted at a meeting of the Council, the Cabinet, a Committee or Sub-Committee (i.e. a decision-making body), subject only to the exceptions listed in the paragraphs below.

3.2 Schedule 12A of the 1972 Act (as amended) sets out 7 categories of information normally "exempt" from public access, but nevertheless subject to a public interest disclosure test whereby the public interest in maintaining the exemption must outweigh the public interest in disclosing the information.

3.3 If it appears to the Council's proper officer that a document discloses "exempt" information, then disclosure to a Councillor is not required, unless the information falls within paragraph 3 of Schedule 12A (the financial or business affairs of any particular person (including the authority holding that information), except to the extent it relates to any terms proposed by or to the authority in the course of negotiations for a contract; or if the information falls within paragraph 6 of Schedule 12A (that the authority proposes to give a notice or order under any enactment, by virtue of which conditions or requirements are imposed on a person). However, section 100F is in addition to a Councillor's other rights, and other tests may need to be applied.

4. CASE LAW

4.1 A Councillor as an elected representative has a duty to be kept informed of Council business, and therefore has a '*prima facie*' right to inspect documents in the possession of the Council, and has a "need to know" to perform that role. The following "tests" may prove helpful in establishing whether a Councillor has a "need to know":

- If a Councillor is a member of the Committee, then they have the right to inspect documents relating to the business of that Committee.
- If a Councillor is not a Committee member, then they have to demonstrate why sight of the document(s) is necessary to enable the performance of their duties as a Councillor.
- If the Councillor's motive for seeing the documents is indirect, improper or ulterior, then the normal entitlement could be barred.
- Councillors are not allowed a "roving commission" through Council documents, but have to specify precisely the documents or information they are requesting.

5. FREEDOM OF INFORMATION ACT 2000

- 5.1 A Councillor has some rights of access to information held by the Council under the Freedom of Information Act 2000 as a member of the public. A request under the Act must:
- Be in writing (electronic requests are acceptable)
 - Provide a name and address for correspondence
 - Describe specifically the information requested

Although a Councillor does not need to demonstrate a “need to know”, the Act contains a number of exemptions. For example, where information is confidential, consists of personal data, or is commercially sensitive, it is likely to be exempt from disclosure.

Thus a Councillor with a common law “need to know” will generally be entitled to more extensive information than would be available to him/her under the Act.

6. COUNCIL CONSTITUTION

- 6.1 Under the Council’s Constitution (see Council Procedure Rules 7(c), Access to Information Procedure Rules 23.4), the Chief Executive or a Chief Officer may refuse to provide information to a Councillor on the grounds of cost or “another good reason for non-compliance”. This is subject to the Councillor’s legal rights, or a relevant Committee authorising the provision of the relevant information. The bias will usually be in favour of access to information.

7. COUNCILLORS’ CODE OF CONDUCT AND DATA PROTECTION

- 7.1 Councillors are bound to abide by the provisions of the Council’s Members’ Code of Conduct in relation to information obtained by them. Councillors are also bound by the provisions of the Data Protection Act 2018, and should not use personal data for purposes inconsistent with the purposes for which it was obtained, or otherwise in breach of the data protection principles. If a Councillor is in any doubt as to the uses to which information may be put, (e.g. use of names and addresses whether in hard copy or electronic form) they should seek advice from the Monitoring Officer. Supplementary guidance and advice is available from the Information Commissioner: www.ico.gov.uk

Handling Councillor and MP Enquiries – Guidance for Councillors

1. INTRODUCTION

- 1.1 Elected Members have a responsibility to their constituents (at their discretion) to represent their views to the Council, and are often approached by them to advocate on their behalf. When this happens, the elected Member may contact the department and ask for information about policies and individual cases. This is known as a Councillor or Member of Parliament enquiry. The process for handling these enquiries and ensuring members receive appropriate, sensitive, timely and complete answers to their concerns is handled by the H&F InTouch Team.
- 1.2 This document seeks to set out the role of elected Members, to explain the relationship between elected Members and officers and to outline the Members' enquiry process. It should be read in conjunction with the Protocol for Councillors on Access to Information (also in Part 5 of the Constitution) where relevant.

2. ENQUIRIES

- 2.1 Citizens have the right to complain to:
1. the Council itself under its complaints scheme;
 2. the Ombudsman after using the Council's own complaints scheme;
 3. the Monitoring Officer about a breach of the Council's Members' Code of Conduct; and
 4. the Information Commissioner in relation to the Freedom of Information Act 2000 and the Data Protection Act 2018.
- 2.2 Elected Members:
1. Have rights of access to documents, information, land and buildings of the Council as are necessary for the proper discharge of their functions and in accordance with the law.
 2. Will not make information that is confidential or "exempt" available to the public without the consent of the Council nor divulge information given in confidence to anyone other than a Councillor or officer entitled to know it.

3. MEMBERS' ENQUIRY PROCESS

- 3.1 When an elected Member is contacted by a constituent about a concern they have raised, the Member will contact the Council asking for an answer to that enquiry. The Council uses iCasework to manage these enquiries. Members are encouraged to use the Member's Portal to submit their enquiry via iCasework, so that they can monitor the status of the enquiry from receipt to response.

Timescales

- 3.2 The Council is committed to responding to all elected Members' enquiries within **eight working days** of receipt of the enquiry. However, enquiries from Cabinet Members are responded to **within a three working days** deadline. Urgent enquiries will be dealt with as soon as reasonably practicable bearing in mind the circumstances.

4. CONFIDENTIALITY

- 4.1 Elected Members are bound by the rules of confidentiality by their Code of Conduct. This Code of Conduct states that Members 'must not disclose information given to them in confidence by anyone, or information acquired which they believe is of a confidential nature, without the consent of a person authorised to give it, or unless required by law to do so'.
- 4.2 If an elected Member is enquiring about a case which is particularly sensitive, officers should highlight this in their response and the Chief Officer will ensure the elected Member is made aware of this.

5. THE RELATIONSHIP BETWEEN ELECTED MEMBERS AND OFFICERS

- 5.1 As a general rule, Councillors are expected to deal only with Chief Officers or Heads of Service. This is because:
- (a) Chief and senior officers are in a better position to provide authoritative information or advice and to generate a swift response;
 - (b) they need to be aware of any questions or complaints raised by members;
 - (c) they are able to respond directly to Members' requests, for example by making a judgment as to whether action could be taken under officers' delegated authority;
 - (d) they are able to investigate and deal with any shortcomings there might be at the point of service delivery; and
 - (e) more junior staff may be intimidated by dealing with a Member enquiry, or may give incorrect information, or may take inappropriate action.
- 5.2 Where an elected Member seeks information about a case from a member of staff below service manager level, they should seek the advice of a senior manager or the Complaints Manager.

6. FURTHER INFORMATION

- 6.1 If you have any questions about Members' enquiries please contact the Councillor and MP enquiry team: cllr&mpenquiryteam@lbhf.gov.uk

Planning and Licensing Guidance for Councillors and Officers

1. BACKGROUND

- 1.1 This guidance should be read alongside the Council's Members' Code of Conduct which was issued to all Councillors on taking office. The Members' Code of Conduct is set out elsewhere in Part 5 of the Constitution.
- 1.2 This guidance reflects the outcome of the work of the Nolan Committee on Conduct in Local Government, previous work by the local authority associations, and advice issued by the Audit Commission, the former Standards Board for England, the Local Government Ombudsman, and the various professional bodies in the planning field. The guidance also incorporates much of the advice set out in the Local Government Association publication '*Probity in Planning*' published in November 1997. Parts of that guidance (e.g. on site visits) are not considered relevant or appropriate to the handling of planning issues within an inner London Borough, and therefore are not followed by this Council. The guidance also reflects the provisions of Chapter 6, Section 25 of the Localism Act 2011 in relation to predetermination of licensing and planning applications.
- 1.3 While the guidance (with the exception of that relating to predetermination) has no statutory status, failure to observe its recommendations without good reason may be taken into account in any investigations for maladministration, or by the Council's Standards Committee when investigating allegations of breach of the Members' Code of Conduct.

2. TRAINING OF COUNCILLORS

- 2.1 It is the Council's policy to arrange training for all Councillors serving on the Planning and Development Control and Licensing Committees. Councillors must undertake this training prior to serving on these Committees.
- 2.2 In relation to licensing issues, the procedures followed by the Council's Licensing Sub-Committee are set down in detailed guidance documents issued to both the applicant and other interest parties. These will be reviewed in the light of experience of the working of the Licensing Act 2003. Further advice for Councillors and officers involved in the licensing process is set out later on in this protocol.

3. GENERAL ROLE AND CONDUCT OF COUNCILLORS AND OFFICERS

- 3.1 The basis of the planning system is the consideration of private proposals against wider public interests. While Councillors on the Planning and Development Control Committee will need to take account of the relevant views of their constituents (which also includes those who did not vote for them), they must be careful not to favour any person, group, company or locality, nor put themselves in a position where they appear to do so, during

their involvement in the decision-making process. Nor must they give the impression that they have ‘made up their minds’ in relation to any particular matter before it is determined – see section 8 below.

- 3.2 Councillors serving on the Licensing Sub-Committee must determine each application on the evidence presented by both the applicant and interested parties at a hearing. Councillors need to take account of relevant representations made by interested parties who may or may not be their constituents, but should not favour any person, group, company or locality, nor put themselves in a position where they appear to do so, in making the decision. Councillors are barred from sitting on any Licensing Sub-Committees determining applications which fall within their own wards only where they have a disclosable interest under the Members’ Code of Conduct.
- 3.3 The advice in the Members’ Code of Conduct on dealing with gifts and hospitality can be particularly relevant when dealing with planning and licensing issues. Councillors and officers should be very circumspect in response to any offers of gifts and hospitality, should seek appropriate advice where necessary, and should record in the relevant register any gifts or hospitality they do receive. This applies particularly in circumstances where it is known that planning or licensing applications have been submitted, or are likely to be submitted, by the parties making such offers.

4. DECLARATION AND REGISTRATION OF INTERESTS

- 4.1 The requirements and guidance for registering and declaring interests are set out in the Council’s Members’ Code of Conduct and in the Officers’ Code of Conduct. The Local Government Ombudsman’s publication ‘*Guidance for Good Practice on Members’ Interests*’ also provides helpful advice.
- 4.2 All Councillors are required to register, and keep up to date, a written declaration of their interests in a Register held by the Monitoring Officer. Officers are required to register their interests on departmental registers, held by their departmental personnel sections.
- 4.3 Detailed guidance on dealing with members’ disclosable interests can be obtained from the Monitoring Officer. The general tests for deciding whether a disclosable interest exists are set out in the Members’ Code of Conduct. Whilst Members are encouraged to obtain guidance and advice on declaring interests from the Monitoring Officer, ultimately, the responsibility for declaring any interest lies with the individual Councillors themselves.
- 4.4 Where a Councillor has declared a disclosable pecuniary interest, they must not take any further part in the proceedings (i.e. not speak or vote) and must withdraw from discussion at the meeting unless a dispensation has been obtained beforehand from the Council’s Standards Committee. This is discussed in more detail below.

5. DEVELOPMENT PROPOSALS SUBMITTED BY COUNCILLORS, OFFICERS AND THE COUNCIL

- 5.1 In circumstances where current or former Councillors or officers, or their close friends and relatives, are involved in submitting planning applications which would ordinarily be dealt with by officers, it is important that such applications are processed without suspicion of any impropriety. Where situations arise which could, in the opinion of the Monitoring Officer, create significant questions in the minds of the public, such applications should be referred to the Planning and Development Control Committee for determination.
- 5.2 Proposals for the Council's own development should be treated in the same way as those from private developers, in accordance with Circular I9/92, particularly in relation to officer advice.

6. LOBBYING OF AND BY COUNCILLORS

NOTE: This section repeats verbatim paragraphs 7.1 - 7.9 of the LGA Guidance on Probity in Planning.

- 6.1 *It is important to recognise that lobbying is a normal and perfectly proper part of the political process: those who may be affected by a planning decision will often seek to influence it through an approach to their elected ward member or to a member of the planning committee. As the Nolan Committee's Third Report states. 'It is essential for the proper operation of the planning system that local concerns are adequately ventilated. The most effective and suitable way that this can be done is via the local elected representatives, the Councillors themselves'. Any code of conduct which fails to take account of the realities of the political representative process will not carry credibility with experienced elected members.*
- 6.2 *However, such lobbying can, unless care and common sense are exercised by all the parties concerned, lead to the impartiality and integrity of a Councillor being called into question. When being lobbied, Councillors, and members of the planning committee in particular; should take care about expressing an opinion which may be taken as indicating that they have already made up their mind on the issue before they have been exposed to all the evidence and arguments. In such situations, they should restrict themselves to giving procedural advice, including suggesting to those who are lobbying, that they should speak or write to the relevant officer, in order that their opinions can be included in the officer's report to the Committee. If they do express an opinion, they should make it clear that they will only be in a position to take a final decision after having heard all the relevant evidence and arguments at Committee.*
- 6.3 *It should be remembered that the reports on North Cornwall and Warwick were both greatly concerned with the issue of lobbying. In both cases, lobbying had caused considerable public mistrust of the Councils.*
- 6.4 *Councillors and members of the planning committee in particular; need to take account of the general public's (and the Ombudsman's) expectation that a planning application will be processed and determined in a transparently open*

and fair manner, in which members taking the decision will take account of all the evidence presented before arriving at a decision, and that to commit themselves one way or the other before hearing all the arguments and evidence makes them vulnerable to an accusation of partiality. It is probably misleading to describe the determination of a planning application strictly as a 'quasi-judicial' process (unlike say, certain licensing functions carried out by the local authority), but it is a formal administrative process involving rules of procedure, rights of appeal and an expectation that people will act reasonably and fairly, with the added possibility that an aggrieved party may seek Judicial Review of the way in which a decision has been arrived at, or complain to the Ombudsmen on grounds of maladministration.

- 6.5 *In reality, of course, members will often form a judgement about an application early on in its passage through the system, whether or not they have been lobbied. The difficulty created by the nature of the planning committee's proceedings as set out in paragraph 20 above is that members of the committee (at least those who are not Councillors for the affected ward - see below) should not openly declare which way they intend to vote in advance of the planning committee meeting, and of hearing the evidence and arguments on both sides.*
- 6.6 *Political reality suggests that it is often important to distinguish between the role of the planning committee member who is, and who is not, a ward member for the area affected by a particular planning application. A planning committee member who does not represent the ward affected is in an easier position to adopt a (formally) impartial stance, however strong his or her feelings about the application may be, and to wait until the Committee meeting before declaring one way or the other.*
- 6.7 *A planning committee member who represents a ward affected by an application is in a difficult position if it is a controversial application around which a lot of lobbying takes place. If the member responds to lobbying by deciding to go public in support of a particular outcome - or even campaigns actively for it - it will be very difficult for that member to argue convincingly, when the committee comes to take its decision, that he/she has carefully weighed the evidence and arguments presented -perhaps in some respect for the first time - at committee. Although not amounting to a pecuniary or non-pecuniary interest [nowadays pecuniary or other significant interest] according to the National Code, the proper course of action for such a member would be to make an open declaration and not to vote. This is, however; a severe restriction on the member's wish/duty even to represent the views of the electorate, and in most cases short of such high profile, active lobbying for a particular outcome, it should be possible for a member to give support to a particular body of opinion whilst waiting until the planning committee and hearing all the evidence presented before making a final decision.*
- 6.8 *It should be evident from the previous paragraphs that it is very difficult to find a form of words which covers every nuance of these situations and which gets the balance right between the duty to be an active ward representative and*

what the (previous) National Code of Local Government Conduct calls the “overriding duty as a Councillor to the whole local community”.

6.9 *It cannot be stressed too strongly that the striking of this balance is, ultimately, the responsibility of the individual member, and that in doing so, regard needs to be paid to the general rules laid down in the (previous) National Code, particularly paragraphs 4 (‘Whilst you may be strongly influenced by the views of others, and of your party in particular; it is your responsibility alone to decide what view to take on any question which Councillors have to decide’) and 6 (‘You should never do anything as a Councillor which you could not justify to the public).*

6.10 *A local code should also address the following more specific issues about lobbying:*

- *Given that the point at which a decision on a planning application is made cannot occur before the planning committee meeting, when all available information is to hand and has been duly considered, any political-group meeting prior to the committee meeting should not be used to decide how Councillors should vote. The view of the Ombudsmen is that the use of political ‘whips’ at group meetings in this way is contrary to the (previous) National Code, amounting to maladministration. (See also paragraph 4 of the National Code, reproduced above.)*
- *With the exception in some circumstances of ward Councillors, whose position has already been covered in the preceding paragraphs, Councillors should in general avoid organising support for or opposition to a planning application, and avoid lobbying other Councillors. Such actions can easily be misunderstood by parties to the application and by the general public.*
- *Councillors should not put pressure on officers for a particular recommendation.*
- *Councillors who are unsure whether an interest should be declared should seek the advice of the council’s monitoring officer; although, as indicated above, the decision rests with the Councillor.*

7. PRE-APPLICATION DISCUSSIONS (PLANNING AND LICENSING)

7.1 Discussions between a potential applicant and the Council, especially on larger and/or more complex development proposals before the submission of a planning application, can be of considerable benefit to both parties. Potential applicants may seek meetings to discuss fairly detailed proposals, or they may wish to explore basic planning requirements before committing to initial design or even before acquiring a site. In some cases, prospective site purchasers may be in competition and the advice they seek will affect their tender price. In all such cases, it is beneficial for the Council to be able to

advise at an early stage on how planning policy would be applied and known local factors taken into account.

- 7.2 Pre-application discussions on planning matters must be handled carefully, particularly because the prospective applicant will often expect them to take place on a confidential basis for commercial reasons. It is also important to avoid any discussions becoming, or even being seen to be, part of a lobbying process that could prejudice proper consideration of a subsequent planning application and any public consultation.
- 7.3 To avoid problems arising, the following guidelines should be followed (and they apply equally to meetings held after an application has been made):
- It must always be made clear at the outset that the discussion will not bind the Council to making a particular decision on a planning application, and that any views expressed by officers or Councillors are personal and provisional. By the very nature of such meetings, not all relevant information will be to hand; neither will formal consultations with interested parties have taken place.
 - Advice must be consistent and based on the statutory development plan and known material considerations. There should be no significant difference of interpretation of planning policies between planning officers. In addition, all officers taking part in such discussions should make clear whether or not they are responsible for making the recommendation to Committee (or have delegated authority to determine applications).
 - A written note should be made of potentially contentious meetings or telephone discussions, and a follow-up letter will normally be sent when documentary material has been left with the Council. If Councillors are present at meetings, at least one officer should also attend.
 - Care must be taken to ensure that advice is impartial. In cases where there is competition between prospective purchasers or design consultants, officers will prepare a note on the application of normal planning policy and other known material considerations to the site. This will be used to ensure consistency of advice.
- 7.4 Any pre-application discussions on licensing matters are normally between officers and either the applicant or interested parties.

8. PREDETERMINATION

Chapter 6, Section 25 of the Localism Act 2011 – prior indications at to view of a matter not to amount to predetermination

- 8.1 The courts have accepted that Members may be politically predisposed on matters of policy or on the grant or refusal of planning permission on a

particular site. This will only become unlawful predetermination if a Member firmly closes his or her mind to all other arguments and representations.

- 8.2 Section 25 of the Localism Act 2011 has clarified the law in this respect. It provides that a Member should not be taken to have had, or appear to have had a closed mind “just because” they have previously done anything that directly or indirectly indicated what view they might take in relation to a particular decision.
- 8.3 Members are not inhibited from fulfilling their political, democratic and representative roles but they must also be careful to take decisions properly and to be seen to do so. Members should be cautious about making statements which may give the impression that they have already decided an issue before a decision has been made. At all times, Members must go into a decision making meeting with an open mind, prepared to listen to argument and to have careful regard to the advice and material contained in the agenda.

9. OFFICER REPORTS TO COMMITTEES

- 9.1 The LGA guidance sets out five points for officers to take into account in preparing reports on planning applications. These reflect good practice, and failure to adhere to them could give rise to maladministration findings or judicial review of a decision.
- Reports should be accurate, and cover, among other things, the substance of relevant objections and the views of people who have been consulted, as recommended by the Ombudsman in their Guidance Note No 2.
 - Relevant points will include a clear exposition of the development plan, site or related history, and any other material consideration.
 - Reports should have a clear written recommendation of action. Oral reporting (except to update a report) should be extremely rare and carefully minuted when it does occur.
 - Reports should contain a technical appraisal which clearly justifies the recommendation.
 - If the report’s recommendation is contrary to the provisions of the development plan, the material considerations which justify this must be clearly stated.

10. PUBLIC SPEAKING AT PLANNING AND DEVELOPMENT CONTROL COMMITTEE

- 10.1 Only the applicant or their agent and people who have commented on the application as part of the planning department consultation process in support or against are permitted to speak at Planning and Development Control Committee in accordance with the Protocol attached to this Guidance Note.

- 10.2 Written petitions made on a planning application are incorporated into the officer report to Planning and Development Control Committee. Petitioners, as members of the public, are welcome to attend meetings, but are not permitted to speak. They can however be represented by their Ward Councillor, who may address the Committee. Deputation requests are not accepted on applications for planning permission.

11. DECISIONS CONTRARY TO OFFICER RECOMMENDATION AND/OR DEVELOPMENT PLAN

- 11.1 Officers' reports on planning applications must make clear when proposals are not in accordance with the statutory development plan. All such applications are advertised in accordance with the requirements of Article 8 of the Town and Country Planning (General Development Procedure) Order 1995. Where officers' reports recommend the grant of planning permission for departure applications, the report will include a full justification for the departure, clearly identifying the circumstances which led to a recommendation to override the statutory development plan. The Committee report will be forwarded to the Secretary of State if the application is one which requires referral under the regulations.
- 11.2 If the Committee makes a planning decision contrary to the officers' recommendation (whether for approval or refusal), their reasons for doing so must be made clear and recorded in the Committee minutes. Officers will be able to assist in formulating technically correct reasons for refusal or additional planning conditions based on Members' clearly expressed wishes. If this is the case, it should either happen during the meeting, or be delegated to planning officers by the Committee. This too should be clearly recorded in the minutes.

12. SITE VISITS

- 12.1 Visits by members of the Planning and Development Control Committee to development sites will not normally take place. If, due to the exceptional circumstances of a particular case, it is wished to organise a site visit, this shall be by resolution of the Chair and will involve the attendance of appropriate planning officers as well. The application or enforcement case in question will then be determined either by a subsequent formal meeting of the Committee, or by officers acting under authority delegated to them by the Council, or by specific resolution of the Planning and Development Control Committee.

13. PARTY GROUP PRACTICES AT LBHF IN RESPECT OF PLANNING MATTERS

- 13.1 The Nolan Committee recognised that Councillors exercise, quite properly, two roles in the planning system. They determine applications, and also act as representatives of public opinion in their areas. Nolan recognised the importance of guidance to enable Councillors to achieve the 'delicate balance' in undertaking these two roles. Very prescriptive requirements on, for

example, pre-application discussions, were not favoured by Nolan, as not necessarily being appropriate to all local authorities. It was felt that authorities should have some room to determine their own ground rules, within a local code.

- 13.2 In respect of ‘lobbying’ of and by Councillors, London Borough of Hammersmith and Fulham is content to work within the guidelines developed by the LGA (see Section 6 above). Some additional local factors in respect of party group consideration of planning issues should, however, be noted by Councillors.
- a) The political parties on the Council may develop general policies towards different types of development within the borough and discuss these within group meetings.
 - b) There will be occasions when specific development proposals or planning applications are discussed within pre-meetings, prior to formal determination at Committee. The Council does not consider such discussions to represent the ‘fettering of discretion’ of Councillors subsequently determining planning applications, provided individual Councillors have regard to all relevant considerations at the time of voting on an application.
 - c) The Ombudsman generally regards a planning decision based on whipping as maladministration.
 - d) It is the view of all parties on the Council that the political conventions and practices operated within the Council reflect a proper balance between the two roles Councillors are expected to undertake, as identified by the Nolan Report.

14. COUNCILLORS AND LICENSING SUB-COMMITTEE HEARINGS

- 14.1 The Council’s Licensing Sub-Committee deals with all licensing applications under the Licensing Act 2003, together with some miscellaneous non-Licensing Act functions, such as street trading.
- 14.2 Where the Licensing Sub-Committee is dealing with an application under the Licensing Act 2003, the Act imposes limitations as to who may appear before the Sub-Committee and make representations to it. (NB: this does not apply to hearings concerning non-Licensing Act functions). In such cases, Councillors do not automatically have a right to attend and make representations by virtue of their office. A member may represent interested parties who have made relevant representations at their request.
- 14.3 However, members whose eligibility to speak arises because they are themselves an interested party will almost certainly have a disclosable interest and will need to consider whether they have a disclosable interest which may prevent them from attending (see below). Members wishing to speak at

Licensing Sub-Committee hearings are advised to obtain advice in advance from the Monitoring Officer or Assistant Director, Legal Services.

15. APPLICATION OF THE COUNCILLORS' CODE OF CONDUCT

- 15.1 A Councillor wishing to attend a Committee meeting will be required to declare a disclosable pecuniary interest and such a Councillor will be precluded from participating in discussion of the matter and may not be present in any capacity when the application is considered by the Committee. In such a case the Councillor may attend the meeting but only for the purpose of making representations, answering questions or giving evidence relating to the matter. They must then leave the room and not participate further in the meeting.
- 15.2 It should be noted that where a Councillor has a disclosable pecuniary interest, they may not be present when it is being discussed by a formal meeting even though this might put them at a disadvantage compared to ordinary members of the public. Councillors may not “act in a personal capacity” so as to avoid the requirements of the Code of Conduct, and this has been confirmed by the Court of Appeal in the case of ***R (Richardson & Others) v North Yorkshire County Council***. Any Councillor considering speaking at a Committee in circumstances where a disclosable pecuniary interest may arise is therefore advised to obtain prior advice from the Monitoring Officer before doing so. It should be noted that while the Council’s Code of Conduct allows a Councillor with a disclosable pecuniary interest to make representations, answer questions and give evidence before leaving the room this only applies if members of the public are also allowed to attend for the same purpose. In other words, this will be of assistance to Members in Licensing matters and in Planning matters. A Member may still make written representations in a private capacity, use a professional representative to act on their behalf or get another Member to represent the views of their constituents.
- 15.3 The facility does exist for Members to obtain dispensations from the Standards Committee where a Committee may become inquorate and in other limited circumstances. Advice on this is available from the Monitoring Officer.

Public Speaking at Planning and Development Control Committee Protocol

Members of the public are welcome to attend the Planning and Development Control Committee meeting.

Who can speak?

Only the applicant or their agent and people who have commented on the application as part of the planning department consultation process in support or against will be permitted to speak at the meeting. They must have been registered to speak before addressing the Committee. Ward Councillors may sometimes wish to speak at meetings even though they are not part of the Committee. They can represent the views of their constituents. The Chair will not normally allow comments to be made by other people attending the meeting or for substitutes to be made at the meeting.

Do I need to register to speak?

All speakers except Ward Councillor must register at least two working days before the meeting. For example, if the Committee is on Wednesday, requests to speak must be made by 4pm on the preceding Friday. Requests received after this time will not be allowed. Registration will be by e-mail only. Requests are to be sent to speakingatplanning@lbhf.gov.uk with your name, address and telephone number and the application you wish to speak to as well as the capacity in which you are attending.

How long is provided for speakers?

Those speaking in support or against an application will be allowed three minutes each. Where more than one person wishes to speak for or against an application, a total of five minutes will be allocated to those speaking for and those speaking against. The speakers will need to decide whether to appoint a spokesperson or split the time between them. The Chair will say when the speaking time is almost finished to allow time to round up. The speakers cannot question councillors, officers or other speakers and must limit their comments to planning related issues.

At the Meeting - please arrive 15 minutes before the meeting starts and make yourself known to the Committee Co-ordinator who will explain the procedure.

What materials can be presented to committee?

To enable speakers to best use the time allocated to them in presenting the key issues they want the committee to consider, no new materials or letters or computer presentations will be permitted to be presented to the committee.

What happens to my petition or deputation?

Written petitions made on a planning application are incorporated into the officer report to the Committee. Petitioners, as members of the public, are welcome to attend meetings but are not permitted to speak unless registered as a supporter or objector to an application. Deputation requests are not accepted on applications for planning permission.

Planning Committee – Disclosure of Confidential Information Protocol

1. Introduction

- 1.1 This Protocol sets out further guidance in respect of requests by Committee members for information relevant to planning matters submitted in confidence by third parties. It should be read in conjunction with the Local Protocol For Councillors On Access To Information in the Council's Constitution. This Protocol deals with information which is exempt from disclosure under the provisions of the Freedom of Information Act 2000, the Environmental Information Regulations 2004 and the Local Government Act 1972.

2. The Issue

- 2.1 Financial viability is a material planning consideration in terms of the likelihood of the proposed development being carried into effect. This can be a very important issue when assessing the acceptability or otherwise of a development proposal, particularly where the proposal may not accord with the targets set by planning policy. The government encourages local planning authorities not to impose requirements on developers which render proposals non-viable unless serious harm would arise. It is frequently the case, that a judgement has to be made regarding the viability of a development proposal and the impact on viability of any changes or obligations which the Council wishes to impose. Issues which typically arise and have most impact on viability include the quantum and density of development, the tenure mix of residential schemes and the scale of any planning obligations to be incorporated within a proposed s106 Planning Agreement.
- 2.2 Furthermore, financial viability is a consideration within the statutory development plan in relation to the provision of affordable housing. It is referred to in both London Plan policy 3.12 and Core Strategy policy H2. Relevant policies are also contained in the draft Local Plan (HO3).
- 2.3 In order for the Council as planning authority to properly determine the effect of planning requirements on development viability, the assessment and negotiation of planning applications frequently involves the consideration of financial and commercial appraisals prepared by developers. The Council's Viability Protocol which it is intended in due course will become part of the Local Plan provides that, where consideration of the financial viability of a development is relevant the applicant must submit an "open book" financial viability assessment (FVA). The local validation list also provides that an FVA must be submitted at the time the planning application is made. The FVA will be publicly accessible along with all the supporting planning application documents. In exceptional circumstances at the request of the applicant, specific elements of the FVA may be treated as confidential and not be made public but only where the applicant has demonstrated that disclosure would cause harm to public interest to such an extent that the harm outweighs the benefits of disclosure.

- 2.4 In such cases where the Council has accepted that information can be provided by an applicant to the Council on a confidential basis the Council is under a duty to not to disclose that information to anyone else unless allowed or required to do so by law. Should the Council breach this duty it may be liable in damages for any loss caused. A member or officer who breaches confidentiality may also find themselves pursued personally by the person to whom the duty is owed in addition to any disciplinary proceedings which may be brought by the Council. It is therefore essential that all such information is carefully protected and where it is lawfully disclosed e.g. to Members, that such disclosure can be justified and that appropriate measures are taken to ensure the Council complies with its obligations. This Protocol applies to such confidential information.

3. The Principles

- 3.1 The legal principles to be applied in relation to a Member's right to access information held by the Council are established in the leading House of Lords case of Birmingham City Council v. O [1983] and can be summarised as follows.
- a) A Member does not have a roving commission to have access to any and every document in the Council's possession.
 - b) Where a Member can establish a "need to know" to carry out their functions as a member then they will have extensive rights to access information, including confidential information.
 - c) It is for the Council (though delegation if it wishes) to decide in any given case whether a "need to know" arises subject to the usual Wednesday principles.
- 3.2 It should be noted that:
- a) A Member's motive and the use to which they intend to put the information are highly relevant to establishing a "need to know". An improper motive may vitiate a request.
 - b) Each request must be decided on its merits and on the basis of a properly made request.
 - c) In cases where the matter is not clear cut the final decision rests with the Council and the Courts will only interfere with such a decision where it can be shown to be irrational.
 - d) The Council has a duty to balance the rights of its Members with the rights of third parties who have submitted information in confidence.
 - e) The right to have access to information does not necessarily confer a right to a copy of the information in permanent form.
 - f) Under the Council's Constitution decisions as to whether a "need to know" is established are delegated to the relevant Chief Officer.

4. Financial & Commercial Information & Committee Reports

- 4.1 As with all Council decision makers, the Committee is under a duty when making decisions to take into account all relevant matters. It follows that sufficient information must be contained in officers' reports to permit intelligent consideration of all relevant matters. However, public administration would be impossible if Members were required to consider each and every relevant document in full and it is well established that Members may rely on officers to summarise and filter information and to present it in a digestible and readily understandable form.
- 4.2 For example, in the case of *English v. East Staffordshire Borough Council* [2010] it was held that it was perfectly proper for the committee to take a decision where the "gist" of the information but not the detail was provided in the report and had been subject to independent scrutiny. The committee had not requested the detailed information and had considered the contents of the report sufficient to enable them to properly consider the application.
- 4.3 The planning officers' report to committee must, where relevant to an application under consideration, make explicit how financial viability has been considered in the assessment of the application and the formulation of the officers' recommendations. In some cases, reliance will have been placed on assessment of viability data by in-house specialist property staff. In other cases external professional advice will have been sought from a valuation / accountancy company instructed by the Council and independent from the developer. As well as the original financial appraisal material submitted by the developer, there may be a written assessment provided by the professional valuation / accountancy advisors drawing conclusions from their independent review of the material provided by the developer. The officers' report should summarise the gist of such material and independent advice without disclosing any commercially confidential exempt data.

5. Requests for Confidential Information

- 5.1 Requests by Members for confidential information relating to planning matters should always follow the requirements of the Constitution which provides as follows:

"1.1 All requests for documentation from Councillors should be routed through the Director, or where the Director is not available and the request is urgent, then it should be made to an Assistant or Deputy Director, or Head of Service as appropriate. It would be for the Councillor to explain why their particular request needed an urgent response.

1.2 Councillors are requested to:

- Be as specific as possible about the documentation that they wish to see;*
- Normally make the request in writing;*
- State the reason for wanting the information, and the purpose to which it will be put."*

- 5.2 In addition, requests in relation to confidential planning information must always be made in writing and provide full reasons in order that they may be relied upon in any subsequent litigation.
- 5.3 Where a Member considers that they require the information in relation to an upcoming committee meeting and they consider the treatment of the matter in the published officers' committee report to be inadequate then they shall provide full reasons for this belief in good time before the meeting, by writing to or e-mailing the Director and they should copy the request to the Chair who may at his discretion consult with other committee members. In such circumstances the Director shall consult with the Chair before reaching a decision. The Director shall provide reasons in writing for his decision.
- 5.4 Where the Director concludes that the information should be disclosed they may impose such conditions as they consider reasonable in the circumstances to protect the Council including requiring the Member to sign a confidentiality agreement undertaking not to share or disclose any of the information to any other person and allowing inspection of documents only rather than the provision of permanent copies.
- 5.5 It follows that if a Member has been granted access to commercially sensitive financial information provided to the Council in confidence, no reference to it can be made in public. The *nature* of the appraisal and the conclusions of any independent assessment or review of it can be discussed at the planning committee, but there must be no discussion or disclosure of any of the commercially sensitive material or data contained within it in open session.

Guidance on Gifts and Hospitality

1. The previous National Code of Local Government Conduct set out the position in respect of gifts and hospitality in paragraphs 27-29 as follows:

“You (Councillors) should treat with extreme caution any offer or gift, favour or hospitality that is made to you personally. The person or organisation making the offer may be doing, or seeking to do, business with the council, or may be applying to the council for planning permission or some other kind of decision.

There are no hard and fast rules about the acceptance or refusal of hospitality or tokens of goodwill. For example, working lunches may be a proper way of doing business, provided that they are approved by the local authority and that no extravagance is involved. Likewise it may be reasonable for a member to represent the council at a social function or event organised by outside persons or bodies.

You are personally responsible for all decisions connected with the acceptance or offer of gifts or hospitality and for avoiding the risk of damage to public confidence in local government. The offer or receipt of gifts or invitations should always be reported to the appropriate senior officer of the council”.

2. This advice still holds true in respect of the relevant paragraph of the Council’s Members’ Code of Conduct, to which regard must be paid. This states that Councillors must, **within 28 days** of receiving any gift or hospitality with an estimated value of at least **£50**, provide written notification to the authority’s Monitoring Officer of the existence or nature of the gift or hospitality, which is classed as a personal interest (see paragraph 6 of the Members’ Code of Conduct).
3. As with employees, Councillors should only accept offers of hospitality if there is a genuine need to impart information or represent the local authority or community. Offers to attend purely social or sporting functions should only be accepted when these are part of the life of the community or where the authority should be seen to be represented. Some Councillors represent outside or London-wide organisations (e.g. Western Riverside Waste Authority) and may be offered gifts or hospitality in that capacity. Councillors should not accept significant personal gifts from contractors or suppliers, although insignificant gifts or tokens such as pens, diaries etc. up to a value of £50 are acceptable. Modest gifts over this level from constituents, which are tokens of thanks or appreciation, are acceptable so long as:
 - (a) they are unsolicited, and
 - (b) the Councillor did nothing unlawful or out of the ordinary.
4. When receiving hospitality, Councillors should be sensitive to the timing of decisions for letting of contracts or other matters (e.g. planning applications) in

which the provider is involved.

5. There can be no hard and fast rules in respect of hospitality. However, given the numerous events to which Councillors may be invited, the following advice is offered, although the responsibility both for accepting and declaring hospitality remains with individual Councillors. In each of the criteria listed, it is assumed that there is a valid link with the Council and the Councillor. The following are generally considered to be acceptable, but should be registered through the declaration form:
 - sit down meals
 - any hospitality involving alcohol (even if the individual does not partake)
 - substantial buffets

Generally speaking the following are considered to be *de minimis* and need not be registered:

- tea and biscuits
- sandwiches
- minimal buffets

Having said that, it is conceivable that even normally *de minimis* hospitality could become significant and therefore registerable if it coincides with a decision affecting the giving body.

6. Acceptance of hospitality whilst in attendance at relevant conferences is acceptable where it is clear the hospitality is corporate rather than personal.
7. There is a register of all declared gifts and hospitality. This register is in the form of a database similar to the one used for the declarations of interest by Councillors at meetings, and like that system, would be on the basis of forms submitted by Councillors. Councillors are advised that any gift or hospitality should be recorded on this register. The register is kept by the Monitoring Officer but is available for inspection by any member of the public. It has been registered under the Data Protection Act. In the case of hospitality or gifts received as a representative of an outside body, Councillors should declare that gift/hospitality to both this authority and to that organisation.
8. In addition to recording all gifts and hospitality accepted, Members are encouraged to report all offers of gifts and hospitality declined. This is to encourage transparency and maintain public confidence in the system.
9. Gifts and donations to the Mayor received in the performance of Mayoral duties, including charity fundraising, are excluded from this process as they are covered by other audit controls.

Guidance for Members and Officers on the Requirement to Declare Related Party Transactions

1. INTRODUCTION

The requirement for Members and Chief Officers to declare Related Party Transactions has been considered by the Accounting Standards Board as fundamental to the presentation of the Council's published accounts. It has been introduced nationally in the belief that the truth and fairness of the accounts can only be readily understood if the reader has knowledge of the related parties to the organisation concerned.

- 1.2 In addition, organisations should be open and disclose transactions with such related parties to ensure that stakeholders are aware when related party transactions are taking place and the values of such transactions. Advice issued by the Audit Commission to external auditors requires the completion of a signed declaration on an annual basis.

2. WHAT IS A "RELATED PARTY"?

- 2.1 The principal issue in determining whether or not a related party status exists is the degree of control exerted by one party over the other. This can arise during a financial period where:

- one party has direct or indirect control of the other party;
- one party has influence over the financial and operational policies of the other party; or
- the parties are subject to common control or influence from the same source.

- 2.2 It should be noted that the disclosure requirement relates to transactions, not to the existence of a related party interest.

- 2.3 Put simply, the objective is to identify any transactions which may have taken place as a result of the control or influence exercised by one party over another. The concern is that such transactions may not be, or may not be perceived to be, in the best interests of the Council.

3. WHO ARE THE RELATED PARTIES OF A LOCAL AUTHORITY?

- 3.1 The Accounting Code of Practice for Local Authorities issued by the CIPEA sets out the regulations to be followed in preparing Local Authority final accounts for 1998/99. It identifies the main related parties for a local authority. Of particular relevance to these guidance notes is the inclusion of Members and chief officers of the Council. Other related parties include:

- Central Government;
- Local Authorities and other bodies either precepting or levying demands on the council tax;
- Any subsidiary and associated companies;
- Any joint ventures and joint venture parties;

- The pension fund.

4. ARE FAMILY, HOUSEHOLD AND BUSINESS INTERESTS AFFECTED?

- 4.1 Yes. When considering who is a related party, regard is also taken of transactions involving members of the close family or same household of any individual listed. In addition, if any individuals are associated with partnerships, companies, trusts or any entities in which they or a member or their close family or the same household, have a major interest, transactions with that organisation should also be disclosed.

5. EXAMPLES OF QUALIFYING INTERESTS

- You own a company or have a major shareholding in a company which contracts with the Council.
- A close relative or a member of your household owns a company or has a major shareholding in a company which contracts with the Council.
- You hold a position of influence within a voluntary organisation that receives grants from or provides services to the Council.
- You (or a close relative, or a member of your household) are in receipt of income from an organisation that relies upon the Council for funding, e.g. a voluntary group.
- No specific limit has been given for what constitutes a major shareholding, but, as a broad guideline, more than 20% of the total should be taken as coming within the scope of these requirements.

6. EXAMPLES OF RELEVANT TRANSACTIONS

- Payments under contract for the purchase or sale of assets, e.g. land transactions or equipment supplied to the Council.
- Payments under contract for the supply of services to the Council, e.g. printing or building contracts or the management of Council services.
- Payments or loans to chief officers of an exceptional nature not covered by normal contracts of employment.

The requirement also extends to non-financial transactions, of which some examples are:

- The provision of a guarantee in relation to a liability or obligation of a related party, e.g. a loan guarantee to a sports club in which a member or chief officer holds a position of influence.
- The reduction or waiving of a charge for services, e.g. free use of facilities for particular individuals or groups.

7. ARE THERE ANY EXCEPTIONS?

- 7.1 Yes. Where transactions are common to all individuals, they need not be declared. For example, there is no need to declare payments of Council tax, rent or Housing Benefit, which are transactions that would occur whether or not the individual was a related party to the authority.

- 7.2 This principle can be applied to cover any payment or benefit which arises under circumstances for which there is a statutory scheme or for which the Council has established eligibility criteria, e.g.:
- housing renovation grants;
 - mandatory or discretionary student awards;
 - planning consents;
 - provision of care services;
 - season ticket or car loans.

8. IS WHAT I DECLARE LIKELY TO BE DISCLOSED IN THE COUNCIL'S ACCOUNTS?

- 8.1 It can generally be assumed that it will. However, disclosure will not be required in the accounts when the dealings between the Council and related party are not considered to be material. The Strategic Director of Finance has to assess materiality in relation to the authority, and also in relation to the related party. Consequently, a figure which may not be material to the Council's balance sheet would still be disclosed if it was material to the finances of the individual concerned. It has been suggested that transactions above £5,000 be considered material for the purposes of this disclosure.
- 8.2 If any disclosure becomes likely, a draft of the proposed disclosure note will be provided to the individual for comments prior to publication.

9. HOW DO I MAKE MY DECLARATION?

- 9.1 Each year you will be asked to sign a form of declaration. This will be kept securely and confidentially by the Strategic Director of Finance. If you have any related party transactions to disclose, the form asks for brief details of the transaction and the sums involved. The form should be returned to the Strategic Director of Finance.

Guidance for Councillors and Officers Involved in Outside Organisations

1. INTRODUCTION

- 1.1 Councillors are often appointed or nominated by the authority to represent it on the management committees of outside bodies, or will be involved in such bodies in their own personal capacity either as ordinary members or as members of the management committee board of trustees, executive committee etc.
- 1.2 The authority generally encourages Councillors and officers to be active citizens and to participate in the wider community in this manner. Not only does it enable the authority to participate in partner organisations, but it also means that Councillors and officers bring back to the authority additional knowledge and experience which are of value to the authority. However, if Councillors or officers are to take on such additional roles, it is important that they appreciate the responsibilities which they are taking on, understand how these responsibilities interact with their existing responsibilities to the authority, and recognise and deal with any conflicts of interest which may arise.

If you are appointed or nominated by the Council it is vital that you read this guide and bear it in mind when carrying out your duties.

General Responsibilities and Liabilities of Members of Managing Bodies

- 1.3 Any member of a managing body has a responsibility to take the task seriously, attend meetings and carry out work for the organisation. Some organisations have rules about attendance (e.g. missing a number of consecutive meetings may lead to loss of the place on the committee). In view of the very considerable demands on Councillors' time and energy, it is prudent to check what is expected before accepting a place and to be clear what commitment can be made right from the start so that the organisation does not have unrealistic expectations.
- 1.4 In participating in outside bodies, Councillors and officers act both as individuals and, in some instances, as representatives of the authority. This entails:
- (a) **Positively**
- acting according to the rules, constitution and framework set by the outside body;
 - making independent and personal judgments in line with the duty of care to the outside body;
 - possibly reporting back to the authority, where they have been appointed by the authority;
 - behaving ethically and following as far as applicable the authority's

local Code of Conduct for Members or the National Code of Conduct for Officers;

- taking an active and informed role in the management of the outside body's affairs.

(b) **Negatively**

- Unless appointed specifically to represent the authority, it does not entail following instructions from the authority;
- It does not entail following instructions from a political party to which the Councillor may owe their political loyalty;
- It does not entail avoiding taking part in the outside body's discussions and decisions;
- It does not entail looking at things simply from the Council's perspective;
- It does not entail being there in name only and merely turning up to meetings.

1.5 The role of Councillors or officers on outside bodies may give rise to occasional conflicts of interest. If any matter relating to the outside body comes up in the course of the Councillor's work as a Councillor, or in the officer's work for the authority, it is likely that the Councillor or officer will have a significant interest which they will have to disclose. Where the conflict is such that it might be considered likely to affect the way that the Councillor would vote or act as a Councillor, they may have not only to disclose the outside interest but to take no part in the consideration of the matter.

1.6 In a very few and extreme cases, if there is a major dispute between the Council and the outside body, the Councillor or officer could be placed in an untenable situation. It is possible that the Councillor or officer may find they are unable adequately to carry out their responsibilities properly, both as a Councillor or officer and as a member or director of the outside body. But such circumstances would be rare and should not deter Councillors or officers generally from being prepared to participate in the management and running of outside organisations.

1.7 Because there is always a potential for conflict between the interests of the authority and the outside body, Councillors and officers who are thinking of taking on such an outside interest should consider how that interest will affect their ability to continue to act as a Councillor or as an officer. Councillors and officers are asked to read the guide and if there are issues arising from their particular situation at any time, to contact the Monitoring Officer for advice.

1.8 This advice is for Councillors and officers who represent the Council on organisations outside the Council, for example as a company director, the trustee of a charity or a member on a management committee. It sets out some of the most important responsibilities. It is not meant to be a comprehensive guide. If Councillors or officers have specific queries, the Monitoring Officer would be happy to advise you.

2. GENERAL ADVICE

- 2.1 Local authorities are often asked to nominate Councillors and officers to take part in outside bodies. The range of such external activities is very wide.
- 2.2 If you are asked to allow the authority to put your name forward, you should ask the authority for a clear statement of what will be expected of you. Any organisation which asks the authority for such a nomination should be able to provide this information. If it is unable to provide such information, you should ask whether you want to be a member of such an organisation.
- 2.3 You will probably be agreeing to be a member of that outside body because it is active in an area which is of particular interest to you. But you should be aware that the rules on such outside interests may limit your ability to continue to take an active part in this topic within the authority. You may have to disclose membership of the outside body in your dealings with the authority. Where any conflict of interest arises between the outside body and the authority, it is likely that you will have to withdraw from any consideration by the authority of any matter affecting the outside body, unless the outside body is another public authority, or you are appointed strictly as the representative of the authority. This aspect is dealt with in more detail below.
- 2.4 As a member of an outside body, you will be expected to participate fully in that organisation. If your other commitments mean that you will regularly have to miss meetings of the organisation, or that you have to withdraw from meetings because of conflicts of interest, you will be doing that organisation no favours, and this may reflect badly on the authority which put your name forward. If you neglect your responsibilities to that outside body it is even possible that you will incur a personal liability. Therefore do not allow your name to be put forward unless you are satisfied that you can participate fully in that organisation.
- 2.5 In almost all circumstances you will owe a duty to act in the best interests of that body. You will have to exercise your own best judgement and you cannot just take instructions from the authority. It is permissible to take account of the authority's wishes, but in any conflict, you must act in the best interests of the outside body. The Council recognises this in appointing or nominating you.
- 2.6 Your responsibilities as a member of an outside body depend on the legal form of that body. The principal forms are statutory corporations, Companies, unincorporated Associations and Charities. It is vital that you understand the nature of the body, your duties to it and potential liabilities, further guidance is found in Appendix 3 – Responsibilities and Liabilities of Companies and Charities.

3. REQUIREMENTS OF THE MEMBERS' CODE OF CONDUCT

- 3.1 Under the provisions of the Localism Act 2011, the Council has adopted a Members' Code of Conduct. Each member of the authority, elected or co-

opted, is required to sign an undertaking to observe the provisions of the Members' Code of Conduct.

- 3.2 The requirements of the Members' Code of Conduct can be summarised as:
- a. a requirement to comply with the "Nolan" principles of standards in public life;
 - b. a requirement to notify the authority's Monitoring Officer of any disclosable pecuniary interests which information will then be included in a public register of interests;
 - c. a requirement that a Member may not participate in a meeting or vote or remain in the room during discussion when they have a disclosable pecuniary interest in a matter being considered.
 - d. a requirement that a Member disclose significant interests (which may include membership of outside bodies) when present at a meeting and, if the interest may give rise to a perception of a conflict of interests in a matter under discussion, to consider whether to withdraw from the meeting.

General Rules of Conduct

- 3.3 The Council's Members' Code of Conduct sets out some general rules of conduct which must be observed by Members. The most important rules, in the context of outside interests are as follows:
- "Not allowing other pressures, including the financial interests of myself or others connected to me, to deter me from pursuing constituents' casework, the interests of the London Borough of Hammersmith and Fulham area or the good governance of the authority in a proper manner.
 - Exercising independent judgement and not compromising my position by placing myself under obligations to outside individuals or organisations who might seek to influence the way I perform my duties as a member/co-opted member of this authority.
 - Contributing to making this authority's decision-making processes as open and transparent as possible to enable residents to understand the reasoning behind those decisions and to be informed when holding me and other members to account, but restricting access to information when the wider public interest or the law requires it.
 - Behaving in accordance with all our legal obligations, alongside any requirements contained within this authority's policies, protocols and procedures, including on the use of the Authority's resources."

4. REGISTRATION AND DISCLOSURE OF OUTSIDE INTERESTS FOR OFFICERS

Declaration of Interests

- 4.1 Section 117(1) of the Local Government Act 1972 requires that, if it comes to the knowledge of any officer of a local authority, that the authority has entered or proposes to enter into any contract in which they have a pecuniary interest, whether or not they would actually be a party to the contract, they must give notice in writing to the authority. There is a difficulty with this provision as the definition of a pecuniary interest has now been repealed, but it must be taken as any circumstance in which they or a member of their immediate family stand to gain or lose financially as a result of the contract.

Registration of Interests

- 4.2 Most local authorities require officers to declare any interests which they have, both upon appointment and as those interests change, and enter those declarations in a register which is not available to the public but is accessible by other officers who have a "need to know".

5. GIFTS AND HOSPITALITY

- 5.1 Members and officers must never accept any gift or consideration as an inducement for doing or forbearing to do anything in their roles as members or officers of the authority. Indeed, where officers accept any such gift or consideration from anyone who has or is seeking a contract with the authority, the gift or consideration is deemed to have been accepted corruptly unless the officer can prove to the contrary. It is therefore very important to be completely open about any significant gift or hospitality, to avoid the suspicion of misconduct.
- 5.2 Members are required by the Council's Members' Code of Conduct to notify the Monitoring Officer of receipt of any gift or hospitality with a value of more than £50, whatever the motivation for such a gift.
- 5.3 A particular issue arises for officers seconded to work on behalf of outside bodies, as Section 117(2) of the Local Government Act 1972 provides that an officer shall not, under colour of his office or employment, accept any fee or reward whatsoever other than their proper remuneration. It is therefore essential that, where an officer is to be seconded and might be in receipt of any remuneration, bonus or allowances from the authority to which they are to be seconded, that the seconding authority agree that their proper remuneration shall henceforth include any remuneration, bonus or allowances paid to the officer by the body to which they are seconded.

Appendix 1 – Responsibilities of Management Committees or Other Governing Bodies

Main responsibilities of the committee

The main responsibilities of the management committee or other governing body are:

- to maintain a long term overview of the organisation and all its work;
- to make strategic and major decisions about the organisation's objectives, policies and procedures;
- to ensure the needs and interests of relevant people and bodies are taken into account when making decisions;
- to ensure adequate resources (especially people and money) to carry out the organisation's activities;
- to monitor progress towards objectives, and other work;
- to take legal responsibility for the organisation and all its actions (or inaction). If the organisation gets into legal or financial trouble, members of the management committee or other governing body can in many cases be held personally liable.

Legal responsibilities

The legal responsibilities of the management committee or other governing body can be divided into 10 main areas.

Constitutional objects and powers

The management committee or other governing body is responsible for ensuring the organisation carries out its objects (aims or purposes) and operates within its powers according to the constitution, so committee members must know what the objects and powers are and understand what they mean. A good committee will always consult users, managers, staff and volunteers before making major decisions.

If an organisation with charitable status operates outside its objects or powers, the Charity Commission can require the charity trustees personally to pay back to the charity any money used for these activities.

Procedures and Accountability

The management committee or other governing body is responsible for ensuring the organisation carries out its business according to its constitution and good practice. Part of the constitution relates to why the organisation exists and the type of activities it is supposed to carry out; a constitution also defines how the organisation is supposed to conduct its business. It is the committee's responsibility to ensure these rules are followed. Specific responsibilities include:

- serving as a well-informed, interested, supportive committee;

- maintaining democratic procedures and accountability;
- holding meetings regularly, and ensuring members have the information needed to make decisions;
- calling the annual general meeting and ensuring elections and other essential items are dealt with as required,
- ensuring adequate communication between the committee, subgroups, managers, staff, volunteers, and the organisation's users, members, clients, residents or other people served by the organisation.

Legal obligations and undertakings

Statutory obligations exist in law and must be met: for example having to register under the Data Protection Act if the organisation keeps information about recognisable living individuals on computer, or having to give contracts of employment to staff who normally work eight or more hours per week. It is the responsibility of the management committee or other governing body to ensure the organisation meets these obligations.

Legal undertakings are legally binding commitments which the organisation chooses to enter into: for example renting premises, hiring staff, leasing a photocopier or entering into a contract to provide services. It is the responsibility of the committee or other governing body to ensure the organisation can and does meet the terms of any such undertaking.

If the organisation is incorporated as a company limited by guarantee or is registered as an industrial and provident society (IPS) it can enter into legal undertakings in its own name. If it is not a company or an IPS it cannot enter into a legally binding agreement in its own name, so this will have to be done by individuals, usually the organisation's elected officers, acting on behalf of the organisation. Anyone who signs a legal document must be authorised to do so, by a proper decision made by the committee, and must clearly indicate they are signing on behalf of the organisation.

To protect themselves as well as the organisation, members of the management committee or other governing body should be satisfied the organisation is meeting its legal obligations with respect to:

- contracts of employment and employment legislation;
- equal opportunities legislation (Race Relations Act, Sex Discrimination Act, Disabled Persons Acts);
- lease, licence or tenancy agreements;
- Health and Safety at Work Act, Offices, Shops and Railways Premises Act and other health and safety legislation;
- insurance requirements,
- financial record-keeping and information, income tax, national insurance, other taxes, VAT;
- bank accounts, loans, overdrafts;

- fund-raising and grants;
- work done by the organisation under a service agreement or contract;
- the Data Protection Act.

Financial responsibility and accountability

The management committee or other governing body is responsible for ensuring the organisation has enough money to carry out its work, meets its financial obligations when they are due, accounts for all its financial dealings and does not get into financial trouble. This includes not only the payment of bills but also ensuring proper records are kept and the organisation's money is spent in the correct way. This means the management committee or other governing body has ultimate responsibility for:

- wages, tax, national insurance, statutory sick pay and maternity pay, pensions, redundancy pay, and any other pay or benefits due to workers under legislation or the terms of their contracts;
- mortgages, rent, rates;
- insurances; -
- all other bills; -
- ensuring the organisation will have enough money to meet any financial obligations when they come due;
- ensuring all grants or other funds received for specific purposes are spent as specified;
- ensuring the organisation is being paid enough for any services it is providing under a service agreement or contract;
- ensuring the organisation's funds are wisely invested;
- ensuring the organisation keeps accurate and comprehensible financial records, accessible to management committee members and authorised members of staff;
- receiving regular financial reports in a form which committee members can understand;
- ensuring annual accounts are drawn up and audited in accordance with the constitution and, where relevant, funders' requirements and/or legislation. (For details of financial liability see Appendix 2).

Employment and Volunteers

In most voluntary organisations the management committee or other governing body is legally the employer, with responsibility for hiring, supporting and if necessary firing staff.

Even if some aspects of employment are delegated to staff or a personnel subcommittee, the committee as a whole is responsible for ensuring the organisation has appropriate procedures to draw up and regularly update job descriptions; ensure

adequate funding to pay staff; advertise appropriately, shortlist, interview and select staff; issue and abide by contracts of employment; ensure there is appropriate induction, training, supervision, support, and ideally regular reviews; assessment procedure for staff; deal with complaints and grievances; undertake disciplinary and redundancy proceedings.

If some or all of the organisation's work is carried out by volunteers the committee has legal responsibility for them and their work. The committee should ensure they are adequately inducted and supported and there are appropriate disciplinary and grievance procedures.

If a staff member or volunteer acts negligently, for example by giving incorrect advice to a client or not looking after a child properly in a community nursery, members of the governing body could be found negligent if the organisation does not have and enforce proper procedures for recruiting and training staff, setting standards, monitoring work and maintaining a safe environment.

Equal Opportunities

It is the responsibility of the management committee or other governing body to ensure the organisation complies with equal opportunities legislation (Race Relations Act, Sex Discrimination Acts, Equal Pay Act, Disability Discrimination Acts). But good practice goes far beyond the legislation. If the organisation is concerned about equal opportunities (and the Council believes that all voluntary organisations should be) it is the committee's responsibility to ensure the organisation has a clear statement of intent on equal opportunities and a workable code of practice setting out how it will make its statement a reality, and to ensure the code of practice is implemented and monitored.

Premises and equipment

A management committee or other governing body generally has overall responsibility for the use, safety and security of premises used by the organisation and must ensure they are properly and legally managed and used. This includes:

- making decisions about major change of premises use. Day to day decisions about use (for example bookings) might be delegated to staff or volunteers but are still the ultimate responsibility of the committee;
- ensuring adequate finance and insurance;
- setting conditions for bookings, hire of premises, licences and similar requirements;
- developing and implementing a health and safety policy covering all aspects of the organisation's work;
- ensuring the organisation meets public health and fire regulations and precautions;
- ensuring adequate security for premises, equipment and people;
- approving alterations, repairs and renovations;
- ensuring planning and building regulations are met.

Insurance

The management committee or other governing body is responsible for ensuring all insurances are taken out and paid. Some insurances are compulsory:

- employer's liability insurance must be held by any organisation with paid staff, and the certificate of insurance must be prominently displayed at the organisation's office; - public liability insurance covers injury, loss or damage caused to any person (including volunteers and management committee members) as a result of the organisation's negligence;
- if an organisation has vehicles it must have third party insurance, which covers injury or death caused to other people;
- buildings insurance and/or plate glass windows insurance are not required by law but might be required by the terms of a lease or mortgage.

Other insurances are discretionary but organisations funded by London Borough of Hammersmith and Fulham are required to have contents insurance.

Legal status

The management committee or other governing body must ensure the organisation meets its legal obligations if it is a company limited by guarantee, an industrial and provident society, a friendly society and/or a registered charity. Any organisation registered under the Companies Acts, the Friendly Societies Act or the Industrial and Provident Societies Act must meet the requirements of the relevant Act.

Organisations which fail to do so can face heavy fines, as can individual members of the management committee or other governing body. Responsibilities include:

- preparing annual accounts and balance sheets, having them audited and submitting them to the Registrar of Companies or Registrar of Friendly Societies;
- holding the annual general meeting as required by the constitution, electing directors (management committee) and submitting annual returns to the Registrar;
- notifying all changes of director to the Registrar.

In charities the charity trustees (usually the same as the management committee, but not necessarily) have responsibility for:

- preparing annual accounts, having them audited as required and submitting them to the Charity Commission and Inland Revenue;
- filing an annual report and annual return, as specified in regulations under the Charities Act 1993, with the Charity Commission; - ensuring all the organisation's activities fall within the charity's objects and are charitable as defined by law - indicating on all the charity's documents, invoices, cheques and publications that it is a registered charity.

Everything else

Finally, the management committee or other governing body is responsible for any other legal or moral responsibilities which might apply. This could include, for example:

- conditions imposed by funders.
- legislation applicable to certain types of work, such as housing associations, work with children or people considered vulnerable, work with dangerous machinery or equipment, food handling, lotteries or public events.

Appendix 2 – Liabilities of Organisations and Members

Liabilities

Members of the management committee or other governing body are generally legally responsible for what the organisation does only if they have the right to vote on the committee. So co-opted members or representatives of other bodies without voting rights would not usually have any liability for what the organisation does. If an individual who represents another body has voting rights on the committee any legal liability rests with the individual, not the organisation which they are representing.

The legal liability of members of the management committee or other governing body is determined by the legal status of the organisation. This depends on whether the organisation is unincorporated or incorporated.

Unincorporated organisations

An unincorporated organisation does not have a legal identity of its own. In law, it is simply a collection of individuals.

Unincorporated organisations cannot officially enter into contracts or other legal agreements in their own name. If they want to rent property, employ people, borrow money or take legal action, this has to be done (or will legally be assumed to have been done) by individuals acting on behalf of the organisation. If they want to own property, the property will be legally held by individuals (holding trustees) on behalf of the organisation.

Some unincorporated organisations are registered as friendly societies or trusts, but most are unregistered associations. An unregistered association is not accountable to anyone except its own members and funders.

If an unincorporated organisation gets into debt or has other legal problems, the people who have responsibility for the organisation (the management committee, if there is one, or all the members) can be held personally responsible for the difficulties. They have legal liability for whatever mess the organisation gets itself into.

Ways to limit individual liability

There are several ways to reduce the risk to individual members of the management committee or other governing body.

- Members of the governing body must always act sensibly and responsibly in making decisions about the organisation. This means getting proper information from staff or professional advisers, discussing issues fully, and not taking on obligations they know the organisation might not be able to fulfill.
- Individuals who sign legal or financial undertakings should make it clear, in writing, they are signing on behalf of the organisation rather than as individuals. If possible, they should indicate that their liability 'is limited to the extent of the assets of the organisations'.

- If an individual committee member thinks a decision is irresponsible, they can be publicly disassociated from it. If this disassociation is properly minuted, the individual may not be held responsible for any liability arising from the decision.
- The organisation should have all legally required insurances and sufficient other insurance to cover possible claims.
- It is possible to get insurance to indemnify (repay) committee members for any personal liability they incur on behalf of the organisation.
- If the organisation hires several staff, owns premises, or has other long term financial commitments, it should consider incorporation.

Incorporated organisations

An incorporated organisation has an existence of its own, as a legal body separate from its individual members. The organisation can, in its own name, rent or buy property, hire workers, borrow money or take legal action. This is sometimes referred to as having legal personality.

- In a company limited by shares members (shareholders) invest money in the company in order to make a profit. This structure is not appropriate for voluntary organisations but is sometimes used for trading subsidiaries.
- An industrial and provident society (IPS) is a genuine co-operative, or a business or industry 'acting for the benefit of the community'. A community business, housing association or voluntary organisation involved in producing and selling goods or other training activities can become an IPS.
- A company limited by guarantee is an appropriate structure for a voluntary group which exists for a social or political reason and puts any profits back into the group. Most voluntary or community groups which incorporate become companies limited by guarantee.

Extent of individual liability

The members of a company limited by guarantee will guarantee (promise) to pay a small amount, usually £1 or £5, if the organisation gets into financial trouble. Their liability is normally limited to this amount. However, if the company becomes insolvent and is wound up following wrongful trading (where directors knew or ought to have known before the company went into liquidation that there was no reasonable prospect that the company would avoid liquidation) or, fraudulent trading (where the company business was carried on to defraud creditors), directors and other members of the company may be ordered to contribute to the company assets.

Members of the company might be all the current members of the organisation, the founding members, or some or all of the members of the management committee or other governing body. This will be set out in the constitution, which is called the Memorandum and Articles of Association. The memorandum sets out the organisation's objects and what it can do (its powers); the articles set out its rules and procedures.

The liability of company directors (usually the same as the management committee) is limited in the same way. However company directors can lose this protection if it can be shown that they have acted negligently (irresponsibly) or fraudulently (dishonestly). And under the Insolvency Act 1986 company directors can be held personally liable in cases of wrongful trading. This is where a company continues to operate when the directors know, or could reasonably have been expected to know, that it does not have a reasonable hope of being able to meet its financial obligations when they come due.

If the company is also a charity, the company directors will also be charity trustees. As trustees they can be held personally liable (even though the organisation is incorporated) if the charity's funds are used for purposes which are outside its objects or powers.

To a large extent incorporation reduces the risk of members of the management committee (or separate board of directors, if there is one) being held personally liable if the organisation gets into debt or gets into other difficulties. But there is still considerable risk if the committee operates irresponsibly.

All registered charities must have charity trustees (sometimes called managing trustees) who have ultimate responsibility for the organisation. In some charities the trustees delegate some management responsibilities to another body, which might be called a management committee but does not have ultimate responsibility. In this situation the relationship between the two groups must be clearly set out in terms of reference.

Charity trustees cannot 'profit' from the charity. This means they cannot be employed by the organisation, even for part-time or temporary work. Conversely, employees of a charity cannot be trustees and cannot be voting members of the committee if the committee is also the trustee body. (Employees can, of course, attend meetings and participate if the trustees so wish).

Most charities must submit their accounts each year to the Charity Commission and to the Inland Revenue if they want to claim the tax benefits which charities enjoy.

The Charity Commission can advise on any aspect of charity registration or charity law, and should be contacted if there is any doubt about what a charity can and cannot do.

Incorporation of charity trustees

It is possible for a charity to incorporate its trustee body, while not incorporating the organisation as a whole. This enables the organisation to own property and enter into contracts or other legal arrangements in its own name, rather than through individuals acting on behalf of the organisation. This type of incorporation does not, however, limit the personal liability of the trustees in any way. Further information is available from the Charity Commission.

Appendix 3 – Responsibilities and Liabilities of Companies and Charities

Your responsibilities as a member of an outside body depend on the legal form of that body. The principal forms are:

(a) Statutory corporations

These are bodies which are set up under by statute. There is a wide range of such statutory corporations, including school governing bodies, universities, combined Police and Fire Authorities, and many "quangos". The members of the statutory corporation, such as the governors of a school, and how they are appointed is set out in the statute, as are the powers of the statutory corporation. That statute will also set out the responsibilities and liabilities of members of the corporation.

(b) Companies

Companies are separate legal entities which are set up by their members, who may be either shareholders or guarantors. In a company limited by shares, each member's personal liability is limited to the face value of their shares. In a company limited by guarantee, their personal liability is limited to the value of their guarantee, which may be as little as £1. The structure of the company, and its powers, in terms of the activities which it may undertake and its powers to buy and sell land, employ staff or enter contracts are defined in its Memorandum and Articles. Directors of companies can incur personal liability, particularly if the company becomes insolvent. Industrial and Provident Societies (IPSs), are similar to companies, but the member's liability is limited to their annual subscription to the association. This legal structure is popular for housing associations.

(c) Unincorporated Associations

Unincorporated associations are more or less informal organisations, in which the members regulate their relationship by a contract, such as a membership agreement or the rules of the club or association. Because the association has no legal existence separate from its members, there can be no limited liability. Each member incurs full personal liability for their own actions, and relies on the membership contract to be able to recover their costs from the other members.

(d) Charities

Some companies and unincorporated associations are also charities. To be a charity, the body or organisation must satisfy the Charity Commissioners that it is directed to charitable objectives. As a charity, it gains relief from corporation tax, VAT and business rates, but is

subject to stricter regulation by the Charity Commissioners, to ensure that it is properly managed and that it is spending its money properly on the charitable objects.

It is vital that you understand the nature of the body, your duties to it and potential liabilities.

3 COMPANIES

- 3.1 Governance arrangements over companies should be regularly reviewed to ensure they remain appropriate for the size and activities of the companies and the strategic rationale surrounding the creation and function of companies with an appropriate business case.
- 3.2 On incorporation a company becomes a separate legal entity which can hold property in its own right, enter into contracts, employ staff and sue and be sued in its own name. The company is distinct from its members, who may be either shareholders or guarantors.
- 3.3 When entering into complex or large company arrangements, focus on accessing the right financial and legal advice. This should include advice on Companies Act, tax, and group accounting requirements. This advice should be from a suitably qualified party with no interest in or relationship with the deal and include a suitably comprehensive appraisal of all risk factors.
- 3.4 Companies limited by shares are those which have a share capital (e.g. 1000 shares of £1 each). Each Member holds shares and receives a share in the profits made by the company according to the value of the shares held. Shares can be sold, although there may be restrictions requiring the shares to be offered to existing shareholders. In the case of a limited liability company, the liability of members of the company is limited to the amount they paid or agreed to pay when they joined the company, or the amount of their guarantee. This can be as little as £1.
- 3.5 Companies limited by guarantee are those where there is no shareholding. Instead each Member agrees that in the event of the company being wound up they will agree to pay a certain amount. This may also be as little as £1.
- 3.6 There should be explicit shareholder (sometimes called 'Members' Agreements) when setting up a Joint Venture with another party. The Council will have to appoint a nominated shareholder representative with authority to take decisions as shareholder (albeit as directed by the Council). Where these are already in place, consider whether they continue to reflect current circumstances.
- 3.7 Where a company is a trust, it is not permitted to distribute any profit to its shareholders, but must ensure that any such profit is ploughed back into the business. Trust companies are normally limited by guarantee, and this form of company is the most usual form in the public and voluntary sector, particularly where charitable status is sought.

- 3.8 The management of a company is generally the responsibility of a board of directors, elected by the members of the company. The powers of the directors are usually set out in the company's Articles of Association (the rules each company has to govern its internal management). Sometimes even though the company has been incorporated the directors may be referred to as members of the committee of management, governors or even trustees. However this does not change their status as directors. Conversely, sometimes officials are called directors but they are not members of the board. Again their status will not be affected. Directors are those who are appointed by the company to act in the capacity.
- 3.9 Internal and external directors for LBHF companies must attend training to understand commercial awareness, roles and responsibilities and update this regularly. Directors should be able to interrogate management accounts and the assumptions upon which the cashflow and any profit is founded and also scrutinise and hold a company to account.

4 Directors' Duties

A director is an agent of the company. Their prime duties are as follows:

- (1) A fiduciary duty to the company (not to individual shareholders) to act honestly and in good faith and in the best interests of the company as a whole. Directors are therefore in the position of "quasi trustees" who must take proper care of the assets of the company. The fiduciary duty of the director towards the company is very similar to the fiduciary duty of Councillors to the Council Tax payers of the London Borough of Hammersmith and Fulham.
- (2) A general duty of care and skill to the company. So long as the company remains solvent, a director requires no greater skill than might reasonably be expected of someone of that individual's particular knowledge and experience. A director is not deemed to be an expert, but is expected to use due diligence and to obtain expert advice if necessary. However if the company becomes insolvent, the Court may expect that the director brings an appropriate level of skill, competence and experience to the job.
- (3) Consider whether the focus of reporting on the work and activities of companies is appropriate and realistic for example, is there an appropriate separation of the strategic oversight from operational service delivery reporting?
- (4) Like a Councillor in respect of Council decisions, the director is under a duty to exercise independent judgement, though it is permissible for them to take account of the interests of a third party which they represent. In such a case the director must disclose that position and tread a fine line between the interests of the company and the party represented (in this case the authority). The director cannot vote simply in accordance with the authority's instructions. To do so would be a breach of duty.

- (5) Conflicts of Interest. There may be actual or potential conflicts between the interests of the company and those of the authority. The Councillor or Officer owes an independent duty to the company in their capacity as director and, where there is a conflict, they have to act in the interests of the company first. The Councillor or officer cannot waive their statutory responsibilities as a director.
- (6) Directors are not allowed to make a private profit from their position. They must therefore disclose any interests they or their family may have in relation to the company's contracts. Whether they are then allowed to vote will depend on the Articles of Association. Equally, officers are not allowed under cover of their office to take any more than their proper remuneration. They must obtain the consent of their employing authority if they are to receive any remuneration from a company to which they have been appointed by their employing authority.
- (7) Directors must ensure compliance with the Companies Acts in relation to the keeping of accounts, and that the relevant returns are made to the Registrar of Companies. Directors of charities have similar responsibilities to ensure compliance with charities law. Failure to do so may incur fines and persistent default can lead to disqualification as a director.

4.1 **Directors' Liabilities**

- (1) The company's identity must clearly be shown on its stationery. The company number, place of registration, registered office address and if any of the directors' names are shown then they must all appear. Non-compliance is an offence and the directors and company officers can be fined.
- (2) A company can only act within the scope set out in its Memorandum of Association (the document which sets out the objects of the company). A director who knowingly causes the company to act beyond the activities set out in the Memorandum can be liable personally. In very limited circumstances it is possible for the actions of the directors to be ratified by the members of the company after the event.
- (3) A director may also be liable for breach of trust, if they misapply the money or property of the company. Directors may also be liable if they fail to take action to prevent the breach of a co-director of which they are aware.
- (4) In the event of failure to act in accordance with the best interests of the company, or if a director uses their powers improperly or makes personal profit from their position as director, then the director may be personally liable for loss to the company and may be required to give the company the personal profit made.
- (5) If the level of skill and care shown by a director falls below that which

could be reasonably expected and the company suffers loss, the director will be liable for the loss incurred. However if it believes the director acted honestly and reasonably, a Court may excuse the director liability.

- (6) If a company continues to trade despite the fact that the directors know or ought to know that there is no reasonable prospect of the company meeting its liabilities, this is "wrongful trading". Where a director participates in wrongful trading, a Court may require that director to meet any creditor's additional losses resulting from the failure of the company to cease trading as soon as it knew that it could not remain solvent. No such order will be made if the Court is satisfied that the director took all reasonable steps to minimise the loss to the creditors. If a director has concerns about the company's financial position they could be well advised to inform the other directors and seek advice from the company auditors.
- (7) A director will also be liable if to their knowledge the company carries on business with intent to defraud creditors or any other person, or for any other fraudulent purpose. Fraudulent trading can also lead to disqualification from acting as a director.
- (8) All cheques
- (9) and similar documents which purport to be signed on behalf of the company must bear the company name. Where they do not, the director signing on behalf of the company may be liable to a fine and may also be liable to the payee if the company fails to honour the cheque. It is therefore wise for directors to make sure that all documents they sign on behalf of the company state very clearly that they act as agent for the company, (e.g. Director, for and on behalf of...)
- (10) A third party who enters into a contract on the assumption that a director has power to bind the company, may be liable to claim damages against the director if it subsequently transpires that the director had no such power. Directors would be well advised to ensure that contracts are approved by the board and that the authority to enter into any contract has been properly delegated before signing it.
- (11) Though company liability ceases on dissolution the liability of the directors (if any) may still be enforced after dissolution.

4.2 Indemnities

- (1) Councillors who are directors cannot be indemnified by the company against liability arising out of negligence, default, or breach of duty or trust. However the company's Articles of Association may allow for directors to be indemnified by the company in respect of the cost of

defending such proceedings if the director is granted relief by the Court or acquitted. It is lawful for companies to purchase insurance to protect its directors against claims of negligence, breach of duty, trust, default etc. Directors would be well advised to ensure that such a policy of insurance is maintained at all times.

5 Local Authorities (Companies) Order 1995

- (1) This Order, made under the Secretary of State's powers contained in Part Five of the Local Government and Housing Act 1989, sets out rules concerning local authorities' involvement in "regulated companies" which are subject to extensive controls, and their involvement in other companies where a number of rules apply.
- (2) "Regulated companies" are so defined if they are controlled or influenced by the local authority. "Influenced companies", under the effective control of the local authority, will be subject to the capital finance regime and special property controls. In broad terms, the test as to whether companies are local authority influenced is whether the local authority has the right to or in fact does exercise a dominant influence over the company in question.
- (3) The original concept of controlled influenced and minority interests in companies were introduced by the 1989 Act. "Influenced" means at least 20% local authority interest plus a business relationship with the company accounting for over 50% of the company's turnover and/or the company was located on local authority land leased or sold for less than best consideration. "Controlled" means over 50% local authority interests, and "minority" less than 20% interest. The concept in the 1989 Act stands, but the Order introduces the term "regulated".
- (4) A local authority influenced or controlled company must state this on all business documents.
- (5) Councillors or officers who are directors of outside companies to which they have been nominated by the Council are under the following obligations:-
 - (a) (Councillors only) that the remuneration they receive from the company should not exceed that received from a local authority and should be declared.
 - (b) to give information to Councillors about their activities required by the local authority (save for confidential information) and
 - (c) to cease to be a director immediately upon disqualification of being a Councillor or termination of their employment by the Council.

You will be notified by officers if you are appointed to a regulated local

authority company.

MANAGEMENT COMMITTEES

5.1 Unincorporated Associations

Groups which are not charitable trusts or companies are "unincorporated associations" and have no separate legal identity from their members. The rules governing the members' duties and liability will be set out in a constitution which is simply an agreement between the members as to how the organisation will operate. Usually the constitution will provide for a management committee to be responsible for the everyday running of the organisation. An unincorporated organisation may be charitable and may register as a charity.

5.2 Property will have to be held by individuals as the association has no legal existence of its own.

5.3 Duties

Broadly, management committee members must act within the constitution, and must take reasonable care in exercising their powers.

5.4 Liabilities

- (1) Generally, the management committee members are liable for the acts of the organisation, but are entitled to an indemnity from the funds of the organisation if they have acted properly. If there are not enough funds, the committee members are personally liable for the shortfall.
- (2) If one person is appointed by the constitution to act as the agent of the organisation for certain purposes, then that person acts as the agent for all the members, who have joint liability for the agent's actions.
- (3) Members of the committee of management will have personal liability if they act outside the authority given to them or if they do not comply with statute e.g. the payment of employees' tax etc.

5.5 Indemnities

Members will be entitled to an indemnity if they act in accordance with the constitution and are not at fault. It is possible to obtain insurance but if the organisation is to pay the premium it must be permitted by the constitution.

4. CHARITIES

- 4.1 To be a charity an organisation must operate for a charitable purpose. There are four such charitable purposes:
- the relief of poverty and human suffering
 - the advancement of education

- the advancement of religion
- another purpose for the benefit of the community.

It must operate for the public benefit and have exclusively charitable purposes. An organisation which operates for political purposes will not qualify for charitable status.

4.2 To register as a charity the organisation must submit its completed constitution (usually Certificate of Incorporation and the Memorandum and Articles of Association of a company limited by guarantee) to the Charity Commissioners for approval. If they are satisfied that the organisation is charitable it will be registered as such.

4.3 Those who are responsible for the control and administration of a charity are referred to as its trustees, even where the organisation is a company limited by guarantee even though they are not strictly trustees. Trustees of a charity retain personal liability, and can only delegate to the extent that the constitution authorises them so to do.

4.4 **Trustees' Duties**

- (1) Trustees must take care to act in accordance with the constitution and to protect the charity's assets. They are also responsible for compliance with the Charities Acts, and should note the particular requirements of the Acts in respect of land transactions.
- (2) Trustees must not make a private profit from their position. They cannot receive remuneration without the sanction of the Charity Commission. They must also perform their duty with the standard of care which an ordinary, prudent business person would show. Higher standards are required of professionals, and in relation to investment matters.
- (3) Charitable trustees must ensure that the information relating to the charity and trustees is registered with the Charity Commissioners and that annual accounts, reports and returns are completed and sent.
- (4) If charitable income exceeds £10,000, the letters, adverts, cheques etc must bear a statement that the organisation is a registered charity.
- (5) Trustees are under a duty to ensure compliance with all relevant legislation (e.g. in relation to tax and land matters).

4.5 **Trustees' Personal Liability**

- (1) Generally a trustee incurs personal liability if they:
 - acts outside the scope of the trust deed
 - falls below the required standard of care
 - acts otherwise than in the best interests of the charity, in a way which causes loss to the charity fund

- makes a personal profit from the trust assets

In such circumstances the trustee will incur personal liability for losses incurred.

- (2) If in doubt, always consult the Charity Commissioners. A trustee who does so can avoid personal liability for breach of trust if they act in accordance with the advice given.
- (3) Trustees of a trust can be liable personally to third parties unless the trust is also a company, and therefore has a separate legal identity from the trustees. The constitution will normally provide for trustees to be given an indemnity from the trust assets, provided they act properly in incurring the liability. Trustees remain personally liable for their own acts and defaults once they have retired. If they have entered into any ongoing contracts on behalf of the trust they should seek an indemnity from their successors. If the charity is a company, the trustees will be protected from liabilities incurred in the day-to-day running of the charity in the normal course, but will be personally liable if they commit a breach of trust (see (1) above).
- (4) Trustees may be liable to fines if they do not comply with the duty make returns etc.

4.6 Indemnities

An indemnity can be given from the trust fund provided the trustees have acted properly and within their powers. Trustees may take out insurance to protect themselves against personal liability but not for criminal acts, fraud etc. There will be no problem if the trustees themselves pay the premiums but if they are paid out of the charitable funds the trustees will need the consent of the Charity Commissioners first, unless the trust deed allows it.

PART 6 – MEMBERS’ ALLOWANCES SCHEME

Members’ Allowances Scheme 2023-24

Effective from 1 April 2023

This scheme is made in accordance with the Local Authorities (Members’ Allowances) (England) Regulations 2003 (“the Regulations”) for 2022/2023 and subsequent years. The allowances scheme has been prepared having regard to the report of the Independent Panel on the Remuneration of Councillors in London established by London Councils on behalf of all London Councils, co-authored by Mike Cooke (Chair), Sir Rodney Brooke CBE DL and Anne Watts CBE and published in January 2022.

1. Basic Allowance

- 1.1 The Independent Remunerator’s report suggests a flat-rate basic allowance be paid to each member of the authority of £12,014 per annum to be paid in 12 monthly instalments on the 15th of each month.
- 1.2 The Council has considered the independent remunerator’s recommendation but has decided to set lower levels of allowances than those recommended.
- 1.3 It proposes to increase basic and special responsibility allowances are uplifted in line with the pay settlement for employees.

The basic rate allowance for all Hammersmith & Fulham Councillors will therefore be £9,744.60 - to be paid in 12 monthly instalments on the 15th of each month.

Councillors only receive an allowance for the period of their term of office in cases where it is less than the whole financial year.

	No.	Basic Allowance	Total
All Councillors	50	£9,744.60	£487,230

2. Special Responsibility Allowances

- 2.1 Regard has been had to the recommendations in the independent remunerator’s report for differential banding in relation to the payment of special responsibility allowances (SRAs), but in line with the Administration’s priorities, it has been decided to not to follow the independent remunerator’s recommendations which would have proved considerably more costly to local council taxpayers.
- 2.2 The following Special Responsibility Allowances shall therefore be paid to Councillors holding the specified offices indicated:

Position	No	SRA Entitlement	Total SRA
The Leader	1	£35,083.50	£35,083.50

Total	36		£ 442,482.37

* This portfolio holder receives only one SRA in respect of duties undertaken.

** There are twelve positions. However, seven portfolio holders will receive only one SRA in respect of duties undertaken.

Councillors only receive an allowance for the period of their term of office in cases where it is less than the whole financial year. A Special Responsibility Allowance would cease where the SRA entitled post ceases to exist during year.

3. Other Allowances

Dependent Carer Allowance
