Artwork mural for hoarding 228-232 Dawes Road

On 28th October 2024 we will be installing an artwork mural on the hoarding that faces 228-232 Dawes Road. The mural will be drilled onto the existing hoarding and will be 14 metres in length.

The mural has been created by members of the Fulham Good Neighbours' Art Club who have collectively lived in Fulham for 470 years. It serves as a heartfelt tribute to Fulham, celebrating the borough's changing seasons and iconic landmarks. On 29th October at 10:15am we will be unveiling the artwork hoarding with Fulham Good Neighbours in a small ceremony.

Thank you in advance for your understanding.
