28 August 2024

Dear resident,

Building new homes at 11 Farm Lane

We are pleased to inform you that Hammersmith & Fulham Council has appointed Neilcott Construction as the construction contractor to build the new homes at 11 Farm Lane, following a thorough selection process.

The project will deliver 31 new energy efficient new homes, of which 50% will be affordable and prioritised for local residents.

Preparing the site

Neilcott Construction took over the site on 19 August 2024. In the coming weeks you will see preparatory works on site including protecting trees, clearing shrubs, removing the front brick wall to establish the site entrance, setting up site offices and welfare units, and erecting hoardings.

Demolition of the existing building on site will commence on 30 September 2024.

Main construction works will begin in November 2024. Neilcott are working on the detailed programme of works and will share this information with you as soon as possible. The overall target is for the homes to be completed in Summer 2026.

Keeping you informed

We are committed to keeping you informed throughout the construction process.

We will hold a 'Meet the Team' event for residents to talk to Neilcott and the council team and ask any questions. We will write to you with details of the event shortly.

If you have any queries or would like to join the project mailing list please contact:

Agnes Marsden Jeeves, Development Engagement Manager (H&F Council) by email **farmlane.newhomes@lbhf.gov.uk** or phone **07776 672969**

Darren Probets, Site Manager (Neilcott Construction) by email **farmlane@neilcott.co.uk** or phone **07780 117957 / 01689 832 199**

Kind regards,

Agnes Marsden Jeeves
